In Memory of **Jimmy Haenning Jr.** who died suddenly on July 21, 1999. **Susan Herbert Hutchinson (1993)**

In Memory of **Jane Sprunger**, longtime English teacher at CHS. A recent obituary told of the passing of Jane Sprunger, Longtime English teacher at CHS. There is so much more to the story than the simple fact of her death; there is the story of her inspiration, her dedication, and her love of teaching which blessed so many CHS students. This is my part of the story. As a junior, I asked to be placed in her honors English class. Unlike other students, who were selected for the class, I had to ask for the course because I was new to the school district and so lacked a recognized history of high grades in English. Miss Sprunger was kind enough to take a chance on me. Summer came and with it, the summer reading list, providing the adage "be careful what you ask for". There was Franz Kafka's "The Trial", the title of which pretty much summed up my "Summer of Reading". William Faulkner's "As I Lay Dying" became "as I Lay Reading". There was a Shakespeare play, I forget which one, which turned out to be the easiest of the lot. Worst, or should I say "most challenging" was Dante's "Inferno" which was just as incomprehensible in Italian as in English as far as I was concerned; except that the reading list did seem to correspond to one of the rings of Hell described therein. The list was not given to us to "skim at your leisure" but rather we were told "be ready for a test the first day of school". Not even college was that demanding. I showed my readiness for college by saving all the books until the last few weeks of August, finishing the Cliff's Notes for the last book while seated at a Red's game the night before the first day of school. Miss Sprunger was not kidding about the test - there were, in fact, two days of tests. I forget how I did on them, but they were definitely a "Trial by Inferno". The class itself was a delight. Most of us had already been introduced to, and were pretty good at, deciphering and dissection prose and poetry, and we had some lively discussions. Miss Sprunger always knew how to draw out the best answers, how to direct the flow of comments, how to inspire enthusiasm for the literature. She was always encouraging and supportive, challenging and insightful. She expected us to give our best, and we did. I ended up earning a 5.0 (as good as it gets) on the Advanced Placement exam, for which her course had qualified and prepared me. I think she did not regret giving me that chance to take Honors English. I became an English major at U.C., was an honors student there as well, not my MA in English Literature (having entirely avoided all German existentialist authors), and went on to U.C. Law School to earn my JD. There were many reaches I could thank for all the things I've accomplished, all the lessons I've learned, and all the inspiration I have had, but she stands out as one of the best, the kindest, and the most supportive. I wish I could have told her this when was still with us. I hope she already knew it!. **Shari Winget O'Neill (1979)**

Letters and Webmail

CHS Alumni Assoc: Thank you for sending me the May issue of *Chatter*. It is an interesting publication. Using my computer, I found the picture of the Athletic Hall of Fame and noticed that the picture of Herb Muehlenhard was "not available". I talked to Herb and his brothers the day I was inducted so I'm sure his picture is available from some of the family. I don't know about pictures for Pete Hader and Don Aston, but they were both very good athletes. **Carl E Crawford, Coach**, Greensburg, IN 47240

Alumni Assoc: I found an old ad, could it have been the first carry-out in Groesbeck? Enclosed is \$20.00 for expenses of the *Chatter*. **Chris Seibert**, Cinti, OH 45239 (1933)

Dear Alumni: The 1934 graduating class had a luncheon get-together June 3, 2002. We did manage to find something new to discuss. We have two members who have authored books! Norman Purdy has authored an autobiography. His many years as a professional person and as a volunteer give him a lot of ammunition with which to write. Katherine Brock (now Marie K. Quick) did not reveal the nature of her works. However, to those of us who had the pleasure of graduating with her, we know that each "t" would be carefully crossed and each "i" carefully dotted. Also at the top of her paper would be a strange wording – an "A" followed by the word "very good". I never could figure what this meant! Our congratulations to both of them. With this much talent in our class, I often wonder why it falls to me to keep the *Alumni Chatter* posted about our class activities!.. Graduates attending this year were: Eleanor Herrmann Greenwell, Ruth Knost Schneider, Robert Muehlenhard, Norman Purdy, Elisabeth Stout Beatty, Hilda Voegeli Schnecker. Enclosed is a contribution for the *Chatter*. **Bob Muehlenhard (1934)** Cinti, OH 45251

Alumni Assoc: The *Chatter* brings back old memories of CHS. I would like to thank Don Aston for helping me to get on football, baseball and basketball teams. The young people might not know that we started out with a 6-man football team. I am 80 years old and bowl on 2 leagues, play volleyball and run the 100 meters. I played softball until I was 77. PS: when I was 61, I ran 100 meters in 13.8 sec. **Charles Bailey (1942)** Owensville, OH 45160

Alumni: please accept the enclosed donation to help keep the *Chatter* alive. I enjoy it so much. **Mary Sparks (1947)**, Cinti, OH 45239

Alumni Assoc: It's always pleasant to return home from Florida each year (after 6 months) to find my Colerain *Chatter* waiting. Also tells me it is that time once again for my small donation. I always enjoy reading about everyone and recognizing the names. A huge Thank You to the people who work so hard accomplishing so very much. **Lilly Mae Steiner Guy-Harris (1948)**, Ft. Wayne, IN 46835

Greetings! What a wonderful 50th. We had, but the next one must be two days so we can talk. Dot and I keep in contact, and Dutch Thesken, and Don Kelley and his lovely wife all stopped in Melbourne for a get-together and we had a great time talking about all of you. You had better come the next time to defend yourself. Let me hear from you, or come on down to Florida, where the ol' folks come. Just kidding the golf is great, we have an ocean/beach, plus Disneyland. Hope somebody reads this. Love to you all, **Dixie Duteil Gabriel (1949)**

Dear Alumni: My sincerest thanks for the opportunity to be a part of the Sept 13 Alumni/Football event. It was a terrifically exciting and enjoyable evening. Thank you for honoring the scholastic as well as the sports area of education. It was a real blessing to meet those who work so diligently on Alumni events; you all do a great job. Thank you for treating us honored guests and VIPs – we savored the experience and treasure the moment. **Betty Wikoff (1950)**, Cinti, OH

CHS Alumni Assoc: Thank you for the Colerain *Chatter* that arrives at my home each school year. I know my donation will be put to good use for newsletter mailings and student scholarships. My class of 1952 recently had their 50th year Class banquet and picnic. Many thanks to Marilyn Lohrer Wiehe and Leroy Meier for all their work through the years, keeping our '52 class together. Attending the banquet at Dante's was Ms. Janet Stolarevsky, Music & Dramatics teacher and Mr. Ray Wise, Commercial Dept teacher. It sure brought back many memories, seeing these 2 teachers. Also, my daughter, Jody Gaiser Rivera '86 would appreciate a mailing of the *Chatter*. **Sherry Hochscheid Schlager (1952)**, Harrison, OH 45030

The Class of 1952 held it's 50TH REUNION ON June 22 at Dante's Restaurant. From a class of 46, 20 were in attendance with the spouses. We are aware of 6 that have passed away and four have no mailing address. We were pleased to have 2 of our teachers join us. Jan Stolarevsky-Music and Ray Weis-Commerical. On Sunday, some members toured the old High School (now Colerain Middle) and then gathered for a cook-out. One of the main comments was "let's do it again" hopefully before another five years. **Leroy W. Meier (1952)** Cinti, OH 45231

Twenty members from the class of forty six graduates of the Colerain High School class of 1952 attended a 50th reunion celebration Saturday, June 22 at Dantes Restaurant. We were pleased to also welcome two of our former teachers, Janet Stolarvski and Ray Weis back with us to reminisce. Several of the class toured the old high school building on Sunday, June 23 and completed the day picnic at the home of Leroy Meier. **Don Lerch (1952)**

Just received my first Chatter , really great!! Reading through the lists of Grads sure brings back good memories. Living in Sarasota, Fla. enjoying retirement. Trying to locate Lou Perna, can anyone help? Sending a check for support. Thanks: **Don Friedhoff (1956)**

Hope I will find more of the class of 1957. Address is 2303 Maplecrest, Missouri City, TX 77459 **Anne(Graham)Dye (1957)**

CHS Alumni: Thanks for the *Chatter* – the ONLY good reading and news we get now days! Here is a little something from me and my children (all CHS grads) to help keep up the good work. **Jenny Wilson Geiser Jarvis (1958)**, Cinti, OH 45251.

Hello grads, from warm and sunny Scottsdale, Arizona. I have lived here since 1998 after moving from Cincinnati and I love it. Am still teaching music (one more year to retirement) and playing the horn. I still keep in touch with a few close friends from the class of '59, and would like to hear from any grads from that year. We had a wonderful 40th reunion, and I hope we can have another soon.. Congratulations to all involved with the creation of the on-line Newsletter and the Chatter. '59ers, give me a shout! Warmest regards, **Kenneth L.Taylor (1959)**

Just noticed some lost Alumni on this site. Thought I would help in their location. Anne Alford can be reached on classmates.com and Jill Robinson was last known by me to live somewhere in the Dayton, Ohio area maybe Centerville. Maybe someone can help me find a lost friend. I have not been successful in locating Dallas Stephens. The last known location was somewhere in the Detroit Michigan area. **Alan Turner (1959)**

Colerain Chatter: I have recently moved to the Harrison, I am now working in Las Vegas for the federal government at the Nevada Test Site. I spent 25 years working for Borden in Cincinnati, Houston, Columbus and Salt Lake City. **Jack Ludwig (1961)**

Ken (class of 1958) and I will be married 40 years in September, 3 kids and 5 grands so far, still chances for more. We have moved to Florida 2 times and back. We now reside in Mason, the old Mason, and I am settled in for good. I retired this year after being with the Princeton School District for the past 8 years. I told Ken he has to wait for his retirement. Ken also works for the Princeton Schools. It would be nice to hear from some of the people from our classes. **Kathleen Davis (1961)**

Hey what has happened to us older people, are we still under a rock? After scanning through this web I noticed WE aren't there. This is 2002 let's get with it, show these youngsters we still have it. Where is everyone? **Kathleen Davis (1961)**

Hello to the Class of 1961! I hope all has gone well with each of you. Does anyone know Hugh Stubblefield, former Journalism teacher, and where I might locate him? Thanks for your help. Please e-mail me as I would like to hear from any member of the Class of 1961. **Wayne Klusman (1961)**

Dear *Chatter*: A great time was had by all who attended the 40th year reunion for the Class of 1962. Everyone enjoyed the evening at Pebble Creek Golf Club with a delicious dinner, great music and all the reminiscing and socializing! A special thanks to Jerry Daiker and his quartet for their entertaining performance. **Class of 1962 Reunion Committee.**

CHS Alumni: Hello, haven't been to any of the class reunions yet, but I am looking forward to the 40th next year. Hope all of you 1963 grads are doing well and I'll see you next year. I miss CHS territory, but nothing beats Florida living. **Carole Lowery Copenhaver (1963)**

Hello, this is the first time on the site. Love to all, say hello when you get a chance. **Jim Welch (63)**

Just found this site. It's been a lot of fun reading all the messages. I live in the Great State of Idaho and love it. I am single and have 8 grandkids (with one more to arrive in Nov), that keeps me busy. I work as a Agent Trainer for a call center that handles billing for AT&T. For any of you who remember myself (class of 64), my brother's Jack (Jack did not attend CHS but new many of kids there) & Jim (Jim dropped out of school 63) or my sister Nancy(63) e mail me at. We ran with the Northbrook group. Does anyone know the whereabouts of Betty or Carol Alexander, Bob Webb, Dave Hilderbrant, (all of class 64) or Dwaine Lawson (class of 65). **Linda Holmes (1964)**

Alumni: A guy stopped in my shop on Friday and was talking to me and he said his wife went to CHS. I asked who she was and he said her name is Charlene Ferdon and she was sitting out in the car. I went out to introduce myself and found that Charlene has MS. It's sad to see one of our classmates in such a health situation; but reminds us that life is short and to be thankful for your good health; it's our most valuable asset! Say a prayer for Charlene. God Bless! **Don Guill (1964)**

Hi Colerain Alumni, this web site is wonderful. I'd love to hear from some of the 1964 graduates out there. I have been married 33 years to Gayle Gillispie. We have 2 children, Shannon age 31 and Shane age 29. Gosh, I remember those ages myself, I think it was just a couple of years ago!! We have 4 beautiful grandchildren ages 1,4,5 and 6. They keep us young at heart and awfully tired sometimes too. They all live on the same road that we do so we can't spoil them and send them home, we spoil them and they don't want to go home. I have a dog kennel and I raise small breed dogs. I have sold a few to 1964 graduates and it all happened by accident. It was sure a surprise when someone I went to school with came out to get a puppy and we discovered we graduated together. If anyone is looking for a puppy, get in touch with me. I hope this year is bringing very good things for everyone, our country has had enough heartache. Take care everyone. My E-mail address is Puppyloveginny@aol.com Sincerely, (1964)

Just received my first notice of the Website. One FANTASTIC job by all involved. This is a great way to strike up old relationships and stay in touch. Like so many - "Out of sight - Out of mind". I'm still on this great earth and hopefully look forward to many more years. WOW 37 years, where did they go. Will now attempt to renew friendship of past thanks to your efforts. Thanks, **H.E. "Bud" Reynolds (1965)**

Denny and Chatter Staff: Terrific job on the CHS Alumni website. It's obvious you devoted a good deal of time and effort to this project. **Bob Hensley (1965)**

Chatter Staff: It seems that my change of address didn't get through to you. I'm still in Barcelona, but now just at the edge of the city's second largest park. That's quite a privilege and I often forget I live in a big city with all the green and quiet. The city itself is thriving and is bursting with tourists now that spring has come and gone. Still there are loads of attractions, plenty of quiet corners, and enough beaches and mountains to keep everybody busy and happy. Please be sure to change my address and thanks to Anita Moyer Kefgen that I've been able to contact you. I moved two years ago and it's taken this long to get it together enough to contact you. **Tim Hahn (1964)** Barcelona, Spain

CHS Alumni Assoc: not sure where to send this check, but knew it would get to the right place. Thanks Chatter staff, you do a great job on getting the Chatter out. All the events with the Alumni make me wish I was living in Cinti so I could participate. **Bill Clatfelter (1965)** Noblesville, IN 46060

CHS Alumni: Had my first visit to the website. It's great! Anyway, I talked to Jim Henn (1965) at our class reunion and he was fine and living in California; so please take him off the deceased list. I enjoy receiving the Colerain *Chatter*. **Greg Murray (1965)**

Hi Classmates, This is Dave Pace ('65) and Toni Richey Pace ('67) checking in from Chicago. I've been in the witness protection program for the past 37 years living in Michigan, Colorado, Virginia, New Hampshire, and now Illinois. Toni and I have been married for 33 years. We met in Hammitt's barn on Cheviot Road. We were working on the Student Council homecoming float. How is that for a Colerain love story! Here is a quick update. Toni teaches elementary school. I am involved in information technology (IT) trade shows, conferences, education, and publishing. We have two children. Carolyn 25, is on a two year assignment teaching in rural Louisiana with the Teach for America organization. Andrew 23, is a moderately successful conceptual artist. He is a student at the School of the Art Institute of Chicago. Who would have guessed? I recently received a copy of Chatter. I was amazed that I remembered most of my classmates on the "Alumni Donor List". So I'm sending a donation by snail mail. Toni and I wish everyone well and hope to hear from you soon. **David Pace (1965)**

Some tidbits about the name "Colerain." It is the name of a place in Ireland. There is also a variety of grapes of the same name. Massachusetts has a town named Colerain. The name "Colerain Township" is not unique; there is another one in Ross County, Ohio. In the early 1900's there was a resort hotel in Bevis called "The Colerain." I learned all this by seaching on eBay for ~~"Colerain"~~. **Larry Bullis (1966)**

Greetings to all Colerain alumni. After 34 years of never-ending summers in Phoenix, Arizona, I have moved 90 miles north and 4000 feet higher to Prescott Valley. My long-term goal is to move to our 40-acre "ranch" near Seligman, AZ, but my wife is not ready to do that yet. **Larry Bullis (1966)**

HELLO ALL 68 GRADS, I JUST FOUND THE WEBSITE AND I THINK IT IS GREAT. CAN YOU BELIEVE WE HAVE BEEN OUT ALMOST 35 YEARS? **JAN WILSON CORICO (1968)**

CHS Alumni Assoc: Here's my donation to keep the *Chatter* coming to home. I enjoy reading about all my CHS friends. **Patricia Dews (1969)**, Grove City, OH 43123

Hello to fellow members of the class of 1969. I moved away from Cincinnati years ago and have been living in Portland Oregon since 1984. I just discovered the Colerain HS website and have enjoyed getting caught up with many old memories. I would love to hear from anyone as it has decades (amazing!!) since I have had contact with any of my former classmates. By the way, it seems our class never has any reunions. It would sure be wonderful to see everyone again. In the meantime, if any classmates see this message, please send me a message. My email address is posted in this website. **Mark Reller (1969)**

Hi from Marion, Texas. I'm George Chambers Jr and an old friend from my class, Roger Armbruster, found my wife and I through a contact to my mother who still lives in Colerain. It sure gave me a very welcomed surprise by a phone call and Roger explained that I was on the "Lost Grads" list. Any information that you could sense me on any upcoming events concerning my 1967 classmates would greatly be appreciated. It really warms my heart that we all have not been forgotten. Please provide a list of student and teachers names during that year. gchambers@aol.com **George B Chambers Jr (1967)**, Marion, TX 78124

Hi to all, especially our classmates from 1967. Russ and I moved to Clermont County in 1977 and our two older boys graduated from Milford High School. We have three children the youngest one is 14 and still with us at home. We have three grandchildren and life has certainly been good to us. We hope that all our friends from school have stayed healthy and are happy. Look forward to the Colerain Chatter and read it from cover to cover. My donation is being mailed for your use however it is needed. Please take me off the missing list; you have mine and Russ Ruehrwein address. Love to you all. **Susan Rosser Ruehrwein (1967)**

Hello Colerain: there seems to be some confusion about me. I am on the MIA list even though I received my *Chatter* and enjoy it. At Colerain I was Terri Brown even though my legal name was Marilyn Theresa Brown. I have married and divorced so now I am Marilyn Theresa Brown Upton. I proudly graduated with the class of 1968. I have updated info on the records page so I hope this helps. Please keep up the great work; I don't get back to Cinti very often and love the information I get from the *Chatter*. **Terri**

Hi to all...Been Living in Columbus Ohio for past 30 years and been married to husband for the same number of years. Have one child in college he's 21 this past week. Have my own insurance agency and e-mail there is pdews@amfam.com. I am particulary interested in finding two classmates from 1969. Nancy Greene and Barbara Litschgi (Hoebbel) If anyone knows their e-mail addresses please write and let me know. I love the Chatter Paper. Read it front to back every time I get it. Sending donation to keep it going. **Pat Dews (Wingerberg) (1969)**

Just found the web site after reading *Chatter*. We have lived in South Carolina for 19 years now. We are in the Columbia area and know that if anyone goes to Myrtle Beach for Hilton Head you come I 26 to I 20. Look us up. I am still waiting for a class reunion. How come we haven't had any???? I will do whatever I can from here to help out with arrangements if someone steps up to arrange things. Maybe have one with the class of 68 and then Ken and I both could get together with old friends. Also does anyone know of whereabouts of Gretchen Hagen? I know she did not graduate and she was married to Al Mangold. **Carolyn Pott Richards (1969)**

Hey all. I just found this website and find it wonderful. But since I moved to the Northeast Georgia mountains, I have not heard much news. Just looking through the site, I found out my good friend (of many years ago) Mark Conrad, '69, had died. What a shame, he was one of the good guys. As I said, I am living in Toccoa, Georgia with my Daughter Laura, now 21. My brother Al Huber ('65) has retired from Proctor and Gamble and lives with his wife and son outside of Hamilton, Ohio. My sister Susan (Huber) Whistler ('69) lives in Indianapolis with her husband and daughter. And my father, Richard ('41) is still living in Colerain Township 1 block from where we all grew up. I would love to hear from anyone from back then. Y'all take care. **Tim Huber (1970)**

Hello all, There sure is quite a few babyboomers here aren't there? I left the home turf shortly after school & even though I'm only 105 miles away & still have family in Hamilton Co. I clearly lost touch. Seems to have been my loss. I made our 25th reunion but didn't see anything about a 30th, maybe a 35th? I'm married to a woman from Mansfield OH. but we met here in central Kentucky, go figure! Between the 2 of us we have 7 "kids" from 30yrs old down to 12yrs & 17 grandkids. whew! I'm a simple blue color worker & Paula is a housewife & babysitter for some of those grandkids. If anyone responds/writes to me please put COLERAIN or CLASSMATE on the subject line because without hesitation we quickly delete unidentified mail. Thanks, **Dennis Rothweiler (1971)**

Hello class of 1971. I welcome any emails from those who may remember me. **Mark Wilburn (1971)**

Does anyone remember me, please contact me at qwazx@aol.com **Bill Pouelis (1972)**

Sadly, I did not get to graduate from Colerain, moved to Lakota my Junior year, but my school will always remain Colerain. I married Russ Barrowcliff (Colerain - 1971) - just celebrated our 30th - we had 3 kids and adopted another. We have 7 grandkids with another one on the way and one great-grandchild (long story). Nice website. **Russ & Billiejean Billiejean (Wilma Deardurff) Barrowcliff (1972)**

To Class of 72 Alumni, Please see the reunion page of this web site for information on the Class of 72, 30 year reunion. **Don Scarpinski (1972)**

Thanks for this great web site...I have been married now for 25 years...and have 4 children ages 26, 22, 21, and 15..I have 1 granddaughter and a grandchild on the way. ..I am the fitness coordinator at the Powel Crosley YMCA in Finnytown, I run the fitness center...my husband and I own the Keller insurance agency in Finnytown, we also buy and sell houses...if anyone sees this web site that knows me please e-mail me ...thanks ... **Teri Keller (1973)**

Wow! I just opened up the website and scrolled through. I was so surprised of all our classmates that have gone before us. Time passes so quickly and my years in high school were so valuable- alot of friends and alot of memories. It is always good to remember where we came from so our egos can stay in check as life becomes to precious. I have still continued my path of health and fitness, skating professionally for the last 10 years, volunteering in many events to promote rollerblading, running, sport specific training, fundraising causes with the media etc. I have been very blessed to develop a fitness program for all fitness levels. Bootcamp Bodies by Marcia Yager. Slow progressive 9 week program that produces tremendous results and education in anatomy and nutrition. I have always tried to maintain a healthy state and want to share that wealth with the world. I hope you are all taking care of your bodies, because if you don't where will you live. Would love to hear from you, thoughts old memories and how you are today. Great job for keeping the spirit alive for the alumni! Today is the day - It's the only one we get for the moment. **Marcia Yager (1974)**

Hello to all 1974 grads and all Colerain High School Alumni. I went on to obtain a degree in Business Management and worked full time as a Customer Service Manager at Palm Beach Company until I got married and had children. I then became a stay at home mom. My husband Rob and I have two children ages 7 and 3. Would love to hear from fellow classmates. Hope everyone had a happy and healthy holiday. **Gwen Beck Kohlman (1974)**

Attn: Alumni Assoc: I enjoy receiving the Chatter. Thank you for your hard work. **Doug Cropper (1974)**, Hamilton, OH 45011

Dear Alumni Assoc: Again, I thank you for sending the copies for Hal and Blair. They have been forwarded. I enjoyed reading a copy of Chatter myself and hope my yearbook (1974) "plea" appears in the next issue. I figure it was among the items which had to be deleted. Thanks so much for all your help. **Jean Hopkins (1974)**, Zephyrhills, FL 33541

Hi to all the '76 grads! Missed the last reunion due to being in Europe. The reunion info only arrived a few weeks prior to my trip, so I could not realistically change my plans. I would like to hear from anyone who owes me money! Just kidding! Actually would love to hear from any alumni who remember me. Hope to hear from everyone! PS: What a great web site! Really cool! **Tom Schroeder (1976)**

Greetings Band Alumni. Alumni night is Friday, September 13 so you know what that means! Mark your calendar! Start working those chops! Begin working on excuses! - no wait - we want a big crowd this year. We know many of you have let your musical skills slide. We would really like to include all former band members (and band-aids!). If anyone has an idea of how no-longer-playing alumni could participate please let us know. Maybe they could carry a banner. Maybe we'll have a "kazoo corps" - something to let them get involved. Drop me an e-mail if you have ideas. Hope to see a big turn-out this year. **Paul Wesolowski (1976)**

correctly spelled, but at least we can give it a shot. Sue Schmaedecke Zwerdling. I now live in Fair Oaks, CA I sure miss the warmth of my old friends, but the weather is a lot warmer! My email address is suzwerdling@mac.com; it would be great to hear from my classmates. **Sue Zwerdling (1975)**, Fair Oakes, CA

I just found this website while looking for my sister's daughter's track results (her kids go to Colerain). I welcome e-mails from anybody that remembers me. **Tim Stewart (75)**

Attention Band Alumni: I've started a website with information about Alumni Night (Sept. 13, 2002). I've reviewed a few yearbooks and listed folks FROM THOSE YEARS who were in the band. Feel free to stop by and check it out. Also, if you have a yearbook for a year I haven't yet been able to obtain and review, and still live in the area, I'd be grateful to borrow for a few days. The list of yearbooks I've reviewed is on the website. Its address is [http://home.cinci.rr.com/wesoweb/PW\(1976\)](http://home.cinci.rr.com/wesoweb/PW(1976)) **Paul Wesolowski (1976)**

Hello to '76 alumni. If anyone has mail info on Pam Glass, Sandy Gumm or Barb Szabo '75, please mail me, would love to get in touch with them. Thanks Lisa Lucas (1976)
I just found my yearbook and I was listed under Kathi Berberich. Does any one remember me now? I had a brother named Randy Stokes (1975) **Kathi Waller Berberich (1977)**

Hello Class of 77- I just wanted to correct my e-mail address. I have had to change to Kaidon44@aol.com. If anyone went to the reunion please e-mail me and let me know how it went. I was unable to attend. I would love to hear from any of my old classmates. **Donna Kuhn Gerin (1977)**

If anyone out there is an active 'paying' member of www.classmates.com how about emailing some or all of those former classmates and referring them here. It sure beats paying for a few email addresses that you only next access to once. Everything they have is right here. Kevin Burgjohann (1977)
Hello to the class of "77." Can you believe that we've been out of High School for 25 years! Time sure does fly! I am a divorced father of 4, my oldest son will graduate from Colerain in 2004. I am working for an International Engineering firm here in Cincinnati as an "Office Engineer." Looking forward to the class reunion in August. If anyone out there is looking for my other siblings; Amanda - Class of 72, Inga - Class of 74, and William - Class of 75, email me and I will forward the message to them. Always looking forward to the next edition of the "Chatter." Keep up the good work! My email address is nxh240@fuse.net **Neal Hargrave Sr. (1977)**

Hi All, I just found this site. I'm new to the whole computer thing so please bear with me! I can't figure out how to pull up the actual email addresses so I can send classmates a message. Can somebody help???? Also I saw a few names that I remember and would really like to talk to again. Are "Debbie Goodin", "Linda Eller" and "Doug Shollenbarger" out there? If so please email me at fluffymom58@yahoo.com. Anyone else who remembers me, please email me also. Would love to hear from all. Thanks, **Kathi Waller (Stokes) (Berberich) (1977)**

What a great site this is. I would love to hear from anyone who remembers me (Class of 77) My brother Randy is still living in Ohio, but I have resided in South Florida for the last 25 years. I would like to know what happened to Greg Mebs, I believe he was in the same class as me. I noticed that his brother Jeff had passed and was curious what had happened to him. My e-mail address is Kaidon43@aol.com **Donna Kuhn Gerin (1977)**

Dear fellow Cardinal Alums, I am looking forward to the Class of '77 reunion tonight! When I drove from Cleveland, I left the time and place information at home. I came to the West Fork library to pull the information - my father still does not a computer - I have trouble believing that he cannot seek the benefits to manage his investments. I left my laptop by the desktop at home. I am amazed at the way the Lord leads us and changes our path. The last reunion that I went to I had my own information systems consulting business that found me traveling to over 20 countries on five continents. I had a lovely wife and two glorious sons who were certainly blessings from heaven. I felt content and proud of where I was at my stage in life. "Proud" - now I understand the double-edged sword of this word. In contrast, about two months ago, my wife of 21 years announced that she was filing for divorce. Her patience with my chronic medical problems - most notably my constant pain and fatigue. With these conditions, I could no longer concentrate enough to justify my fees in consulting. My last major trip in October 1999 was my dream assignment. I was in Dar es Salaam, Tanzania designing a financial analysis system that would allow them to better and more timely understand the problems developing at them. This trip was my second to the country and the people that I was working with were phenomenal people - so kind and respectful. The first week see me get weaker and weaker each day. The following Monday, the diagnosis presented itself - from my blood sample: "MPS" - malaria parasite seen- again. My body fought off the parasite within days but I still so weak. I had an infection from my salivary stone. I had to leave to go home for medical attention - I was worthless to them. Now, my life is so different. I spent six weeks this summer serving as chaplain at our council's summer camp - what a dream job for me at this stage of my life. I will soon be returning to substitute teaching K-12 all subjects. Because of my divorce, I will be trying to work full time and if I want to effectively switch to this career, I will need to start a Master of Arts in Teaching, an intensive 13 month program at Kent State University. I do love my terrific sons. I still dabble in photography - doing weddings last year. I breed gerbils, though I only have ten mating pairs left - I had too many to manage when I was only home 20 hours a week this summer. What a difference 5 or 10 years makes! I look forward to seeing my classmates again. Last time, I prepared by going through my yearbooks - I recognized more people than recognized me. I forgot to bring it this time and I will look much different than last time - I am now "BBC" - bald by choice - a wonderful do for the summer months and have a full beard and mustache. The beard is a remnant of my former photographer boss who wanted to distract attention from the huge ketoid scar that remains on my chin line from the salivary stone surgery. Have a great day and God bless you all - I would love to hear from those who remember me - to see what everyone is doing now is really interesting and exciting to me, Lawrence F.M. Capuder, Sr. Class of '77 Miami University B.Sci. in Business and MBA - 1981 and 1982, respectively .
Lawrence F.M. Capuder, Sr. (1977)

Hi yall, from Kentucky. Just received the most recent News Letter, so I decided to check out the new Web-Site. It's great. So much information. With this being Memorial Day weekend, I thought I'd check out the remembrance page. Like many others I was shocked and amazed to see how many of our alumni are gone. On a happier note I'm really looking forward to the reunion of the Class of 77. The class with the most CLASS!! Thanks to all who are working hard planning the evening. Can't wait to see everyone. Till then be Happy, be Safe and God Bless!!

I can relate when you compare Florida to Cincinnati! My family and I lived in SOUTH Florida for a year and a half. And I begged my husband to move our family back to Cincinnati when his job was done. We had moved to Pahokee, Florida to help open a school there. I don't miss the bugs, alligators nor the frogs. But then again ,we lived in the Glades. I think I missed the change of the seasons the most. Good Job on putting together this website! I like reading the messages posted from the earlier year classes from Colerain High.
Tina (Carter) Tucker (1983)

I'm wondering if anyone knows how to get in touch with Suzie Lucas?? She crossed my mind the other day, and would love to see how she's doing. I'd love to hear from anyone else, for that matter!! **Kim Wurzelbacher (Toftner) (1987)**

Hi all! I am a little late with this message. My deepest sympathy goes out to Amy Murphy and all of Scott's family. Also, my sympathy goes out to Sheryl (Budke) on the loss of her husband. I am so sorry about the loss of both men. Their memory will live on with all of us. I would be happy to hear from anyone from CHS. My e-mail address is: jenny-girl@excite.com . I would especially like to hear from anyone who can connect me with Mark Listermann. He was one of my best friends and I lost touch with him about 4 yrs. ago when he moved to Salt Lake City. Can anyone help me find him??? With Much Thanks! : **Jenny Lawson (Harness) (1988)**

Thank you **David Murphy (1996)**

Hi class of 1996! Hope everyone is doing well. I am living in Columbus, OH with my husband Matt. I finished my degree in marketing from UC, and now I'm also finishing a degree in Landscape Design from Columbus State. I also work for a landscape design build firm. (My husband is a horticulturist, so he has gotten me very interested in this field.) We don't have any children yet, but our yellow lab Jake is quite enough for now! I would love to hear from you all! (Did we have reunion yet? I didn't hear anything...) Take care, **Sarah Bartlett (Schuler) (1996)**

Hello everyone from the class of '98! The other class officers and I are about to start planning a five-year reunion, so if you have ideas please let us know ASAP. Also, if you have up-to-date contact information about people from our class, please share that information with us, too. I hope everyone is doing well! **Carrie Kincaid (1998)**

Dear CHS Alumni Assoc: Thank you very much for selecting me as one of your scholarship winners. The scholarship money will greatly help as I continue my education at U.C. My years at Colerain have been the best of my life and I look forward to staying involved as an alumni. Again, I wish to thank you for your kindness and generosity. **Joe Bertram (2002)**, Cinti, OH 45239
