TO THE COLERAIN HIGH SCHOOL COMMUNITY

To the Colerain High School Community,

My family needs your support!

To those of you who had my father, **Michael Hanning** in school or know him otherwise: My dad has been diagnosed with a degenerative dementia called Pick's Disease. It is similar to Alzheimer's. We have been struggling to deal with this difficult time as we treat and accept this terrible disease. Because this will eventually affect my dad's memory, we would like to make a "call for help" in making my dad a scrapbook of memories. He adored his time at Colerain as a teacher and an administrator. We know that each of his students, co-workers and friends touched his life in insurmountable ways. If my dad has touched your life in some way or you have a fond memory of him, please send a letter, photograph or video tape to us so that we can keep his memories and legacy alive. Please e-mail me at **bekah47@hotmail.com** or send snail-mail to: **Rebecca Hanning, Scrapbook, 5877 Wilmer Road, Cincinnati Ohio, 45247.**

We appreciate any support, thoughts and prayers.

Best,

BOB HUGHES MEMORIAL GOLF OUTING

The second annual Bob Hughes Memorial Golf Classic was once again a huge success thanks to all the participants, friends, and family. It was held on Sunday April 10th at Pebble Creek Golf Course. It was another wonderful day of fantastic weather, delicious food, superb golf, and especially having fun sharing old memories and making new ones. The proceeds in the amount of \$2500 were awarded as scholarships to three deserving CHS scholar/athletes. The recipients were **Britany Detzel**, (Cross Country) attending Mississippi State majoring in Animal Science; **Justin Moore** (Football) attending Eastern Illinois majoring in Communications, and **Heather McAlpin** (Basketball) attending Capital University with an undecided major. In the rear lobby of CHS a special plaque with recipient's names is on display. Everyone is invited. See you on April 23rd, 2006. Visit www.bobhughesmemorial.com for more info.

SPECIAL ARTICLES OF INTEREST

COLERAIN TOWNSHIP AIRPORTS

On the message board, there were several messages about local airports in Colerain Township. Bob Muehlenhard '34 sent us the following letter to help clarify this matter.

Dear Alumni: I want to join in on the subject of three Army Saber jets that landed on the short runway at Lakewood Air Park on January 14, 1953, and their successful take-off on that same runway ten days later. My back-up for the above statement is from the Cincinnati Enquirer clippings of dates 1-15-53 and 1-25-53. The 1-15-53 clipping tells of the forced landing while the 1-25-53 article tells of removing the wingtip fuel tanks and other unnecessary equipment, which was trucked out. After adding only enough fuel, the planes were then flown out and moved to the Greater Cincinnati Airport. If you want to revisit a part of Colerain history, turn north of Compton Road onto Pippin Road, travel north on Pippin for about 300 yards to the point where Glenaire intercepts with Pippin. Look westward down Glenaire Drive and you will be looking at the area that constituted the old Lakewood Air Park runway. Lakewood Air Park was never called Mt. Healthy Airport. Mt. Healthy Air Park was located at the southwest corner of Springdale and Colerain. It was built in the mid 1920's. Northgate Shopping Center stands there today. Of interest is that Jane Broxon's '61 father established the Lakewood Air Park. It was she who furnished the picture of the three Saber jets sitting at the west end of the Air Park runway. I hope this clarifies some of the many stories about this historic event.

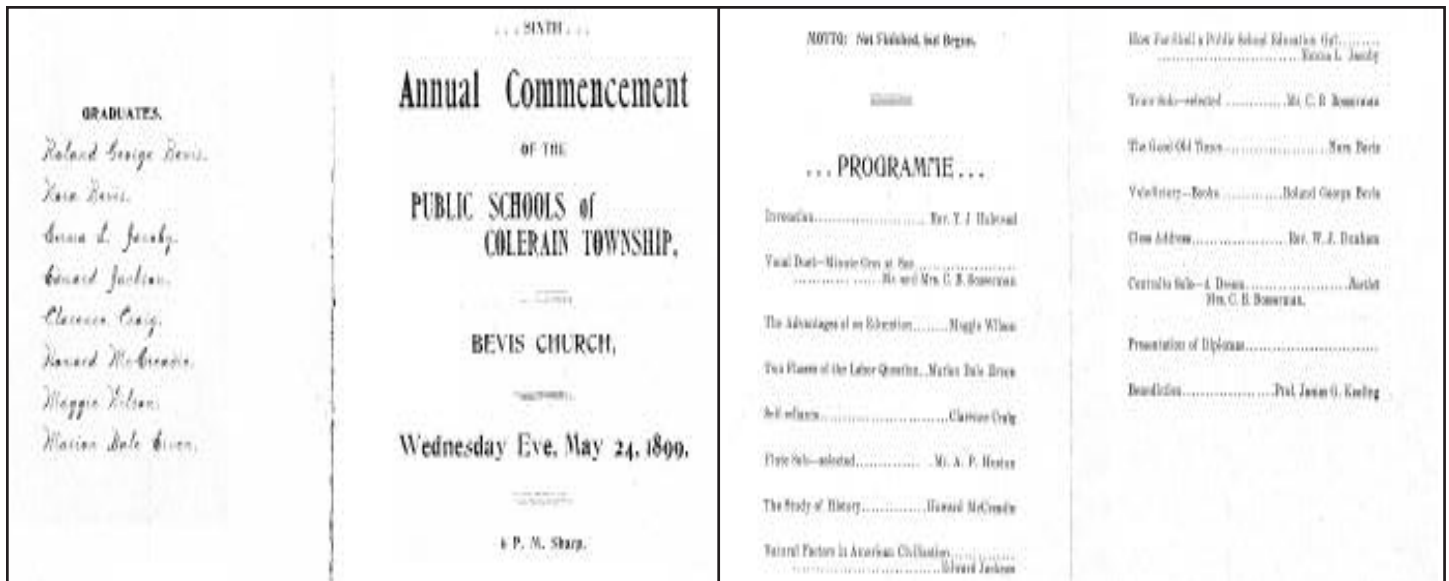

OLD ROUNDTOP GRADE SCHOOL

This article is also from Bob Muehlenhard '34. The old Roundtop Grade School was located about 200 yards west and about 50 yards to the north of the old Colerain High School. The picture you see here is after the entrance had been altered. The building originally had no basement. You can see where the entrance door was, however. There was about a five-step entrance with a small platform at the top just in front of the door.

At the top front was a bell tower with a good brass bell about 12" in diameter. This bell was stolen sometime after the school closed. It has never been

located. In the back of the school you can see the red with white stripes. This is an old dairy barn that belonged to Walter Zoellner. The same farmer who bought the schoolhouse and renovated it as you see in the photo. There was no electric or running water. The toilet facilities were out doors. We got our drinking water from the farmer's well, carried it in an open bucket and used a common drinking cup. (Sometimes a cup that folded from metal rings was used by some kids who would get one for a birthday or a Christmas present). Believe me, it was a prestige symbol!!

1899 Commencement Program— Front Side

1899 Commencement Program— Inside Pages

EARLY COMMENCEMENT PROGRAMS

This article is from Richard Huber '41. Here is a little more history of Colerain High School. The enclosed 1906 commencement was given to me by my father, Carlton E. Huber (1888-1977). This was of the school in your picture, and I remember seeing the building. One other participant, Edith Frey, later became Mrs. Vic Beischel, a family very prominent in the 30's, 40's and 50's in Colerain Township. My wife, Judith A Fisher '61, and I enjoy the Chatter very much.

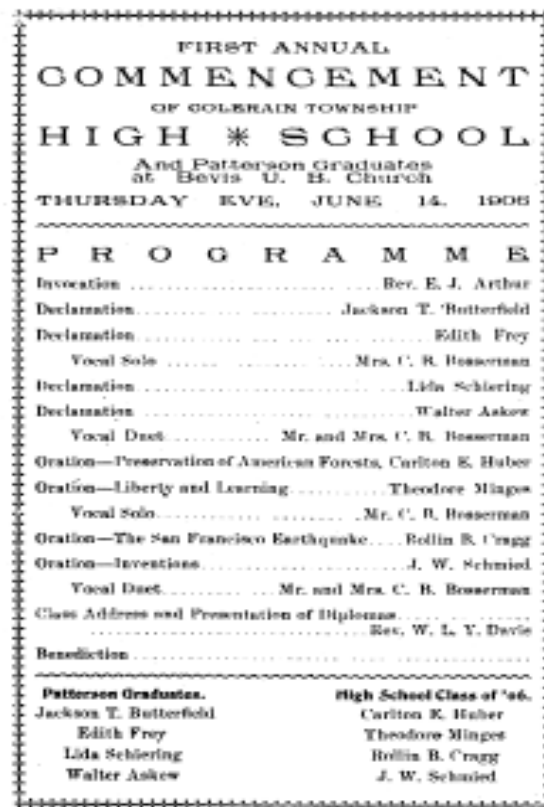

Following the 1906 Commencement Program is a Commencement Program from 1899 sent to the Alumni Association several years ago. As you can see, there is a major discrepancy. The 1906 program states it was the first annual commencement of Colerain Township High School, however, this is in direct conflict with the 1899 program that states that this was the sixth annual commencement of the public schools of Colerain Township.

On the 1906 Commencement at the bottom, it lists graduates from Colerain High 1906, but also mentions Patterson graduates. **The Alumni Association has checked with several older graduates and no one has ever heard of a Patterson High in this area. Does anyone have any idea on how to explain where Patterson school was located? Please call Denny Hirsch with any info 513-385-4475.**

Dear Chatter: With sadness I am enclosing the obituary for Janet Stolarevsky that appeared in the Ann Arbor news. Although they mention she graduated from U.C.; they failed to mention the short, but important period of time she spent at Colerain. Janet was just out of college when she came to old Colerain High to teach Speech and Drama. She was with us from the late 1940's until early 1950's. She gave us opportunities we never had before. She filled our halls with music. We gave a Gilbert and

1908 Commencement Program

Sullivan operetta each year. We had two courses that performed for all occasions and we gave several one-act play. Her drama productions were so well known that we played to a packed house. Our classes were so small practically everyone participated either behind or in front of the curtain. All of us had something in common. I called Janet three years ago and invited her to attend our 50th class reunion. We were thrilled when not only did she attend our dinner but also stayed for the picnic the next day. It gave all of us time to catch up on what has been going on in our lives. Janet was a special teacher and touched many of our lives. I know I am delighted to have had her in my life. Joan Pinsenschaum Kreheler '52

Enclosed is a donation to the Alumni Assn. to help pay for some of the Chatter expenses.

Ed Moeller (1936)

On behalf of Gene and the rest of our family, I want to thank you and your crew for the breakfast and our splendid program Saturday. I know the tribute to Gene made him and our daughters, along with their families and me very happy. When we're young we take everything for granted and in our stride but an honor is so much more meaningful when we're older. You do a "heckuva" job. I believe that you inherited your mother's organizational skills.

Marian Taylor (1941)

Hope everybody has had a nice summer. I sure have, just working in my flowers and doing the things I so enjoy. Would like to hear from some old classmates. Enjoy the chatter, so keep up the good work. My donation is enclosed.

Mary Sparks (1947)

This is to advise you that D.Jean (Craven) Dangel, Class of '50, died June 2, 2005. She was a wonderful friend and I'll miss her.

Please accept my donation. Also, please change my mailing address to read: Marilyn Lohrer Wiehr 2997 W. Galbraith Rd Cinti OH 45239. You have the Alumni letter address to my husband who did not attend or graduate from Colerain! We had a great class and many of us get together whenever someone from the class comes into town. Actually we really don't need a reason! If anyone from the class of '52 who has not attended our get-together and would like to know more about it give me (Lefty - 521 - 6038) or Leroy Meier (931-5606) a call or e-mail. Rich Meister ad rameister@Fuse.net.

Marilyn (Lefty) Lohrer Wiehr (1952)

Thought I'd add this to all the Mt. Healthy Airport stories. Our family (Kelley) lived on Springdale Rd. near the old Colerain Elementary School. We went passed the airport many times, mostly to buy fresh milk from the Meier's farm on Colerain Ave. The farm is long gone, but Bob Evans restaurant is directly across the street from where the old farm stood. Later (1952) we lived on Kemper RD. We came up to the old Mt. Healthy Airport regularly to get that creamy whip ice cream It was called "BITE-D-LITE."

pat kelley berlier (1955)

I would like to thank all the grads that showed up for our 50th reunion. I had a very good time and was happy to see my classmates. The committee did a bang up job and

I look forward to our next reunion

Ed Leonhardt (1955)

I lived on Colerain Ave across from the now Northgate Mall from 1953-1957. The Mall was then the Mr. Healthy Airport and the Creamy Whip on the corner was the Bite-D-Lite. On two occasions when I lived there, airplanes tried to land under emergency conditions and were severely damaged by trying to land on the unmaintained runway that had a lot of severe potholes and had been closed by the FAA. The planes were left in their damaged state for quite a while and provided some good fun for me of sitting in them and pretending to fly until they were hauled away weeks later. Maybe it was that experience that made me get my pilots license many years later and enjoy flying and airplanes even now. The other airport that was referred to by Bob Wilson(60) was Lakewood or Lakeview airport and was located just North of Phippen Rd or Compton Rd. just where the two divide West of Colerain. Three Sabre jets did indeed land there about 1954-55 and were dismantled by the Air Force to get them out of there. I never saw that airport but I know it was there and am not sure what it is today. The buildings at the Mr. Healthy airport were rented later by King Bee Leasing company who had the unscrupulous reputation of leasing old police and fire vehicles with their odometers turned back to 0 and new paint as new vehicles. My family had a grocery on Colerain and every Sunday all of the disgruntled customers would come into our store while they were waiting to get their "new" leased vehicle repaired. The owner did go to jail for his misdeeds but much of the money associated with the leasing company was never recovered. This was the first time I had ever heard of "Leasing a car". In closing, I am very proud of the Cardinals Football team. A good friend of mine is Bill "Tiger" Johnson who was the ex Bengals coach and guess where he lived and played high school football?.....Tyler, Texas. Next September, I think we are going to have a football party at my house with "Tiger" as the guest of honor. Also, as being one of the Pickens cheese sandwich lunch crowd, I am sorry to see that place go. I always thought that would come back as a "gourmet" middle school restaurant. Good luck to the "Cards" of 2005-2006 in all of their sports endeavors. Good job with the "Chatter"!!

Gery Loewe (1957)

Bob Wilson and Larry Bullis Just a follow up to your comments regarding Mt. Healthy Airpark. If you have access to the "2005" Calendar of Colerain Township and look at the month of January, you will see a picture of the three military jets on the ground at the airpark. The airpark was actually listed as Lakewood Airpark. The entrance was off of Pippin Road north of Compton Road with runway going east to west. This was a follow up to the 2004 calendar when they originally featured the airpark. Township calendars can be obtained by calling 385-6110 or 923-1825.

Thanks to everyone who responded to my previous message about the old Mt. Healthy Airport. Actually, there were two airports with the same name: The one that once occupied the site of Northgate Mall and another near Compton and Pippin Roads. But here's another mystery: Recently I found the deed to the house that my parents purchased in 1950. The house was on Jessup Road a little ways west of Cheviot Road and the deed described the property in relation to that intersection. But the deed also noted that Cheviot Road was formerly known as Burnt Schoolhouse Road. Has anyone else ever come across this name? Assuming that this name commemorated some historical catastrophe, what school was it that burned and where was it located?

6/21/05 Hey Marsha Ward Kelch (1969) Don't know if you remember me, but I too was wondering what was going on with the Class of 1969. I have missed all the Newsletters, but now am up to date. Email me and let me know what's going on. Or I'll let you know if I find anything out.
Marilyn Keller Bunch (1969)

A particular HELLO to the class of 1969. It's hard to believe that it has been 36 years since we graduated. Much of the time, I feel as though I'm still 18 years old, but the mirror tells me otherwise. I suspect that I'm not the only one who feels that way. It has been a couple of years since I checked out this site and this is the first time I have posted a message. My daughter, Aimee Heckman is a class of 1991 CSHS graduate and lives in Cincinnati. I have been divorced for a long time and am still single. After living in Florence, Ky for many years, I moved to Frankfort, Ky in 2000. Eventually plan to retire to Dale Hollow Lake area on the Kentucky-Tennessee border. Was self employed for many years in Northern Kentucky. Worked for Amazon.com in Lexington, Ky after moving to Frankfort, Ky. Currently work for a local company in Frankfort. While living in Northern Kentucky, I would occasionally run into fellow CSHS classmates. Of course since moving to Frankfort, I haven't run into a single one. The only classmate I have seen regularly through the years is Rick Doller. Rick was married for many years to my sister Jane (class of 1973). Sadly, they are now divorced. Their divorce

was (and has been) the most amicable divorce I have ever witnessed, and Rick remains a "family member". My parents, brother, and sisters all live in Dearborn County Indiana. Like other classmates who have posted messages, I too wonder about a class reunion. I attended the one held in Miamitown in 1976 (I think the year is right). To the best of my knowledge, there has not been another. I had better close now but I promise to make this site a regular stop on the internet. See y'all later.

John R. Heckman (1969)

Just a few lines to see how all of the '69 grads are doing. The Cards played a heck of a game on Sept. 3 but I couldn't really root for them the way I wanted to because I was working in a sea of bluebirds at the games that day at Paul Brown Stadium. All I have to say is keep up the good work card and coaching staff. I hope to see another championship this year.

Dear Colerain Chatter, I was sorry to read in the May chatter that the class of 1970 will not be having a 35-yr. reunion. I was looking forward to a reunion this summer. Please Let me know if there are plans for a 40-year reunion in 2010. Thanks.

Just wanted to let anyone who didn't hear that the bad news! Cindy L. (Simpson) Breashear died on June 26, 2005 from an accident. Her husband Gus died the 24th the day of the accident. He was grad. from Northwest High.
Jane Tuley Lentz (1975)

Hi All! If anyone out there knows where Mike Doerman is please let me know.
Jane Tuley Lentz (1975)

I have been trying to get information on 1975 class reunions for over 10 years. When I called the High School Office, in May they gave me Dianna Ridner (former Northwest HS teacher) as a contact. When I called her she told me no reunion was planed for the 30th this year, but she would pass my name on to someone who was gathering personal information about graduates. I called her back today and found out there was a reunion on June 4 that I could have made. I live in Michigan and would like to re-connect with some of my old high school friends, but I can't get anywhere trying to find out who,what,where, or when Reunions are planned. can someone help me get reconnected? In this world wide web age I can't beleive I am having so much trouble finding information.

Bob Sumpter (1975)

ATTN CLASS of 75, I share with you the following E-mail from Per Eric Fleisberg, foreign exchange student 1975. But first a request from me. Please keep in touch with me for our fall outing. Mark Nicastro has volunteered to help with advertising. We need your help too; we had only 25 or so show up for the picnic. Call me, please. 235-8249 Dear Wally and all old classmates I am really sorry that I am unable to attend the 30th alumni of "Class of 75". I just can't believe that it has passed 30 years since our graduation. It would have been so fantastic to see you all again after all these years. My family has for the last 18 months been living in Perth, Western Australia, where I have been working as a consultant anesthetist

at the Royal Perth Hospital. At the moment we are planning our return home to Sweden where we will be in just 4 weeks. This move of ours makes it quite difficult to arrange a trip over to US at the moment. I am very convinced that you all will have a fantastic reunion and will share a lot of good memories. I have always looked back at my time at Colrain with great joy. I certainly remember all the good times that I had during my exchange year at Colrain, football, parties...girls etc etc. Time flies really quickly, and now I am married and have two children (daughter 9 yrs and son 7 yrs) of my own. I will always be eternally grateful for the experience that I got at our highschool. Monfort Heights The Monfort Heights area of Green Township was named by residents in 1926 for the area formerly known as Weisenbrugh or Wisenburg. The name was taken from the Monfort Post Office, established around 1900, which was located on Burnt Schoolhouse Road. Frank Dumler, the first postmaster of this office, had named the office after Capt. E.R. Monfort, postmaster of Cincinnati at the time. The locals added Heights to the name because the area is a high locality overlooking Cincinnati. White Oak White Oak received its name for the abundance of white oak trees in the area. White Oak lumber was valued for "tight cooperage," and was used to make kegs and barrels that held liquids. White Oak trees' pores are naturally plugged, so the wood is non-porous. German coopers wanted to live in the area where the wood was abundant. This historical information was originally included in "Your Guide to Green Township", published by Press Community News, March 22, 1995.

Chatter-Congratulations to the 2004 Colerain Football Team! I was able to make it to 2 games this year from Maryland and watch my Nephew (Tyler Moeller #28 Outside Linebacker) play. I flew in to see the Elder Play off Game and the State Champion game was incredible! From the first 3 possession fumbles to scoring 7 straight times the game was first heart wrenching then a blowout! My nephew Tyler has a great sack on Canton's goal line that turned into a touchdown and a 42-yard fumble recovery. I am looking forward to seeing my nephew who is only a Junior play again this year. I am planning to make several games this fall and can't wait till the Texas Tyler Lee game in September. It is also exciting to see so many players being recruited by UC (go Goode!) and my Alma Mater Miami of Ohio. Tyler has an offer from there already so I will be able to see him and Braydon Coombs play there in 2006. I don't get back to Cincinnati too often but hopefully I will see some of the class of '82' at the games. Go Cards! Craig-dunn@vwr.com Brookville, MD

Hello Everyone, My husband Mike and I enjoy reading the newsletter. I had my twelfth class reunion this year and it was great seeing classmates I haven't seen in a long time. The last time I saw Sonia Robertson I was walking down the aisle to marry Mike nineteen years ago. Sonia was gracious enough to sing at our wedding. We moved to Ross last year from Groesbeck with our two sons, John (6 years old) and James (12 years old). If anyone would like to get in touch with us our address is 4008 Kirchling Road Hamilton, Ohio 5013, (513)738-2792, E-mail Jodi@quality-towing.com. We would love to hear from you. Hamilton, OH 45013 *Special Request* - If anyone knows how to get a hold of Vickie Brown (1985) could you please pass our information to her and forward hers to us? Thanks!

I'm disapointed in Colerain's choice of QB. Is that the best they have? When your offense only runs the option you must have a strong QB. What happen to last years backup? Thank GOD our defense was strong. KNIP

Hi Class of '97. I still keep in contact with many that graduated with me but for those that I have been unable to "find" or keep in touch with I hope all is well. I am doing very well and I'm also in the process of relocating next month to Atlanta, Georgia from New Orleans, Louisiana after accepting a position in the Cobb County School District as a Speech-Language Pathologist, single, no children. I know it's still early but I would like to know if there have been any plans made thus far regarding our 10yr reunion which will take place in '07. Please let me know when any info becomes available. Take care!

Hello to all the class members of '99 and '00. For those of you who do know me and for those who don't, since I've graduated, I have been married since '02, have two kids, a four year old girl (Madeline) and a 14 month old boy (Sam). I have been living on the westside in Bridgetown since '02. My wife is from here. DEDICATED TO EXCELLENCE AND QUALITY IN STUDENT EXTRACURRICULAR ACTIVITIES

WE ARE COLERAIN! Over the past few years, these three words have symbolized the support and enthusiasm that the community has for the accomplishments of our students in extracurricular activities.

The Colerain Boosters have a rich tradition of support of student extracurricular activities at Colerain High School, Colerain Middle School, and White Oak Middle School. During the past 10 years, the Boosters have raised and contributed over \$1,000,000 toward projects and activities that are benefiting all students. In addition to athletics, the Boosters support the Band, Show Cards, Orchestra, Student Council activities, banquets, and provide Scholarships yearly to students whose family's are Booster members.

Entering the 2005 - 2006 school year, the Boosters are committed to three major projects, Soccer Stadium Press Box, completion of Cardinal Village, and refurbishing of the gymnasium concession stand in addition to its ongoing support of student activities. These projects are in addition to the commitment made in 2004 to install a state of the art Field Turf competition surface in the stadium. Currently the Boosters are making monthly payments on a \$500,000 loan. This loan will not be paid off until 2009. Additionally, the Boosters have doubled the number of scholarships to be awarded at the end of the year.

These improvements are being made possible because of the generous support of parents, community members, and alumni. Dedicated volunteers spend countless hours in planning and executing the numerous fundraising events that support our students.

HOW CAN YOU HELP? THERE ARE A NUMBER OF WAYS...

FIRST, we need your support through Membership in the Boosters. Enclosed is a pledge envelope that you can return with a one-time contribution or multiple year pledge. The Boosters and Alumni Association have joined together to improve communications and the quality of the Chatter mailed twice yearly to the homes of alumni in all 50 states and around the world.

SECOND, you can attend and support the numerous events throughout the school year - Sports Stag, Craft Show, Antique Show, Monte Carlo, and Golf Outing.

THIRD, you can let the community know that you support Colerain through purchases of apparel at the Cardinal Corner Spiritwear Store.

FOURTH, you can Volunteer your time and talents to any of the Booster events.

If you need additional information about how you can help make a difference in the lives of our students, please contact David Denny at 513-923-9125.

Sincerely,
Gregory K. Stanley
