Message from PRINCIPAL MAUREEN HEINTZ

Colerain High School has a long history of excellence in the Northwest District, the City of Cincinnati, and the State of Ohio. In order to display our excellence, I've broken my article down into three categories: The Arts, Athletics, and Academics.

The Fine Arts program at Colerain High School is diverse and immensely successful! Beginning with the Vocal Department, The Show Cards are in a category of their own. Through the past years they have won several "Best Stage Crew" awards. The Show Cards program at Colerain High School is currently ranked in the top 25 choirs nationwide. Since 2003, 20 Show Cards have chosen majors in music, dance, and theater. All have received partial or full scholarships.

The instrumental department has had their share of accomplishments as well. In the past year, the band has won 7 competitions. One of those wins was in a National Competition. Last year 18 students received music-related scholarships. The band is home to 437 students. I use the term "home", because that is exactly what it is too many of these students AND their parents.

The Art Department has had a long history of honors. Last year 4 students were awarded Honorable Mention at the Scholastic Art Awards. One student was awarded the Silver Key Award at the same competition. All five students had their artwork displayed at Closson's gallery in Cincinnati. 6 Colerain Art students had artwork selected at the Regional Level for the Ohio Governor's Youth Art Exhibition.

Even though this year is still in session, competitions have already begun. So far this year the art department has had 2 students awarded Honorable Mention at the Scholastic Art Awards. Additionally, one student was awarded the Silver Key Award and for the first time, we had one student awarded the Gold Key Award at the Scholastic Art Awards. Their artwork will go to New York City for further competition.

Athletics has been one of Colerain's foundations. Our history is one of pride and dedication. Student athletes make many sacrifices to bring this dedication and excellence to Colerain High School's athletic program.

Last year Colerain teams competed in 23 sports in the Greater Miami Conference, and over 1,000 students participated. Of those participants, 38 were named first team All-GMC athletes, and 20 were named second team All-GMC athletes. We also had three first team All-GMC track relay teams. Last year, 27 students last year went on to continue their athletic careers at the collegiate level. Colerain's athletic program is not only designed to develop great athletes;

each athlete is also expected to perform just as well in the classroom. Last year over half of Colerain's upperclass varsity letter winners were named All-Academic GMC All Award winners. This requires athletes to receive a cumulative GPA of 3.3 or better. 77% of all our student athletes have a GPA of 3.5 or better during their season. Four of the five valedictorians were student athletes. Although this year is not finished, we have already begun following in the same footsteps. Eugene Clifford, a senior at Colerain High School, was named a USA Today All-American, a finalist for Ohio Gatorade Player of the Year, and a player in the Army All-American Bowl Game. Our athletes continue to strive for excellence and we look forward to many years of athletic success.

My final topic is Academics. Colerain High School has strived to maintain a rigorous academic agenda. We currently offer a wide variety of honors and advanced placement classes. In fact, students have 18 honors courses across the core subjects and 10 advanced placement classes, where they have the opportunity to earn college credit based on a final exam given nationally to all high school students. Offering these courses would mean nothing if it wasn't for the students who take the initiative to take these courses and succeed.

These challenging courses have prepared our students to compete for national academic awards. Last year 3 Colerain students that were National Merit Commended and one student was a National Merit Finalist. We also had one student that received a National Merit Corporate Scholarship. So far this year Colerain has had two students named National Merit Finalists. Last quarter we had 295 students who earned a GPA of 4.0. Another 350 students earned a 3.5-3.99 GPA and 178 students who raised their GPA at least .5 from the previous quarter. These academic achievements would not be possible without the hard work and dedication of Colerain High School's teachers. Of 120 Colerain High School teachers surveyed, 75 teachers currently have a master's degree, that's 62.5% of the population. Another 26 teachers are currently working towards their master's degree and many are planning on graduating this year. That means 84.1% of the teachers have or are currently working to better themselves professionally. This is an amazing benefit to the students in these accomplished teacher's classrooms. The accomplishments of the teachers don't stop at obtaining a Master's. 4 of our teachers have National Board Certification. We also have one teacher who has a PhD and another who has their Juris Doctorate. The 120 teachers we surveyed have a combined total of 1,629 years of teaching experience. That is an average of 13.5 years of teaching experience in each room. It is with the combined efforts of the students, teachers, and staff at Colerain High School that we have been rated Excellent by the State of Ohio TWO years in a row. Many man-hours are currently being put forth to increase that streak to THREE years.

Joe Braun '28, oldest living Colerain High School graduate.

FOUR GENERATIONS OF COLERAIN GRADUATES

The following was sent to the Alumni Association from Kelly Fries '85. Wanted to pass along the news as May's graduation ceremony quickly approaches - my son Bryan Fries will become a fourth-generation Colerain High School graduate! Lorine Kraus Huss was in the first graduating class of 1925. She went on to become a teacher at Colerain School, teaching first, second and fifth grades. My father, Dan Huss, graduated in 1957 and I was in the class of 1985.

A FAMILY OF CHS GRADUATES

Is there any other proud family with more graduates than 27? This proud family consists of: Phillip Olden '60, Julie Halterman Olden '62, Bob Hughes '61, Michele Rub Hughes '62, Kathleen Day Branscum '61, Sandy Olden Gardner '62, Mike Condo '64, Sharon Rub '65, Bill Rub '68, Debbie Clauder Schroer '69, Mark Olden '71, Kim Kidd Burke '74, Steven Olden '77, Kim Peterson Olden '77, Kathleen Rub '77, Kim Peterson Olden '77, Kathleen Rub '77, Kelly Finnegan Dunn '82, Chrissie Hughes Roaden '86, Robby Hughes '89, Melissa Kalous Hughes '92, Heather Gardner Meece '92, Eric Rub '93, Christina Abbot (soon to be Rub) '97, Christy Rub Kroner '94, Andrew Hughes '97, and Emily Schroer '09.

LOST CLASS RING FOUND

We received the following correspondence from Sue Heist: My husband found a class ring years ago, and I was going to contact then but as life gets busy it got put in a jewelry box until yesterday when our son pulled it out and asked what it was. So I am trying to find the owner of this class ring. I know I would want mine back. I can tell you it is gold and was from the class of 1964. There are initials inside that reads LRM. The first letter could be a S. It is scripted so I really can't decide what it could be. So let me know if you know who I can contact to try to find the owner. The Alumni Association was able to locate Sharon Miller '64 whose married name is Rodenbeck. Sharon told us she had lost the ring years ago in a bowling alley. We contacted Sue Heist who returned the ring to Sharon. Another happy ending!!

ALUMNI APOLOGY

The Alumni Association apologizes for confusing the 1994 Flag Corp picture with the 1994 Rhythmettes. Thanks to Heather Carrelli '94 for bringing this to our attention. Here is a picture of the 1994 Rhythmettes.

WORLD WAR II LETTER

Recently the Alumni Association received a request from the University of Alaska Fairbanks. They were trying to locate Robert (Beep) Fath '43. They stated in their letter that their archives recently purchased from a dealer a collection of letters from a GI stationed in Alaska during World War II. From the letters it was clear that the writer, Robert J. Fath, was a recent graduate of Colerain High School. The Alumni Association has made an attempt to locate Robert but has had no success. If anyone knows the whereabouts of Robert, please contact the Alumni Association. What follows is one of the letters Robert sent home to Ethel Wert in 1944. Ethel had graduated from Colerain in 1938.

Jan. 14, 1944

Dear Babe:

Got your letter a couple of days ago, so I thought I'd sit down and answer it. How is the world treating you these days? I guess Groesbeck is back to normal again now that Christmas and New Year's Day has passed, isn't it? How is the ice-skating these days or isn't it? You must have had it pretty cold back there for a few days, didn't you? Mom wrote and said you had a few inches of snow, is that right? How is old "Bud" these days? (the Bud he is referring to is Bud Wert '43, Ethel's brother). Did he get home lately? I bet he had a time on the two evenings, didn't he? The big wolf, he is really lucky having to come home so often, I wished I was stationed that close to home. Is Earl Frey in the Navy now? I hope he likes it if he gets in but I'm afraid he won't. Wait until he hits that rough sea, then he'll find out what the Navy is made of. I guess a lot of those boys in school will be eighteen soon, then they will be coming in.

It looks like Colerain has a pretty good basketball team this year. Tell little Wert to keep putting them in. I heard they got a new player that just moved to Colerain, maybe he will help them. I hope they win the Championship or some cup anyhow.

Poor old Scholl - I guess he will be out on that sea for a long while, I bet he is really homesick, that one thing I never got. Old Don was homesick even in Great Lakes, it's a good thing I was with him or he would of died I guess. Old Les and Huff are down around New Caledonia, they met down there, I bet they were surprised to see each other. I hope at least one of the boys from Colerain comes up here, then I'll be all set.

Say, that was a good joke about that moron. I know so many jokes that it isn't even funny anyhow those moron jokes but I never even heard that one. Melva always writes jokes in her letters and you hear plenty of them up here.

Well, Babe, news is scarce so I'll have to knock off I guess, it's getting late anyhow, it's only three in the morning. Well, take it easy and don't work too hard.

*So Long,
Beep*

The Japanese taking of Attu and Kiska was classified, so Fath's letters were heavily censored so consequently contain mostly discussions of down time. He does play basketball on Kodiak and discusses the movies they see, the food, a USO visit, and of course, the horrible Aleutian weather.

The Alumni Association has no idea how Robert's letters made it from him to the dealer and then to the University of Alaska Fairbanks' archives. If anyone has any information about this matter, please contact the Alumni Association.

FROM THE WEST SIDE TO MONGOLIA

The following is an article that appeared in the Cincinnati Enquirer written by Michelle Toon, a 2002 graduate of Colerain High School:

In June, two weeks after receiving a degree in political science from Penn State, I left for Mongolia to begin my 27-month Peace Corps commitment. I remember leaving Greater Cincinnati/Northern Kentucky International Airport and feeling my age for the first time. As I was walking toward the security checkpoint, my brother remarked on how young I looked. I think it was the fear. I hadn't felt that afraid since my father died. Or as emptied. Though I haven't lived in Cincinnati in more than four years, it is my home. My mother lives in White Oak and most of my family on the West Side.

I've been in Mongolia for seven months. After landing in Ulan Bator, I and 56 other Peace Corps trainees were bused to a "ger camp." A ger is a traditional Mongolian home that can be described as a round felt tent supported by wooden poles. Though it was June, it felt like February. It had snowed two weeks earlier. Mongolia is a country of extremes. Its sun is as oppressive as its poverty. The summers are short and blazing and the winters long and bitter - 30 degrees below zero bitter. Its people are generous to a humbling degree. Nothing is mine or yours. They consistently say the word "mania" which means our: Our Mongolia. Our project. Our Michelle.

Waking up that first morning in the ger camp, the mountains were staggering. There I something familiar yet inexpressible about the landscape here. The people are reflections of it. They build little mountains on the roadsides form of Buddhist shrines. And with their ceremony and solemnity they are mountains themselves. The Peace Corps consists of several program sectors including health, environment, teaching English as a foreign language, community youth development and business. I am a health volunteer. I train health care workers on a wide variety of topics spanning from public health promotion to professional skill development.

This being my first time abroad, everything I have seen and felt has been intensified by my inexperience. I was 22 when I came to Mongolian and recently turned 23. It feels like it, through the fear is gone now. It feels like the best time in my life to be doing what I'm doing. I am thankful for that.

Can you name the ladies of the 1962 CHS Homecoming?

Dear Alumni,

My mother, Elizabeth Stout Beatty died August 16th, 2006. She was 90 years old and graduated in 1934 from Colerain High School. I would like to honor her with a donation of \$25.00.

Thank you, Charlene Baker '34

Thanks for the "Chatter." I always enjoy reading about the experiences and whereabouts of past graduates. I certainly enjoyed my years 1939-1943. Great teachers- nice students! God bless all. Sister Angela Betsch (1943)

Harry passed away peacefully at home on February 6th, 2007 after a lengthy illness. He spoke often and fondly of his Colerain years. Maureen Hopkins, Class of 1947

Colerain Alumni- Booster:

I haven't written for awhile, so I thought I would drop you a line or two. Our class of '54, the actual graduating class was 52 students. Quite small for today's graduating seniors. Well, anyhow we are going to have our 8th straight reunion again this coming Sept. 2007. We always have them; usually the middle of Sept. and always had a beautiful day (keeping our fingers crossed). We all pitch in to make it a wonderful and successful day. I just have to say that without classmate Joan (Jacobs) Gierach planning and organization for these reunions, I'm sure they would not be the great reunions they are. Sincerely, Raymond (Tom) Ballard '54

We, the class of 1954 have had class reunions in 1999 and 2000 at classmates Rod Hamilton's home, and this past year 2003 at Joan (Jacobs) and Ken Gierach's home again in September. Someone may say, "Doesn't that get boring having these reunions every year?" No Sir! In fact they get better year after year like a fine wine. After all, who but God only knows what the next year will bring. Ask anyone who attends these reunions about that. Having our reunions at a classmate's home makes things so much more personal and we are not rushed for time spent with each other.

We all bring a dish and the host, whomever it is donation jar is set on a getting together again the next year. Other classes planning reunions take our advice on this planning and go this truly enjoyable way with your reunions. Raymond (Tom) Ballard (1954)

I would like to thank everyone who planned the 50th reunion for the class of '56. It was great to see everyone. I think everyone had a good time. Florine Lewis Stupprich '56

I would like to execute a standing ovation for the committee who worked so diligently putting together a seamless, and oh so flawless, 50th class reunion for the class of 1956. You did a fabulous job and a great time was had by all. I know I speak for all who attended, THANK YOU for going the extra mile. We truly appreciate all you did.
Lil Humphrey North (1956)

Class of 1957 - Will there be a 50th class reunion this year? I am in contact with two other graduates from my class and they are interested. We all live out of state. My husband's class of 1952 from North College Hill will be holding their 55th in August and it would be great for us to attend both reunions. Are there any plans in the works?

Kenneth L. Taylor (1959)

Hello to all '59 alum's and Cardinals everywhere from the desert of Scottsdale, Arizona. I look forward to being kept in the loop regarding any 50th reunion plans. Would love to come back to Cincy or anywhere a reunion is scheduled. In fact, you all are welcome to come out here! Kenneth L. Taylor (1959)

ANY OF YOU WHO KNEW ME (NANCY JACOB/ENGELKE) I WOULD LIKE TO KNOW HOW MANY OF YOU ARE LIVING IN THE STATE OF FLORIDA AS WE ARE. WOULDN'T IT BE SOMETHING IF WE COULD ALL GET TOGETHER HERE IN THE SUNNY SOUTH SOMEWHERE? GIVE US SOME FEEDBACK. WE JUST SPENT THE DAY WITH BOB & NORMA (MASTERS)

PENNINGTON AND TERRY & LYNN (SMALLE) OTTO - HAD A GREAT DAY AND WOULD LIKE TO SEE SOME OF THE REST OF YOU IF POSSIBLE. CAN'T BELIEVE IT'S ALMOST 50 YEARS AGO WE WERE AT COLERAIN!! "JAKE" (1960)

I just received my current copy of Chatter and was heartbroken when I read that Joe Heis had passed away. We were very good friend in high school and kept in touch via e-mail for the past 5 or 6 years. I knew he was moving so I wasn't overly concerned when I didn't get any e-mails from him for a while, but when mine kept being returned, I knew something was wrong. He told me he was having test done on his heart and his blood pressure was high, but I never dreamed we would lose him so soon. If anyone knows the date of his death and where he died, please e-mail me with the information. Also, if anyone knows how to get in contact with his sister, I believe her name is Pam, please let me know. I know he had 4 children and I would like to get in contact with them also. Thank you very much, Ginny McKeehan Gillispie 1964

Hello fellow grads, I could use your help. I am in a contest at WWW.CIGARSDIRECT.COM. I have written a short story titled Cigar GI. The person whose story has the most votes wins. If any of you can log on to the above web site and vote for my story, Cigar G I, I would greatly appreciate it. It will only take about 30 seconds. For all those who don't know me, I served in Vietnam after graduation from 12/1966 until I was wounded in July/1967. The next 8 months was spent in a hospital. My story revolves around this. I also played football from 1962 through 1964. Thanks for all your help with this contest. Allan Williams/1965.

Congrats to the Cards for beating St. X in the area finals. Best of luck to you all in the State competitions. Alice Brown (Ward) (1965)

I am sending this donation in memory of my parents, Charles and Dorothy Clifford. They spent a lot of their time at Colerain High School, since both of my brothers played a lot of sports. They seemed to be at their happiest when they were attending a football, basketball, or baseball game. All of us had

some very happy and memorable times at Colerain and it was wonderful that we could share them with our parents. Fairfield, OH Sandy (Clifford) Ake '66, Tim Clifford '77, Tom Clifford '62

Please accept this donation in memory of Mr. R. Robert Browning, a very inspirational teacher during the 60's

Hello class of 67. I was looking at all the names listed in the computer. I see you in my mind as you were 40 years ago, and you still look great. I see the names of my old friends. Through the years I would often think of you and wonder how you were doing and how I would like to hear from you again, then I think what I would say. I'm not a very good computer person, so I don't do anything but think how nice it would be. I hope everyone will be able to make it to the reunion, it will be nice to talk to you again. Cheryl and Annette I see you were asking about the reunion, I guess you know we're having one by now. But it sure was nice to see your letters on the site. Ron Binz (1967)

The class of 1967 will have a 40 year reunion on June 30, 2007. We are asking for everyone to let us know now if they will be attending. Please email us at colerainreunion67@hotmail.com We would like to have some idea of how many will be attending before we make all the plans. Watch for details to come in the weeks following.

Donna Hutson Voss Class of '67

My name is Donna Hutson Voss. I am a 1967 Colerain grad discovered two of my brother's names of the "missing alumni" list. My brother, Gregory Hutson ('75), lives at 6433 Lakewood Dr., Indian Springs, Ohio. However, he is moving within the next few months. I will update when the address is final. My brother, Ron Hutson ('70), passed away in 1988 from complications from hemophilia. He left behind his wife, son and daughter. His son Jason owns his home in Fairfield and his daughter Jennifer will graduate this summer from EKV with a degree in Biology. His widow, Ronda, works downtown at Fifth Third. Ron is greatly missed by all! Donna Hutson Voss Class of '67

The class of 1967 is planning a 40 year reunion. Details are sketchy, but our date is June 30, 2007. Watch for details. You can

contact me at my email address, but we will soon post another address strictly for the reunion. Hope you will all reserve the date and plan to attend. Donna Hutson Voss Class of '67

Interested in hearing from past grads and info on reunions Cheryl Ferguson (1967)

For now, if you are interested in attending, please send us your address and phone number via email. We can use all the help we can get locating everyone! More details to follow. Thanks and hope you will plan on attending. Donna Hutson Voss Class of '67

When will the class of 1967 have another reunion? Every ten years I look for a notice in the mail and...nothing! How about getting started on one for next year? I've had a lot of fun catching up with classmates in past reunions. Are there any plans? Yikes, I just realized that this would be the 40th reunion! If there are any plans please e-mail me. I'm in Naples Florida now selling real estate. If you're in the market just head south on I-75 until you get to Naples and give me a call! My website is www.annettemerritt.com. As a side note I'd like to say that I was so sorry to hear about Mr. Browning passing away. I didn't realize at the time what an amazing gift he was to all of his students. Annette Kays Merritt (1967)

Hello class of 1968. Special hello to Ann Fisher, Nancy Lawyer Sturdevant and Diane Mayernick. Hope to hear back from anyone of you or anyone else from the 1968. Patricia Mahoney (Coyle) (1968)

Happy Holidays to all of you who visit this message board. I see different years, but never anyone from 1968. Did all of the 1968 graduates fall off the face of the planet or what??????? Is there anyone out there who knows the whereabouts of Donna Elfers. She married Dave Christman. How about Rosa or Margie Weigle? Shoot me an email, please, if you know how I can contact them. Again, Merry Christmas Everyone! Donna Schuler Beckum (1968)

Greetings to all Classmates from 1968.. A special hello to Donna Schuler who sat in front of me in nearly every class I ever took, including English, Math, Science, etc. Albert Scott (1968)

I don't see much of the Class of '70 on here. Of course I didn't see too much of them then. Spent most of my time trying to stay out of school. Alive and well in Blue Ash Ohio. My kids all graduated or go to Sycamore so they won't allow me to talk to anyone from Colerain, especially after this year's football season. But I still root for Colerain all the other games. I have one still at Sycamore and 2 in college. One is graduating and getting married this year. I see Jim Thatcher occasionally and his brother Bob. I have been getting the Cardinal for about 3 years now.. since someone turned me in, (just kidding). Glad to see Bill Guenther's name and contact info. We worked at Perkins Pancakes together in what seems like another lifetime. Blessings and Happy New Year to all. Bernie Raegen (1970)

LOOKING FOR OLD FRIENDS! HAS THERE BEEN A REUNION? HOPE EVERYONE IS WELL. DEB (1970)

Hello Class of '70. Haven't heard anything about classmates for a long time. I'm sure most of us are grandparents now. I have two daughters, 34 and 27, and each one has blessed with me a grandson. I live in New Richmond (east of Coney Island), and really enjoy the area. I have been the Mayor here for the past 8 eight years, and will run again this fall. Please feel free to email me at chief1@one.net. Take care everyone, and thanks to the alumni for this website. Regards, Terry Durette Terry Durette(1970)

Has anyone heard from Sue Kays? Would like to get in touch with her. Lin (71)

I attended Colerain High School from 8th grade in fall 1966 through the first semester of 12th grade, fall 1970. I had to move to South Florida and I attended only the last semester of High School there and received my diploma from Pompano Beach High, Florida. I always consider myself as a Colerain High Alumna and NOT a Pompano High Alumna. IE: only spending one semester at a high school does not qualify one as alum of that particular school. I need to be a part of my past. I can not do that with the South Florida school that I received my diploma from since I only attended that school for my final semester of my senior year.....I knew NO ONE! Is it possible that you could include me as an alumna for my graduating class of 1971. I am Faith Marsh

(Boardman). My siblings who graduated from Colerain are Louis D. Marsh-1969, Daniel C. Marsh -1975, Stephen T. Marsh-1977, though these dates may be off, give or take a year. Again, I need to be part of my past. Please include me as an alumna. Thank you for your time and attention

I am trying to locate James L Heckman and would like your help if you know of him.

Looking for two alumni - Patricia Gann -71 and Anna Gann -67. Anyone know where they might be? Pam (71)

Dear Alumni,
Just a quick note to let you know, that Roger (Greg) Reidinger, class of '72, passed away December 2006. His widow, Nannette (Geiger) Reidinger, class of '72, is doing as well as can be expected. Please inform our other classmates of this situation. Thank you, Barbara (Jones) Hankey Class of '72

Was looking for Debbie Secrest and heard she got married and moved to TN. Then found out she passed away in 1999. Does anyone know what happened? Pat Goins (1972)

Anyone out there from class of 1972? I moved back to Cincinnati in 1994, a few months after my mom passed away. My daughter graduated from Sycamore High School in 2003. My daughter was a cheerleader for Sycamore and I always enjoyed the Colerain/Sycamore games, I know I totally embarrassed her when I sang the Colerain fight song and cheered every time Colerain scored. Any talk of another reunion? Shelley Janzen (1972)

Hey all! Back home after 25 years. Would love to catch up with many of you from class of '72. Chris Hall (1972)

Mike got your message from the booster site. I have called you and left a message and my number. Will be at Fort Knox in 1 week for a reunion before Christmas. Try to contact me before 05DEC06. Maybe you can take a wild ride. Hope this finds you and yours well. Will contact Danny also. Jacquelyn wishes everyone Merry Christmas from all of us. GC (72)

Did past-principal Terry Byrne teach German at White Oak Junior High 1968-69?

That was our first year of foreign languages and during an assembly the French, Spanish and German classes sang Christmas carols. The old standard, "Silent Night", wasn't good enough for us! Mr. Byrne also had us translate and sing for the school, "Jingle Bells" and "Rudolph the Red-Nosed Reindeer". After all these years, I still remember most of the words, although I probably have the tense wrong. Does anyone still have a copy of those translations: "Klingeln Glocken" and "Rudolph die Rote Schnauze Zugelirsch"? Let me know at my email: nancyrie27@yahoo.com. Nancy Stubbeman Boberg (1972)

Hello Class of '72. I have two kids at Northwest now; I never realized how much rivalry they feel toward CHS. Sometimes to tease them, when I hear Colerain mentioned, I start singing, "Hurrah, for Colerain, hurrah, for Colerain! Someone in the crowd is yelling hurrah, for Colerain! One, two, three, four, who the heck are we for? Colerain, that's us!" It's amazing how much it aggravates them, and it's not just my singing! (That just embarrasses them, especially in front of their friends!) How long did the "Peppers" last as a club anyway? If any old friends want to keep in touch, nancyrie27@yahoo.com. Anyone out there heard from Dean Ashcraft "73"? Stubieng (73)

Hi out there to my old high school counterparts. I'm looking for Cheryl Floyd. I know she's out there, if anyone knows how I can get a hold of her, please let me know. I would also love to attend a reunion as I have yet to receive any information about one in all these years. If anyone remembers me, drop me a line I'd love to chat. I can't believe how many '74 graduates we've lost already. I see the list and it keeps growing. Wow what's up? Kathy DeSmidt (Carr) (1974)

Class of 1974

I know this may start a landslide of messages but some of us are far away, and some things just need to be said. Coach Coombs, this message board is full of alumni, current students, leaders, teachers, dads & moms,

cardinal soon-to-be's, many just plain fans, and also Cardinal wish-they-were's are here too! Coach, we appreciate you; we love you; we love what you've given our school and our community, and I'd like to use this small vehicle as representation of thousands of voices throughout the land just to say this: "THANKS COACH!" You have touched so many people & affected so many lives- all for the good. Words don't describe your leadership trail. My Dad, "Boots Shay" who went home to be with the Lord 6 years ago, buried on Cheviot Road, was a CHS grad from 1943. My daughter Katie is a CHS grad from 2003 finishing her senior year in college on a golf scholarship in North Carolina. Myself, now residing in Ft. Myers Florida- a CHS grad from 1975. (Yes you're right: God bless your father-in-law, my counselor then and always a friend yet today). I could go on forever and recant some stories; I could tell you what you've meant to just my family but speaking for everybody reading this, our hard drives don't hold enough ram for what we'd have to say. We will be forever grateful for the influences given to each of us, for just knowing & watching & cheering for you. I'm sure others will follow my lead but let me be the first and a small part of this huge voice on the Alum's Website. To you Coach, coming from the hearts of my family- the three of us stands up and salutes you. We are very proud and we will always be proud & we'd just like to say: "Thanks and God Bless You!"

Hello to everyone! Does anyone know of a web site that has the final scores of high school games fairly quickly after the game has ended?.. I am dying here ! Wanting to know the score of the "X" game ! Carlos Gray (1978)

Anyone from the class of 78 out there? I really enjoyed the reunion a few years ago. Looking forward to the 30th reunion in 2008 (hopefully there will be one!) Lawrence Kaiser (1978)

Hi, my name is Sandy, and I'm not an alumnus of this school, but I needed to leave a message. I'm trying to find out what happened to Vicky Murray, who graduated in 1979. Does anyone know where she lives, if she's married, what her married name is, or most importantly, how to get in touch with her. I have had her class ring for probably 20 years or so, and I would really like to get it back to her. Please email me with any information you might have that may possibly help me find her. My email address is: udfsandy@aol.com any info that anyone has would be helpful. Thanks, Sandy (1981)

Hello! Just read the Chatter and was disappointed to hear the class of '81 had a reunion in the fall and didn't hear about it until this newsletter! I'm sure many '81 grads were missing! Please enter my email into the data base. Thanks! paige@alphahouse.com Paige Smith Wood '81

Thank God for Instant Messaging. My mother who lives in Mason was able to keep me posted (In Florida) on the Colerain vs. Sycamore Game. Great Job Cardinals....Know there are a lot of Alumni that live in Florida or vacation here. Wondered if there was ever any interest in

getting people from all classes that live in Florida together to share stories and have fun. Maybe we could get video from a Colerain Football Game. Just a thought from Florida. Doug Bevis (1981)

Kudos to all the ladies who worked so hard to make our 25th reunion a success. I had a wonderful time. Darla Elliot Zajicek (1981)

I am the above "Lost Alumni". My email address is as follows: mescampbell64@yahoo.com. I would give you my college address but I am graduating soon. I will forward my Grad school email as soon as it is assigned. Thank you Colerain for preparing me for my college years. I am going to make you proud. The future Dr. Sandi Kidd-Campbell (give me about five years and that Dr. will be in front of my name.) Sandi Kidd-Campbell - 1982 proud Colerain alum

Debbie Schirmer!! Now Debbie Napier! Email me at my new address. We just got back in touch when my other email address crashed. So, write me! Thanks! Kim (Stewart) Glassmeyer Kim Stewart (1982)

So little Kerry Coombs is now big time college coach. Wow. I remember him from his Brockton Dr. rowdy little punk days. Who knew?? He was a couple years older than me (I lived on Woodsong Dr., one street over) and I thought he was pretty cool. I guess I was right huh? He's left a legacy of athletic excellence that I hope can be perpetuated. Congrats to coach Coombs and go Bearcats!! James Miller (1982)

Merry Christmas and Happy New Year! Wishing you all a safe and happy holiday season. I wanted to thank the Teachers from Colerain High School for the wonderful education that they provided me with. Due to the efforts of the fine educators ,during that time, this student, who was a bit of an under achiever, has accomplished the following: I am in my last semester of college, believe it or not I made 2007's Who's Who Among Students in American Universities & Colleges. I have been offered the opportunity to finish my college career at Notre Dame and Michigan (I am waiting to see if I can get my dream school to match their offers). I took my GRE's and did very well. I need my LSAT's and that will decide if I go for my Masters and PhD. or Law School. (Keep your fingers crossed for law school) I have

also applied to an Ivy League school (I am wanting the Harvard Law shirt , I plan on earning it ...hopefully very soon.) I am getting to teach freshman English 101 next semester at school. Poetry , short story and the novel. I am a TA my final semester. Who would have thought I would love literature . I remember in school I hated to read. Again, thank you to all my wonderful teachers, none of this would be possible without you. Take care and God bless you all. Sandi Kidd-Campbell (1982)

I wanted to let everyone know that I am getting ready to graduate in May, I purchased my cap and gown today- I had a Colerain flashback when I tried it on. I made Who's Who 2007 Among Students in Americas Universities and Colleges a . I also am the editor of the Literary Magazine at my current college (I love to write and research). I am a T.A. and have Colerain Alum in my class , she is in her freshman year . So I have a little hometown in my adopted town. I will be starting Grad School ASAP to further my education. Then onto the PhD. program. Dr. Campbell has a nice ring to it. I would love to go to law school , hell I want it all! Would love to hear from everyone . I am enjoying my late college years and have found my passion. I am going to end up being a professor somewhere. Hopefully like OU,UC or a liberal Arts College. I am going to substitute teach or be a T.A. while going full time for my Masters. I am single and loving it, I have a 10 and 11 year old and have met the man of my dreams - my last semester in college. He is my best friend , highly educated and can hold his own with me. Hell he is the male me. Sandi Kidd-Campbell (1982)

Any word on a 25th reunion this year??? If not a whole class...maybe a Vocational Reunion??? I would come to town for that one in a heartbeat! I'd even help plan it. Come on, guys...what 'da 'ya say??? Ann (Debbie Schirmer) Napier (1982)

Holla at '82 alums and fellow Colerain lifers! Remember Mrs. Rice in 1st grade? Mrs. Wilson in 3rd? Miss Kist in 5th? She was HOT!:) Recollection of last couple of years of high school is a bit hazy though ;) (Things have been much clearer since college) but I wanted to say "Hey!" to anyone who reads this and remembers Jim Miller fondly. If not fondly then hopefully the years have softened the edges of our collective memories a

bit. I've been living the life here in Florida the past 20 years designing book covers for a textbook/technical book publisher in Boca Raton (sweet huh?). Has a great time at the reunion a couple of years back. Let me know when the next one is. Here's hoping everyone is living their dreams as well and if not, keep on keepin' on! If anyone is in the Boca Raton/Deerfield Beach areas give me holla! cincitykid@comcast.net

I wanted to pass on the information of my sister's death. Lynn (Carter) Blackaby class of 1981. Passed away on 2-2-07 Lynn struggled with Leukemia for almost a year. She was given a bone marrow and we thought that all was well. New Years Eve we took her back to the hospital only to find out 3 days later that the Leukemia had returned. She fought so very hard. Side effects of the chemo were just too much for her body to take for the second time. Not only was she my sister but my best friend! Tina (Carter) Tucker (1983)

Steve Barkley he used to live across the street from us on Tripoli Drive. If anyone has any information on either one of these people please let me know. Darla Underwood McRee (1984)

My email is jgausman@fuse.net Maiden name was Junette Anderson, I've been married to my high school sweetheart Jerry (class of 1982) for over 20 years now. Hello fellow "87" grads- The reunion committee is hard at work planning our 20 year reunion, but we need some help! We would love to put together a directory for the class of "87" to give out at the reunion-but we don't have anyone on the committee with the expertise to put this together. This would be a nice "memento" for all of us and also a way to stay in touch with everyone. If you would be willing to help put with this or with the reunion in general, please email the

reunion committee at colerain.reunion87@fuse.net. You can also contact me personally if you have questions at Kristyt@fuse.net-Thanks and we look forward to catching up with everyone in July! It will be a great time! Kristy Kuwatch Thomas Kristy Kuwatch Thomas (1987)

Class of 1987! Save the date cards have been mailed with info regarding our 20th reunion that is planned for July 21, 2007. If you did not receive one, we may not have your current address. This is my first visit to this web site and I am surprised that there aren't any messages from the class of 1987. Considering we are about to celebrate our 20yr reunion. Anyone from my class shoots me a line. I would love to hear from you. Delicia Hankerson (1987)

Hello all Class of 1987 graduates. I received my Dec.2006 "Chatter" and was sad to only see 2-3 comments from the class of 1987. It prompted me to take the time and say Hello! Yes, we are all busy with our kids, jobs or whatever we enjoy, but I think more of us read this than we realize and just say we'll add our two cents sometime and we don't. Well here's my two cents (ha-ha)-Congrats to my old friend Karen Huselton-Berg who was chosen to be a part of the CHS Athletic Hall of Fame. We don't see each other enough, except at our kid's events at school. And Congrats to Tom Bolden, for the same honor. My boys truly loved him at CHS football camp over the summer. He's hilarious!!! As far as me, well, I married my high school sweetheart, Mark Grimm, and we have three kids (2 boys & a little girl). I'm in the PTA as the kids schools, I coach soccer, have been a cub scout leader for my oldest boy and now I am a girl scout leader for my daughter. My husband, Mark (86' grad) coaches Baseball and has coached basketball too. We love it. We are also Foster Parents for the past 10 years. It takes a lot of patience. My parents, for those who remember them are still doing foster care now going on 28 years! We still live in Monfort Heights/White Oak and would love to hear from anyone in the class of 86' or 87' that we don't already see when we are out with our kids. God Bless all of you and your families. I look forward to my class reunion in July

Hey everyone just looking for everyone from the class of 91. Just drop me a line. Kellie Gilliland (1991)

Hi! Just wanted to update that my mother-in-law, LaVerne (Frankenstein) Lightfield-Class of 1960, passed away on December 17, 2006 after suffering a stroke. It was very

unexpected. She passed out after her flu shot (NOT why they think she had the stroke) on December 2nd. The Green Township EMT's did an awesome job trying to revive her. She held on for over two weeks, but sadly, it was a brain stem stroke and she would have never recovered. She survived a car accident (in White Oak) nearly 7 years ago. She was disabled as a result, but managed to come back when the doctors had given little hope. She was even able to live on her own with some weekly assistance from us. She was a tough old bird! :0) She always enjoyed reading the Colerain newsletters that I passed on to her. It was nice to have that in common. On a brighter note, I hope the Class of '92 is doing great! I rarely see any updates. I am the proud SAHM Mommy of Ella (8th grader-I'm feeling old), Zane (3rd grade) and Josie, a wild and crazy (and totally adorable) 2-year old toddler. They keep me on my toes! I love it! ~Karen~ Karen (Mode) Lightfield (1992)

I saw my sister posted on here, so I have to have the last word! ;-) I've been meaning to give a shout-out for a while... Hope all my classmates of '94 are doing well. Hi to Gary Mayes... wherever you are hiding in DC! I miss my old friend. Anyway, here's my own update: My husband Eric and I are the proud parents of Zoe Karen (Named after her Aunt Karen -see a few posts below!). She'll be 1 year old on April 18th. (Where does the time go?!) She is our joy, and life is awesome! Lori (Mode) Wagner (1994)

'FOR THE GOOD OF THE CAUSE'

The close of the 2006 – 2007 school year brings the retirement of Athletic Director, Dan Moody. With 35 years in Education as a teacher, coach, and administrator, Dan has made a significant impact on Colerain High School. Dan successfully led Colerain into the Greater Miami Conference in 1997. The athletic department became a 'total athletic program' with every student provided quality coaching, equipment, uniforms, and facilities. In a demanding and often times thankless job, Dan crafted an environment that enabled coaches to 'coach', athletes to 'play', and fans to 'cheer'. The results over the past 11 years speak for themselves as hundreds of students were recognized as 'All Academic GMC' athletes. Additionally success occurred in competition across all programs as Colerain recorded:

- 40 League Championships
- 8 Football Playoff Appearances
- 11 Sectional Championships
- 23 District Championships
- 11 Regional Championships
- 4 Individual/Relay State Championships
- 5 Team State Championships

In partnership with the Boosters, Dan crafted a vision of improvements throughout the campus that placed Colerain at the top of the GMC and the Greater Cincinnati area in terms of facilities and competition venues.

It's truly been a pleasure to work with Dan for the past 11 years. His friendship and support has been valued by all who came in contact with him. I'm sure I speak for all Boosters and Alumni in wishing Dan the best in his retirement.
