BOOSTER NEWS!!!!

Craft Show - Saturday Sunday November 6th & 7th.

Cardinal Corner – If you want to buy Booster clothing, and other CHS spirit items go to Cardinal Corner in the high school. Store hours are Monday & Wednesday 2:30 – 3:30 – Friday 11:00 – 1:00 and 2:30 – 3:30

The Boosters have developed a Phase III list of initiatives which will further improve the facilities and campus environment so that Colerain can continue as a leader in the Greater Miami Conference in the classroom, in the performing arts, and in athletics. The cornerstone of this campaign will be the installation of an artificial surface in the stadium. This surface will benefit the band, students in Physical Education classes, and the soccer, baseball, softball, and football programs. Both middle schools and community organizations will also be able to use the stadium for a wide variety of events. Additionally, the Boosters have plans to further improve the Soccer complex, provide additional portable seating for use throughout the campus, and do improvements in the gymnasium. CHATTER!

Hi! It's me again! Gotta get my two cents in all the time. Since our move to Thronbill Ave, its been so busy for us. We replaced everything, so we fell we have a really nice home. We have a good yardman. Most of you should remember him, Dale Aston. He did our landscaping and keeps our yard trim. Only thing wrong is we have deck problems. Nobody told us about deer around this part. They did a good number on my impatience and some other flowers. Next year I'll know what to plant they don't like. Anyways about Dale Aston- please pray for his brother Dan and his wife Marian. Both are very ill. Still no word about having another reunion- gonna wait till only a few are left? Oh! Come On! You are have my address, so come visit anytime if you can catch us home. Jack keeps me going, but happy to be able to go with him. Take care and yes, do keep the charter coming, I love it. My donation is enclosed Thanks.

Marian Sparks(1947)

In reading the Chatter, I see several Colerain grades have returned to this area. I never left and still have the residence that my parents owned while I was in school. I went on to a B.S. in Business at Miami became an applied chemist at Monsants in Miamisburg, retired in 1989 after sending 3 children to Colerain: Deborah '78, David '80, and Jerry '84. I enjoy the class of '52 get together at the red Squirrel Restaurant when some of us classmates pass through town. I see a Colerain football game once and a while, but have seen almost all of the Miami games since graduation from there in 1956. My brother Al passed away in '95 (Class of '49); David ('80) is a civil engineer, Jerry '84 pharmacist, and Deborah '78 a kindergarten teacher: My wife and I enjoy retreating to the Indiana State parks for R & R yearly and good food.

Bob Schneider (1952)

Hi. To wish you all a very Happy healthy New Year, and to let you kno that my mother, Mrs. Louise Allen is now living with me in Myrtle Beach and we can share my copy of the chatter saving a little on printing and mailing expenses. May God Bless

Paul A. Allen (1952)

Wishing everyone a very happy and healthy new year, Enclosed check to help with Alumni expenses.

Paul Allen (1952)

We, the class of 1954 have had class reunions in 1999 and 2000 at classmates Rod Hamilton's home, and this past year 2003 at Joan(Jacobs) and Ken Gierach's home. The big one is coming this year(2004). It will be at Joan's and Ken's home again in September. Someone may say, "Doesn't that get boring having these reunions every year?" No Sir! In fact they get better year after year like a fine wine. After all, who but God only knows what the next year will bring. Ask anyone who attends these reunions about that. Having our reunions at a classmate's home makes things so much more personal and we are not rushed for time spent with each other. We all bring a dish and the host, whomever it is donation jar is set on a table and whatever anyone wants to give may do so. Oh! Such reminiscing that goes on. We never tire of it, but only think of getting together again the next year. Other classes planning reunions, take our advice on this planning and go this truly enjoyable way with your reunions.

Raymond (Tom) Ballard (1954)

Hello fellow class mates. Has anyone heard any thing about a 50 year reunion? I would love to see some of you guys again so how about it?

Ed Leonmhardt (1955)

I don't see much from the class of '56 on the message board so here' one: Merry Christmas to everyone . . . and a wonderful New Year. I still fondly remember tying a huge Christmas tree at Mary Haupt's house to the back of a car and dragging it all the way back to school for our Christmas Party. Of course, after pulling it over the pavements of Colerain and Poole roads, one side was totally worn flat. We slid it through one of the Multi-Purpose room windows (they are high when in the room but at parking lot level outside) and tied it up to the wall. The girls made us a deal . . . if the guys would get the tree there, they would decorate it. We did and then they did.

The tree must've been over 30 feet tall and the decorators did a fantastic job decorating it. Fun times . . . and fun memories.

Jim Hunnemeyer (1956)

I enjoy reading the chatter. I have changed my name and I am on again using my given name Judy Roll. Please change your records Thank You

Judy Roll (1959)

It was fun to read all of the messages on the bulletin board but noticed there were none from the 1960 graduating class. Are you all still out there? My husband, Lou, and I retired in 1997 to the Lake of the Ozarks, MO and really love the life on the lake (this is not an invitation to you all :)! Would like love to hear from the great people who graduated in 1960 when the world definitely took a change (from the "innocent 50's" to the "wild 60's") and how did I miss so much??? I remember the days at Colerain with much fondness....

Mary Eppley Sampel (1960)

To Class of 1965....I Received an email today from Bill Hammack who wrote that Bill Baber his long time friend and one of our 1965 grads died the week of 12/8 after a 3 month bout with cancer. He resided in Frederick MD. Doug Stein, Ben Hunter, Marty Magly and Bill Hammack attended the memorial service, they had remained close friends since 2nd grade. Our sincere condolences go out to Bill Babers' friends and family.

Sherry (1965)

Man was that way COOL!! Thanks, Don Guill '64, for the photos of the old school in the 75th Anniversary photo gallery. Boy did THAT ever bring back memories!!

Carl Burroughs (1966)

Just wanted to say how much I enjoyed viewing the info on the 35th reunion posted by Glen Daniels! What an excellent job! I look forward to reading my copy of the "Chatter" of the goings-on of my classmates! I don't run in to very many of you but do keep in touch with Bonnie Lynch Warren, Cheryl Hartsock Caskey and Bonnie Robinette Servizzi. It is good to talk about h.s. days and renew friendships. Merry Christmas and hope 2004 is a very prosperous year for everyone! Posted by Toni on 12/24/03

Greetings & Happy New Year to all Colerain Alumni, especially classmates from 1967. Go Cards

Tim Baumgardner (1967)

Congratulation, to Barry Cook for being nominated, and winning the Kimberly Crew Memorial Award. Barry dealt with felony child abuse cases for over 14 yrs as assistant district attorney in Charlotte, N.C. The award is given to people in all fields associated with child abuse cases. Barry has trained a number of prosecutors in the specialized skills of child abuse prosecutions. He is well respected and admired for his skill and integrity by those he work with, including judges, defense attorneys, doctors, social workers, and law enforcement. Barry was voted, by the class of "66", the most likely to succeed. I think the class pick the right person. He has brought honor and pride to our class. Here's hoping Barry keeps up the good work. I am proud to call him a friend.

Robert Webster (1966)

Sue Ruehrwein (1967)

A Happy New Year to all my classmates of 1967. Hope you have health, wealth, and happiness in the new year. Love to hear from friends.

Geoff Hensley (1967)

Hello! I enjoy reading the Chatter. It's fun to keep up with my old friends. My husband, Bill, and I still live in Redondo Beach. Our son is now 13 and in middle school. When is the next reunion for the class of '67? It would be great to see everyone. Enclosed to keep the chatter coming.

Asther (Russo) Scanlon (1967)

Tex - Tried to email you to say hi after all these years but it was returned as undeliverable. It would be great to make contact again.

John Biermann (1968)

Hey Class of 68! If anyone remembers me give me a shout, I would love to hear from you. This is my first time browsing this site - it's great! Keep up the good work.

John Biermann (1968)

Is the class of "sin, sex, beer, and wine" out there anywhere?! I would love to hear from my CHS friends. Lisa '69

Lisa Waslo Gilvin (1969)

Hey Darlene Rose/Broxterman I saw your message in the Chatter. Email me and tell me what's going on with your life!

Carol Huss (1969)

I sent an email to the school a few weeks ago asking what the procedure is for organizing a reunion, or if there is one. So far, no one got back to me. If anyone from the school reads this thread, maybe they could post something here? Sounds like a plan to me.

James Coon (1969)

Just thought I'd say I made the trip from Wisconsin to Colerain for the alumni night gig. Didn't see anyone I went to school with in 1969. Nice to see that Mr. Suman still has some life left in him after all these years. Wasn't he like 50 when I was there? So by Colerain math he should be 210 now. Colerain still knows how to kick some butt. Whipped Fairfield 55 to 7. As the scoreboard was when I left. Just an idea for future alumni nights, how about a signup board? So others can see who's there and from which classes.

Richard Bullis (1969)

Hi everyone, I am looking for Dianna Gear from class of "72" anyone knows of her whereabouts let me know. Her listed e-mail address is out of date. Thanks Darlene (Rothweiler) Brown "71"

Darlene (Rothweiler) Brown ("71")

Also, does anyone have address or phone of Margaret McDonough Wade? We joined the Army together in 1975. The last time I talked to her she was in Georgia but, I have lost her numbers. Thanks!

To see the old Coach Hubbard, and watching old movies with the football guys, would be tremendous fun (any beers????) Please let me know when that will happen. Right now we are kind of busy. We (my family and I) are planning to move to Australia for a year. We are leaving for Perth in Western Australia the 25th of December 2003. I will be working as a consultant at the Royal Perth Hospital. I think this will be a lot of fun for the whole family. A great opportunity and a unique experience for the kids, especially as they will learn English. However, only Aussie dialect not the real thing I mean American dialect. Stay in touch your friend Per Erik Flisberg

Wally Ornella (1975)

With homecoming weekend over for this year I thought I'd propose the following question to all alumni... Where is your old high school letter jacket? Do you still have it? Who has the oldest surviving jacket? I think my daughter, who is a freshman at Colerain this year may have mine. Although she wouldn't be caught wearing it!

Steven Braun (1977)

Is anyone from the class of '81 online? I am alive and well, living in Minnesota (9 months of winter and 3 months of bad sledding). My parents are still in Cincy. Will be there over Christmas to escape the permafrost. Go Cards!

Mark Lowrey (1981)

Hello Class of 82! I'm still running a bit behind my classmates in the grand scheme of things. I just became a first time Mom to a beautiful 8 month baby boy. My husband and I adopted him from Russia on December 10th. Kyle Dmitry made it home just in time to celebrate Christmas in his new home. Denise (Rothert) Adams is Kyle's godmother. We still talk quite a bit even though she's left Cincy. It took me 20 years, but I finally decided what I wanted to be when I grow up. Earlier this year I became a Licensed Medical Massage Therapist and practice from my home office (which is great with the baby!). I'll be putting an ad in the Chatter so look for it! I hope everyone has a safe, happy and blessed 2004.

Shelli (Streckfuss) Giess (1982)

Hey class of '83! I refuse to believe it has been 20 years since we graduated- I'm sure we all still look 18! Ha-Ha. I was so looking forward to our reunion this past summer. My husband and I just moved to Indianapolis from Pennsylvania and were looking forward to a trip down to Cincinnati. Oh well, maybe in 5 years. If anyone would like to try and get a post reunion together (something casual and small) please email me back. (kodarlington@aol.com) I am still in pharmaceutical sales(over 10 years now) and I have 2 beautiful children. Will is five and just had an emergency appendectomy for Christmas and Madeline is 2 and is ready for gymnastics- quite the busy bee. Hope everyone is well- would love to hear from anyone and hope to get together with as many from our class as possible! PS- Colerain should have finished 6th in the state-Not Elder! We'll get them next year! Have a great new year! Kris Ochs

Hello Class of 1987! Yes, Dave Contant, we are out here...and a few of us have touched on the idea of a reunion??? for year 20 since we missed year 15??? I was able to see Beth Sammons Oliverio, Melissa Harley, Becky Friesen Menyherth, Leah Hereth, and Jeanie Davis Bryant over the Christmas holiday and catch up with the changes that have gone on in all of our lives. It was great to see them and would be fun to get the class together again. So I nominate David Contant to get the ball rolling for the next reunion!!!! What do you say Dave? Jenny (Litschgi) Axt (1988)

Hello from sunny California. Some of you may remember that I joined the Marine Corps. Well, I am still here on active duty. Only 7 more years until retirement!! I have been married for almost 6 years, and I have 2 little boys. If anyone from the class of 1990 sees this, feel free to write me back.

Ray Niswander (1990)

Hey, is anyone from the class of '90 out there?? If any of you are, send me an email and let me know what is going on back in Cincy. I haven't been there in almost 10 years. Besides, the weather here in San Diego is much better. It has been in the 80s the past few days. Talk to you later.

Ray Niswander (1990)

HI I'M LOOKING FOR A FRIEND I LOST TOUCH WITH SOME YEARS AGO HER NAME IS DREAMIA SIZEMORE IF YOU SEE THIS OR SOMEONE KNOWS HOW I CAN GET A HOLD OF HER PLEASE EMAIL ME

Tracey Turner (1990)

Hi! I am still looking for my long lost friend Dreamia Sizemore if anyone knows anything about how I can find her please contact me or post a message please! Are you Ted Smith from Big Cedar?

Tracey Turner (1990)

Hey, is there anyone from the class of '90 out there?? I have not seen or heard from anyone in a really long time. Drop me a line sometime, and somebody let me know well in advance when and where the next reunion will be.

Ray Niswander (1991)

Class of 1991 - some of us are getting together this Friday, December 12, at Jim & Jack's sports bar (www.jim-jacks.com) at 7:30 p.m. It is located on Route 50 in Price Hill. There will be snacks you can purchase while you're there. I will put a reservation in my name (Sue Haenning). If you are interested in joining us, let me know via email (sue@harrisonfcc.org) or my home # 513-738-5659 (I'm not working Friday, so you can reach me at home). Hope to see you there!

Sue Haenning (1991)

Hello to the class of 1992. I hope everyone is doing well? Any old friends who wants to keep in touch e-mail me. Have a great year

Patrecia(trecia) Baker-Rhodus (1992)

Just thought I would say hi. I put a message in here before and it disappeared. Wonder if it will happen again.

Guinevere Michael (1992)

Hey to all the 1992 grads! No one ever posts from my year, so I thought I'd break the ice. Drop me an e-mail sometime and let's catch up. I hope everyone is doing well. I regret not being able to attend the reunion several months ago, but I had a conflict - I heard it was a lot of fun. Best wishes to everybody!

Bill Brissie (1992)

Geez...no '93ers out there I see...I guess I'll be the first. Haven't talked to hardly anyone in at least 5 years and missed the 10 year reunion. Would like to hear from somebody...:)

Jennifer Torres (Woolley) (1993)

Trinity Schultz (1995)

Dear Cardinals: It is nearly one decade after my graduation from Colerain High School, and I would like to recover all the lost friendships of the 1990s. For all of these reasons, I am inviting most of the nineties alumni of Colerain High School to my college graduation party. This event will be held in Cincinnati on June 5, 2004 — exactly nine years to the date I left Colerain High School — and will be the celebration of four schoolyears of successful effort toward two technical degrees in the fields of graphic arts and web design. Complete details of this event, including time and location, can be provided by either postal or electronic mail. If you are interested in attending, please contact me for more information. Adrian C. I am currently pursuing my Master's of Health Administration at The Ohio State University, and upon completion I will be a Health Care Administrator for the U.S. Naval Medical Service Corp. I will command a Navy Hospital. I hope all is well with everyone, and I wish everyone a Happy New Year. Drop me a line at regenhold.1@osu.edu It would be great to hear what is going on in everyone's life.

Kevin Regenhold (1996)

Please extend my thanks to the Colerain Alumni Association for awarding me the Mary Seibert Wendel Class of '37 Alumni Scholarship. Being awarded this scholarship means so much to me and it was an exciting way to end my time at Colerain. My years at Colerain were a wonderful experience that I'll carry with me through the next stages of my life. I am very proud to be a Colerain graduate and look forward to supporting the school as an alumnus. I will be attending Northern Kentucky University this fall and the scholarship will really help with my expenses. I plan to major in Electronic Engineering and Business. I am very excited that I will be able to continue playing soccer at NKU. I'm sure that I'll be spending my summers at my alma mater helping with soccer camps.
