PRINCIPAL'S MESSAGE

Dr. Kristilynn Turney

Greetings,

I am Dr. Kristilynn Turney and I am proud to be the new Principal at Colerain High School. I acknowledge the strong tradition of excellence at Colerain. My top priority is maintaining that excellence in every aspect!

Prior to being named Principal at Colerain High School, I served as Principal at Fairfield Middle School; Assistant Principal at Winton Woods High School; School Improvement Consultant for Cincinnati Public Schools and I taught English, Speech, and Theatre for several years. Of all of those experiences, my most memorable was my very first teaching job and that was at Colerain High School in 1999. Colerain is home to me so I am very happy to be back at home!

I graduated from North College Hill High School and I attended Bowling Green State University on a track scholarship. I received my Bachelor's in Secondary Education-Communications from BGSU, my Master's in Educational Leadership from Xavier University and my Doctorate in Educational Leadership and Management from Capella University.

My family and I are proud residents of Colerain Township and we look forward to many wonderful years of service to the students, staff, and community of Colerain High School.

DISTINGUISHED GRADUATE

This year's Distinguished Graduate was Teddy Kremer '04. Teddy Kremer is a 2004 graduate of Colerain High School. At Colerain, Teddy was a student coach of the football team. While at Colerain, Teddy was called "The 12th Man" for the football team. He was the student coach with the baseball team. Teddy was a 4 year member of the swim team. He earned Varsity letters in all 3 sports all 4 years. He was awarded the "Team Spirit Award" for the swim team all four years. He was voted "Most School Spirit" by his classmates. Teddy received the Ohio High School Athletic Association's Courageous Student Award his senior year. After graduation Teddy attended the Project Search program and has worked at the Hillcrest Academy for 8 years. In August 2012 Teddy served as the batboy for the Cincinnati Reds. Teddy was the subject of numerous sport articles. As John Erardi wrote, "Teddy joined the team for a day, but changed the team forever" Teddy was invited to be the guest of the Speaker of the House John Boehner at the State of the Union Address in Washington DC in February. Teddy and his family were seated in the Speaker Gallery during the Address. While visiting in Washington DC, Teddy met many government officials and politicians. Teddy was invited to participate in the Cincinnati Reds Opening Day Parade by the Cincinnati Enquirer. The Cincinnati Reds asked that he join them in the Opening Night Festivities at Great American Ball Park where he walked the Red Carpet with the players and escorted Miss Teen Ohio and Miss Ohio USA to the pitcher's mound with the game ball. At the request of the Cincinnati Reds Teddy returned as the batboy in April where Todd Frazier hit a homerun at Teddy's request. He was asked to be batboy again in July of this year when the team was struggling. Teddy now works part time for the Cincinnati Reds in Fan Accommodations.

A MESSAGE FROM THE BOOSTER PRESIDENT

Dear Members and Students,

As we bring another great year in the history of Colerain High School to an end, we find our building and administration also in a state of change. The Boosters wish to thank resigning Principal Maureen Heintz all the best as she pursues the next stage in her career caring for kids and their future. She has been an enthusiastic supporter of the Boosters and our efforts, and she will be missed. We also wish to welcome Dr. Kristilynn Turney to our family and look forward to many successful years ahead under her leadership as Principal at Colerain High School. Our building will also be going through a change over the summer, as NWLSD updates the Auditorium with new seating, sound and lighting. The Boosters will assist in this upgrade through our funding of continuing sound upgrades. The Gymnasium will also get a facelift as NWLSD replaces the gym floor and bleachers. The Boosters have funded a fresh coat of paint as well as new a volleyball net system that will interwork with the new flooring. The sports hallway will display brand new framed historical portraits of our honored alumni thanks to Denny Hirsch and his team.

Our fundraising has been very successful this year. Feel free to reach out to the Athletic Department to rent the VIP Press Box for any of the home football games! Please look around the campus and utilize our sponsoring partners for your business and personal needs – the Boosters have many dedicated Corporate Sponsors who provide generous ongoing support to our programs. Past President Greg Mulvaney continues to add new sponsors and we appreciate his work. If you have a business or know of one that would like to review sponsorships with the Boosters, check www.wearcolerain.com for that information.

The Booster calendar is again full after another year of successful programs including the annual Stag organized by our Alumni Chair Denny Hirsch. We look forward to a great speaker in 2015 after a fantastic program by Tommy Tuberville this year. The Boosters thank Denny for his continuing hard work for both Alumni and Boosters. All are invited to our Breakfast of Champions hosted by Greg Stanley. Each year we recognize scholar athletes and Hall of Fame inductees with a free breakfast and numerous awards, and we thank Greg for his tremendous efforts to honor Colerain's sports history. We have a vendor waiting list for the Craft Show again this year in November thanks the efforts of Shelly Gillespie. Always an overflow event, she manages to maintain interesting vendors and popular articles for sale. In our second year at Receptions Fairfield, the Monte Carlo Spring Bash brought capacity crowds out for games of chance and skill as well as fun social evening with more silent auction baskets than ever before. Chairpersons Dawn Ostertag and Debbie Potzner will again provide a great evening of fun and the Boosters thank them for their efforts! The end of the school year brings the annual Golf Outing at Pebble Creek. With the addition of interclub competition across the schools, the traveling Cardinal Cup may find a new home this year!

Our Executive Board works tirelessly to help the kids have the most memorable athletic, drama, arts, and music experience possible while at Colerain High School, and I'd like to personally thank them for their dedication to the Boosters. We'd love to have your help too, so please don't hesitate to reach out to any Board Member as it's the parents & volunteers that truly make the programs a success. The Boosters thank each and every one for all your contributions and efforts.

Thank you all for your support during the 2013-2014 school year and we look forward to next year being another great year for Colerain!

So, please keep the membership and donations coming in to help support our talented young men and women of Colerain High School.

Thank you,

Our 66th reunion was great seeing all old friends. Many thanks to Dale McCann for all the planning. Red and I have been married for 62 years. We have 4 daughters and 10 grandchildren. I retired from the public library 37 years. We have lived in West Chester for 45 years. Jo Kroeger Deluse (1947)

Hi Guys, This looks like a summer I would like to forget. I got asthma and lost May and June, as I could not be outside to work in my flowers. I did very little. I had my grandson Dale do it all for me. Was in the hospital twice on oxygen for a couple of months and all Jack and I did is see the doctor. This is not me – I like to garden and do what I want. That is not much. Jack and I will be married 66 years on September 13. Not many can say that. I do not know anything going on in Colerain but I know it's always been the best. Sorry I did not make our class 65th reunion but because I looked too bad to go anywhere. Sure everyone had a great time. Joy Snyder Loukes kept me up on all of it. Take care and God bless. Mary Mosier Sparks (1947)

Thanks to all that helped getting the reunion of the classes of '47, '48 and '49. Dale McCann took charge and got the ball rolling. They had done this before, but this time they invited the '49ers. It was Dale's class 65th reunion. There were so many happy memories and stories told, and so much fun being with our classmates. I think I can speak for the '49ers that were there, many thanks and we appreciated being invited. Dale worked very hard getting it all arranged. Bud McElroy helped Dale, and Jim Balli assisted when he could. (He had knee surgery during that time). We were given a great presentation on the history of Colerain High School from way back when. So much has changed since we were there. How many remember the old Mt. Healthy Airport (now Northgate), the elementary school when it was our high school. (we were the first class '49 to use the new auditorium for graduation) right after it was built. What a difference now. From the '49 Class that were there at Pebble Creek Golf Club – Jim Balli and Ginny, George and Kate Buescher, Alyce Craig Cameron and daughter-in-law Linda, Dixie Duteil Gabriel (from Florida) and brother Jack and Nancy, Don Edson and Pat, Don and Bobbie McCann (New York), Gene (Bud) McElroy, Marian (O'shea) and Walt Miller, Dot (Gueterman) Behrens, Bob Scheiner. We had Mrs. Maxine Welch widow of coach Ed Welch as a special guest. So I want to thank again all that helped get the reunion together and inviting our class and special thanks to Dale and his helpers. We all enjoyed that day, a great memory now. Dot (Gueterman) Pickens Behrens (1949)

I sent you a letter (note with a \$25 donation for the next four years). If you would decide to put this in the next Chatter, I would appreciate if you could add this note on to it. Joan Jacobs – fellow classmate – has taken the time and her personal money to keep contact with all the 1954 grads she could find. She has arranged yearly reunions for the past ten years, which we all enjoy. I just want to

Fight – Fight – Fight for Ole Colerain Hi – win the victory – etc. Oh! What a school song we would sing at pep rallies in the old high school gym in the 50's before a football game, basketball, etc. that night (usually Fridays). I really relished those years (1950-1954) at Colerain (some of the best years of my young life). Now going on 77 years of age, I sit back at times and think of those at good (Ole Colerain Hi). Wonderful days. Raymond Ballard (1954)

Hi Monfort Heights Area Students from the 50's and 60's – I grew up in a house on West Fork Road. At the west end of West Fork Road at Sheed Road (it was quite rural then) was a fenced-in junkyard sort of place that had old WWI and WWII military planes; my dad said he heard the landowner was an ex military pilot and was going to restore the planes and develop some sort of museum/public display. Does anyone know what happened to the planes? Did the museum ever come to fruition? Looking forward to a 50-year reunion in 2014! Looking for the phone# and address of Dave Harper Posted By: Lee Fohl (1965)

LEE R. SUMAN, the teacher who had the greatest positive impact on my life, grades 5-12, passed away on Saturday, November 2. He not only was a great teacher, but he was also a well respected friend to all of his students. At various times during my adult life I have had the pleasure of playing music with him (Lee on percussion and me on French horn) in various ensembles. Then, upon my 2nd retirement as a high school administrator in 2010, I joined the New Horizons Band of Cincinnati where Lee was the head conductor and his wife, Shirley, was a percussionist. What a privilege it was to again play under Lee Suman's baton. Lee's health challenges were increasingly evident those next three years leading to his stepping down as head conductor this last Spring of 2013. At his last concert he was extremely weak, but with a smile on his face he approached the front of the band and conducted "The Stars and Stripes Forever." As my mentor conducted, he winked at me. Tears ran down my face

because I realized that after conducting that piece of music hundreds of times, that this time would be his last time. Lee was given a standing ovation and was honored with the distinction of being named as Conductor Emeritus of the New Horizons Band, Cincinnati. During his lifetime, Lee instilled a love of music in the lives of thousands. I will always appreciate his friendship and the positive impact that he had on my life. In the future, playing "The Stars and Stripes Forever" will always hold special memories for me. The Nov. 13 obituary in "The Enquirer" gives Lee's Celebration of Life as Saturday, November 16, 1:30 pm in Theobald Hall at Berkley Square, Hamilton, OH Rest in Peace my dear friend.

Personally, my four years at Colerain High School hold few happy memories. Following graduation, I took a job at Union Central Life Insurance Company because they had a college tuition reimbursement program. (While there, I earned the designation of Health Insurance Associate.) As a B+ student at Colerain, I quickly learned I was not prepared for demanding college courses. While I'm proud of my degree from Wilmington College with a 3.5 GPA, I contribute my success from Mentors I developed through my business associates. I left Union Central Life Insurance Company with a heavy heart. I worked in the group health insurance division and like many insurance companies Union Central stopped selling employer-provided group health insurance. I held the position of Senior Group Underwriter. While I was not laid off, the VP of Group Insurance and one of my Mentors suggested I could do better elsewhere. I went to work for United Medical Resources, Inc. where I held the position of VP, Operations. In my personal life, I was married at Holy Cross in Latonia, KY and have lived in the same home for 19 years. In October, I celebrated my 20th wedding anniversary. I support Welcome House of Northern KY, Habitat for Humanity, Pets Helping People and Hope for Paws.

Carol Smith Award

The Carol Smith Award was established in 2013 to honor longtime member Carol Smith for her many years of service to the students of Colerain High School. Recipients of the award have donated their time and talents over a number of years to the Boosters and have made a significant impact on the organization and the school.

Carol Smith

This year's recipient, Karen Schmidt Markarian – Class of 1972, became an active member of the Boosters in 1990. She chaired the annual Antique Show from 1993 – 2003 and grew it into one of the Boosters' largest fund raisers.

Karen Markarian

In 1997, Karen accepted the call to become the Treasurer of the Boosters and used her experience in banking to put in place processes and procedures that helped drive the growth that the Boosters experienced in the late 1990s and early 2000s. Karen oversaw the receipt and disbursement of over \$1,000,000

during the Boosters' three (3) Capital Improvements campaigns.

Among the projects completed were:

- Football Press Box
- Stadium Storage Building
- Soccer Stadium
- 5th Tennis Court
- Soccer Stadium with Lights
- Baseball Stadium Improvements and Press Box
- Softball Stadium and Press Box
- Football Stadium Field Turf

As Treasurer, Karen was a valued member of the Boosters' Executive Board from 1997 – 2007.

Karen and her husband Mike have two (2) sons, Alan – Class of 1994 and Danny – Class of 2003 who both played Football for Colerain.

STAG SUCCESS

Tommy Tuberville, University of Cincinnati Football Coach was the featured speaker at the nineteenth annual Colerain Stag. Numerous Alumni and Boosters heard many entertaining stories from Tommy. The speaker for the 2015 Stag has not been determined. This event will take place in early 2015 at Kolping Grove. Call CHS for details 513-404-5679.

SENIOR CITIZEN BRUNCH

On December 13, 2013, many community members and alumni of Colerain High attended an enjoyable holiday concert and were treated to many delicious desserts provided by PTA. The CHS Concert Band and Choir presented a festive musical program. Plans for this event are incomplete at this time due to the change of principals.

ALUMNI - BOOSTER GOLF OUTING

The 22nd annual golf outing was played in June, 2013 at Pebble Creek Golf Course. There were numerous CHS grads participating and everyone had a great time. Winners of the 2013 Golf Outing were Jack Chard '84, Keith Porter '79 and Mark Powell '78.

HOW TIMES HAVE CHANGED

Throughout the years classes have dedicated gifts for recognition of their class year. The Class of 2013 presented the new electronic message board in front of the school on Cheviot Road. The Class of 1961 presented the bronze school seal which is located on the floor in the lobby of the new high school. During the depression when money was scarce, the Classes of 1936 and 1937 placed a plaque on a bolder which is still located in front of Colerain Elementary.

The Alumni Association, PTA and the Boosters joined forces with Maureen Heintz, CHS Principal, to help promote the twelfth Great Colerain Teach-In. This day affords the opportunity for Alumni, Boosters, PTA and community members to talk to the students at CHS. They can share their careers and lifetime experiences with classes throughout the day. As part of this event, the Alumni Association presents a history of Colerain High School to over 400 current CHS students. Graduates from

1967 were invited as special guests for this presentation. Those who attended were Marla Banks, Linda Katenkamp Bitter, Ron Binz, Denny Bosse, John Hoebbel, Barb Litschgi Hoebbel '69, Michael Laehr, Susan Bolte Nadler, Linda Sander Partin, Sharon Holmes Poppe, Diana Shea Ridener, Martha Herbert Ruhl, Wilma Sweeney Sunderhaus, Donna Hutson Voss.
