MONFORT HEIGHTS**

As most folks know, the current Monfort Heights Elementary School will be replaced with a new building. Principal, Bill Duke, wishes to invite all former students (this building was a junior high at one time as well) to attend a farewell Homecoming next April 17th from 2-5. If you are interested in attending, please call Mr. Duke at the school for exact details.

If you have access to the Internet, be sure to check out **www.colerain.com** This is a new community based internet site dedicated to promote all aspects of Colerain Township. Any Colerain Alumni can now register on line at no cost to keep our database current. Our plans are to send Alumni and Booster information via e-mail on current events and reunions. Thanks to **Mark Haverkos '73 and Susan Boswell Haverkos '79 for their help.**

Alumni Night 1998

Another great Alumni Night occurred on September 25 at the Colerain vs. Middletown football game. This year's special honorees were former football players who had completed four years of college academically and had played college football all four years. The participants were Harvey Herrmann '56, John Focke '65, Dike Dastillung '70, Glenn Lang '70, Tom Farmer '71, Helmut Strecker '75, Rick Davis '76, Tim Clifford '77, Joe Smith '78, Kerry Coombs '79, Barry Thomas '79, Bill Riddick '79, Joe Mauntel '81, Eric Kattus '81, Todd Hatfield '81, Tom Neyer '81, Dan Bolden '82, Mark Marsh '85, Dave Weil '85, Tom Bolden '88, Benny Drummer '88, Scott Murphy '88, Ken Pierce '88, Eric Wullenweber '88, Brant Smith '89, Robert Davis '89, Brandon Lemmons '94, and Kevin Kidd '94.

Some Alumni Band members came out to make music with the marching Cardinals. Alumni band coordinators would like to encourage all you musicians to dust off your instruments and join the good old gang. You play with the current high school band so you don't have to worry about being a little rusty. We apologize for not having the names of the 1998 participants. This was handled directly by the CHS band this year, and we forgot to ask them to keep track of names and years. If you participated or know someone who did, please drop us a note so we may recognize these folks in the next newsletter.

Alumni Rhythmettes dazzled the crowd this year with a fun routine to 'Good Golly Miss Molly'. The 1998 participants included: Marianne Egbert '63, Pam Hughes Schaible '69, Peggy Bradner Wallis '71, Linda Meyer Newton '74, Gayle Telford Jorgenson '75, Kathy Frommer Mehringer '76, Cindy Bennett '76, Doris Hayes Haubner '78, Susan Lowes Volz '78, Susan Hester Humbert '79, Holly Gibson Coombs '80, Susan Jacobs Gentry '87, Amy Schulte '89, Angie Hagen McHale '89, and Jenny Ziegler '95. This performance is so much fun for all the alumni who come join us – we encourage even more former Rhythmettes to participate.

Last but not least, two alumni were recognized as Distinguished Graduates for 1998. They were **Norm Muehlenhard '36 and Larry McAfee '65**. While attending Colerain, Norm played in the band, started on the soccer team, and was active in 4H work. During the Second World War, Norm served

with the 84th Illinois and was on active duty for over four years. He entered the war as a private and, after a number of promotions, rose to the rank of Captain. Norm was involved in three major campaigns, including the Battle of the Bulge, and was awarded the Bronze Star for bravery under fire.

After the War he returned to Colerain Township. He served on the Committee to Establish Township Zoning in 1956, and was elected Township Trustee in 1958. Norm served as Trustee until 1976. While a Trustee, he served on the Hamilton County Executive Committee to Improve Local Government. Norm has been President of the Colerain Historical Society and Township Trustees; member of 84th Infantry Division of World War II, Colerain Township Republican Club, and Colerain Township Zoning Committee. He has been a lifetime member of the United Church of Christ and also belongs to Gailey Post VFW.

While at Colerain Larry McAfee '65 played on the football team. After High School he attended Ohio State University, where he received a degree in Economics. Larry graduated from Fort Benning Georgia's Officer School in 1968, was commissioned a Second Lieutenant, and assigned to Vietnam. While serving in Vietnam, Larry received the Bronze Star for bravery under fire. During his military career Larry rose to the rank of Colonel and served his country in Vietnam, Korea, and Germany. He commanded units of the First Calvary Division and the First Infantry Division, and from 1988 to 1990 commanded the famous Second Battalion 16th Infantry Rangers. Larry completed many military classes. Among these were Infantry Officer Advanced Course, Command and General Staff College, and Department of the Army Inspector Course. His Military Awards include the Legion of Merit, the Meritorious Service Medal, the Air Medal, the Army Commendation Medal, and the Combat Infantry Award. After retiring from active military service, Larry continued in a consultants role to the Department of Defense. His area of expertise was in war game simulations. In this capacity he reported to the Secretary of Defense in both the Bush and Clinton Administrations. Unfortunately, Larry passed away last year after a courageous battle against cancer.

Norm and Larry represent the many fine Colerain Alumni who have served their country and communities for many years. Congratulations Norm and Larry!

The Alumni Association is in need of more nominations for Distinguished Graduates. If you would like to nominate someone please submit the person's name, high school activities, post

high school accomplishments, and why they should be considered. Please don't just send a name and a few words. Remember, what you submit is all the committee has on which to judge candidates. Send to Colerain High School in care of the Alumni Association.

HISTORY OF CHS

Colerain Centralized Township School opened in September 1924. In the April 26th, 1924 Hamilton Journal Newspaper there was an entire page given to the history of the many one and two room schools that had served the area. The following article about Barnesburg School was taken from the paper. In future editions we hope to also write the histories of Peach Grove, Cliptown, Groesbeck, Dunlap, Blue Rock, Dry Ridge, and Old Round Top Schools. **Editors note: The actual sentences and grammar are exactly as it appeared in the Hamilton Journal of April 26th, 1924.**

The building that served Barnesburg District as a school room over 80 years is still a good building. It was built on land belonging to the Barnes Family. It was a one room log structure and 76 years ago when J.J. Livingston was the teacher followed by Samuel Hammitt, the enrollment of the school was 100 pupils, the desks were without backs and were not fastened to the floor just benches of various sizes that might be easily moved around. On cold days the little children were allowed to sit nearest the stove, and when any were absent their benches were stacked in the corner to get the benefit of the space. When all were present the aisles were just about 2 feet wide.

Pupils from 4 to 24 attended some coming 6 miles. Mr. Agen, Abram Goady, and Royal Struble were also teachers in the old building. John Davis was one of the pupils of the old school who became a teacher. Mrs. Serepta Johnson attended this school 75 years ago. After this building did service for about 50 years as a school room, it was remodeled into a 5 room dwelling without enlarging it any, and sold to a Frenchmen who with his family made it there home for many years. Late he sold it to Mr. Oehler the general merchant. Mr. Oehler now uses it as one of his ware rooms and as stated in the beginning it is in sound condition.

35 years or ago or less the present two room school house was built. Some of the teachers serving an this building are James G. Keeling, J. Willey, Charles Mountville Flowers, George Hecht, Mr. Craig, John Hammitt, Estella Struble, Shirley Ryan, Minnie Kaup, Charles Kaup, Clara Wagner, Anna Weigle, Perry Brestel, and Mrs. Joyce. Miss Weigle and Mrs. Joyce are the present teachers.

Mrs. Ada Johnson, Miss Anna Weigle, Miss Amelia Heide, Minnie Kaup, and Jesse Van Ausdal are some of the pupils of this school who became teachers. William Johnson served overseas in the World War. Stanley Van Pelt is a prominent M.D..

These are only a "few of the many" from this school who are prominent. Helen and Blanche Craig attend Colerain High School and Hazel Johnson is attending Ohio State University in Columbus.

I am enclosing a little item about our 1933 Class reunion. I hope you can find a place for it in the next Colerain Chatter. Thanks! The 1933 graduation Class of Colerain High School celebrated their 65th reunion on May 27. It was held at the White House Inn on Mulhauser Rd. Those attending were Hilda Bachman Mozena, Catherine Maier Herrmann, Emma Horning Sunderhaus, Jenny Riester Kline, Herb Muehlenhard, Bill McCulley, Ray Rettig, and Chris Seibert. **Jenny Riester Kline '33, Cinti, OH**

Dear Colerain Alumni:
The Class of 1934 had another good get-together on June 9, 1998. Besides the usual good exchange of barbs, brickbats and bouquets, we were pleased to note that our group remained intact this past year. We all express our gratitude to those graduates who so vigorously work to keep the Alumni Assoc. alive and well. My donation to the association is enclosed. **Bob Muehlenhard '34, Cinti, OH**

Colerain Alumni
I was thrilled and most pleased to have been selected a Colerain High School Distinguished Graduate. It is an honor least expected but most gratefully received. It is a particular honor to have been recognized along with a great soldier, Larry McAfee. I thank those that have placed my name in nomination and those of the selection committee for reaching to the Class of '36 for a candidate. I thank, too, friends and family who have helped me through these many years. May we all labor for a better country and community. **Norm Muehlenhard '36, Cinti, OH**

In 1981 I retired from The Union Central Life Insurance Company and sold our residence on Colerain Pike across from Joseph Chevrolet. We moved to Mt. Washington and then to Cleves Warsaw Pike until August 10, 1995. We then moved to Montana, because older son Grant is a radiologist at the Western Montana Clinic. All three of our sons graduated from CHS. Terry graduated from Duke University and U.C. Medical School.; Craig did the same and then went to MIT for his Ph.D., and John went to the University of Utah, SLC and then graduated with honors from the University of New Mexico, Albuquerque where he presently resides. At the time I was President of the Boosters Club, Terry was All County Tackle on the football team and I was responsible for acquiring the football stadium bleacher seats on both sides of the field at the old stadium on

Poole Road, while organizing the football program with advertising and selling tickets at the football games. My officers at that time were Margaret Froelich (mother of Benny who graduated from Colerain the same year as my son Terry '60). Benny Froelich is President of Froelich Machine Co., Sharonville, OH. Margaret is deceased but was my Secretary at the time. Virgil Heil was the Treasurer; he resided on Blue Rock Pike, was an accountant and a widower. Harry Culler, my Vice President (now deceased), was also a deputy for the Hamilton County Sheriffs Dept and had a daughter who graduated from Colerain. I know that they all had given detailed times to see that our records were up to date. At the time of my tenure as President, I was given other duties from my company until I retired. When we attended my granddaughter's graduation in Columbus last May, we visited Cinti. Unfortunately we can't be there this May because we are expecting a new grandchild in New Mexico. I appreciate all the efforts that you and the Boosters club members are going through, however, and thanks for the invitation. **Grant A Kien**

Colerain Chatter:
I would like for you to enter this in the next Chatter publication in your Applause section: *Sherry (Weisman) Parr '70*, was awarded the *1998 Distinguished Principal Award for the State of Ohio*. Sherry is Principal at Reading Central Elementary, which also was awarded the *National Blue Ribbon* award under her leadership. I am very proud of her! She has been a principal for only 6 years. Sherry and her husband, Mick, will be going to the White House in Washington to receive her award for Distinguished Principal for the State of Ohio. Thank you for the news in the Chatter. It keeps everyone in touch with those we never hear about. Our 50th class reunion for the Class of '48 is being held at Dante's on Aug 22. **Dorothy (Herrmann) Weisman '48, Mason, OH 45040**

Is anyone from 1949 interested in a 50 year reunion? Due to **impending** surgery and spending winters in FL, I can only help a little, but would do all I'm able. **Dot (Gueterman) Behrens '49, Loveland, OH**

Hello from Finneytown, Cinti, OH:
I think of Colerain every day as I work at Northgate Retirement Center as the Activity Director (love those Germans from the West side). Hope to have a retirement party in September. I have 2 daughters

and 4 grandkids. I phoned Jim Zimmer and all the Alumni that missed the reunion. **Phyllis (Kress) Kemen '51, Cinti, OH 45231**

Thanks for the newsletter. WE enjoy hearing what is going on. Please correct the spelling of Ted's last name that is printed with the class of '52 in the April newsletter. The newsletter says Ted Lance; it should be Ted Lantz. **Nancy Lantz '52, Ft. Wayne, IN 46804**

Retired and enjoying it! Thanks, I do enjoy all the work you do. **Tom Littlepage '56, Greenville, OH 45331**

Thank you for continuing to include me on the mailing list for the alumni association newsletter. I enjoy reading it! My husband and I have retired to the Land of the Ozarks and are enjoying the water and golf and other aspects of the "good life". I'm enclosing my new address with a check to help pay for the newsletter. **Mary (Eppley) Sampel '60, Camdenton, MO 65020**

How about listing EMAIL addresses in the newsletter? **Terry Donahue '64, Studio City, CA 91604 (tada@akamail.com)**

Please accept the enclosed donation in memory of two 1965 alumni whose lives were cut short. **Judy Seibert** succumbed to leukemia in the summer of our 7th grade and **William (Duke) Schmees** was killed while serving in Viet Nam. Please include their names in the Chatter. **Sharon (Stoffran) Kramer '65, Hamilton Ave, Cinti OH**

Hello:
I am a 1966 graduate of Colerain and my maiden name was "Hill". I am now Jo "Hill" Beynon and live in Traverse City, MI 49684. I would appreciate receiving the Colerain Chatter and any future mailings regarding a reunion for my class. **Jo (Hill) Beynon '66, Traverse City, MI 49684**

Dear Colerain Chatter:
I was very happy to receive the November '97 newsletter and look forward to the 30 year class reunion Donna Thirion Voss is planning. As wife of the Honduran's President, I am collaborating with many charities and preside as honorary president of twelve foundations including my own "Fundacion Maria". Most of my work is with public hospitals and cultural institutions. With the World Bank in Washington, we are developing plans for a Children's Museum. Since we are a country with low levels of education, and problems with under-nourished children, plus unacceptable child mortality rates; many

of the more prosperous nations are helping us with donations by funding hospitals, schools, cultural centers and medical brigades. If anyone in the Cinti area is interested in supporting efforts to improve the future of our young population (51% of the Honduran population is under the age of 18 years old) please inform my office. Also, if any corporation could contribute to provide a learning experience exposition in the Children's Museum, we would be forever grateful!. As a recipient of a PTA scholarship, I would like to thank the Association for their investment in my education. PS: I know all of this info and my present position must seem strange to my classmates since I was the absolutely shyest student of the group; but thanks to so many of the wonderful teachers of Colerain, some special interest was given to my timid soul. I won ribbons and medals through my cooking and sewing skills at the Ohio Fairs. Once I won the "Woman's Club" sewing contest and was on the Ruth Lyons and Nick Clooney show. My mother was active in the PTA and I was her assistant in many events, serving food and washing dishes. We lived on Wuest Rd and I walked through the neighbor yard to arrive at school. My father worked with Procter & Gamble and was transferred to Pineville, LA in 1968. I started studying at LSU the following September. My brothers and sisters also attended Colerain although they graduated in Louisiana. Here's where we all are now: Deborah (Flake) Fronabarger (Buna, TX), Emily (Flake) Smith (New Roads, LA), William Flake (Russelville, ARK), Mike Flake (Pineville, LA), Barrett Flake (Dayton, OH USAF), John Flake (Atlanta, GA) and my parents: Ruth and Ben Flake, Pineville, LA 71360. **Mary (Flake) DeFlores '67, Casa Presidencial, Tegucigalpa, M.D.C. Honduras, C.A.**
Editors Note: we received this letter from Mrs. DeFlores prior to hurricane Mitch causing all the death and destruction there. We're sure this would be an especially good time to make a contribution to Mrs. DeFlores' charities or to disaster relief for their country; call 1-800-HELP NOW to make a donation to the American Red Cross. Specify Honduran Disaster Relief.

Folks:
Enclosed is my donation for the Colerain Chatter. I really enjoy reading it and sharing from fellow classmates. Most people remember me by my nickname "Crittty" (it's a long story how I got that nickname, but classmates Steve Knittel and Tom Pero are responsible; I actually got it in Junior High!). If anyone wants to chat about old times, I can be reached at **Cabtebasb@aol.com**. I work as a systems analyst for an IS consulting firm, have been married to Tim for 20 years and we have a 16 year old

daughter. Keep the Chatter alive! **Chris "Critt" (Kline) Bessey '72, Cinti, OH**

Dear Chatter:

Please add our names to the mailing list, my sister-in-law (Carolyn Frey Thacker) passed on her last issue to us. We enjoyed reading all of the notes and information provided. We are enclosing a check to help keep the memories and the chatter alive.

Michael C. Frey '69 and Patricia L Butler Frey '72, Apollo Beach, FL 33542

Hi!

I am a 1973 graduate and would like to be added to the directory. My name is Kriste Swanson Watt. My address is 501 E. Market St., McLeansboro IL, 62859 and my phone # is 618-643-4058. I hope also to be able to receive the newsletters. I have been living in Texas and am glad to be back in the midwest and looking forward to my 25th reunion. Thank you. **Kris Swanson Watt '73, McLensboro IL**

Dear Chatter Staff:

Thank you for keeping me informed about the activities of the Colerain Alumni! I enjoy reading about others from 1974 when I graduated, as well as from my brothers' and others' years, 1966, '68 and '72. My contribution is enclosed with a request that the alumni from 1974 get more involved with their own contributions! Thank you for all your efforts!. **Barb Riggers '74, Cinti, OH**

CHS Alumni Assoc.:

Thank you for sending me the newsletter. I enjoy hearing about the activities at Colerain. I lost contact with lots of people when I moved to the Atlanta area in 1978. My tennis partner from the '74 GAA team, Linda (Harney) Acevedo, lives nearby, though and we get together frequently. If anyone would like to contact me, my EMAIL address is (lbogan@concentric.net). I look forward to the 25th reunion in 1999. I've enclosed a small contribution to keep the newsletter coming. Keep up the good work. **Marianne (Brenner) Bogon '74, Marietta, GA 30067**

Dear Colerain Alumni Assoc:

We just wanted to say thanks for the newsletter and "hello" to the Class of '76. As high school sweethearts, we have many great memories of Colerain. Reading the "Chatter" brings back even more. Our oldest daughter just graduated from Colerain with Honors, our second daughter will be a Freshman in the Fall, and our son will join her the following year. We've really enjoyed being back at Colerain as parents working with the PTA and

Colerain Chatter, Page 6

Boosters to make it a great place for our kids to make their own memories. What's really great is seeing so many alumni at the school events with their kids. We get to stay in touch between the reunions, at football games, concerts, etc. Hope to see the rest of you in "2001"! **Mike & Sharon (Eslick) Powers '76, Cinti, OH 45239**

Thank you so much for sending me the Colerain Chatter. Please use this contribution to keep them coming. It's wonderful to reminisce! **Susan Jones '76, Fairfield, OH**

When I received the April 1998 copy of the Chatter, I noticed that my address info is incorrect. New address is **Barbara Kleeman '81, 9243 Doubloon Rd, Indianapolis, IN 46268**

Chatter received a newspaper clipping from **Debra Barclay Class of '77** that appeared in the Tallahassee Democrat. The article concerned the death of her brother, Steve, a Colerain Grad who was killed by a drunk driver. Debra has established a foundation to help strengthen drunk driving laws. If you're interested in finding out more, you can write to Debra at Debra Barclay Communications, 9000 Manchester Rd #33, Silver Springs, Maryland 20901-4124.

This is to inform you that my mother "Blanche Ellerhoest '27, is deceased. Please remove her name from your mailing list. **Elaine McSuedy, Green Valley, AZ 85614**

I want to thank all the Alumni Assoc. members for selecting me to receive the \$200.00 scholarship. I am presently enrolled at Cinti State Community College. I plan to attend school there for two years, majoring in Office Management. The \$200 will definitely help pay for my books. Thank you for making me feel so special on my graduation day! **Cheryl Lee Eschenbrenner '98, Thompson Rd., Cinti, OH 45247**

I wish to thank you for the \$200 scholarship and the opportunity to better my education. Though my college choice is tentative at this moment, I do wish to enter the University of Toledo in the Fall while continuing to work at Star Banc and maybe then pursue a career in law, psychology or research biology.. I know that I have ample time to change my career path; and at this time nothing is certain, but with your help, I plan to succeed. Thanks again. **Amber Weeks '98**
