BOB HUGHES MEMORIAL GOLF OUTING AND SCHOLARSHIP RECIPIENTS

The third annual Bob Hughes Memorial Golf Classic supported by all of you was again a wonderful tribute to Bob reflecting on his life, memories and blessings. The proceeds increased to \$3000 that was awarded as scholarships to Michael Hundley, Baseball, Dennison University, majoring in Biology; Megan Moser, Soccer, Urbana College, majoring in Education; and Nina Vaughn, NKU, Cross Country and Track, majoring in Engineering. It is with much thanksgiving and gratitude to everyone for making the event an outstanding and memorable success! In the rear lobby of CHS a special plaque with recipient's names is on display. Everyone is invited. See you on April 22, 2007. Visit www.bobhughesmemorial.com for more info.

NORTHWEST LOCAL SCHOOL DISTRICT ADMINISTRATIVE CENTER

Superintendent's Message

This letter went out to the parents of our students.

November 8, 2006

I know that you are as disappointed as I am with the defeat of our levy yesterday. I also know that you are concerned about the future of our district, and I realize that many of you are apprehensive about the effect that the impending budget reductions could have on you personally.

This is not the time to panic. This is the time to allow the district leadership team and the Board of Education, with appropriate input from staff and community, to chart the best course for the future. We now need to take the time necessary to select the best alternatives from the wide range of options that are open to us.

During the November 20th board meeting, the administrative team will present a procedural proposal to the Board of Education. This proposal will actually be a timeline of the decisions that need to be made over the next three months. These will be the decisions that are necessary to plan for the district's financial security and to prepare for the opening of school next fall.

The real work will begin on December 11th when the Board will receive a series of reports and recommendations. The reports will be from the three study teams that have been working since August: District Reconfiguration, Custodian Outsourcing, and Career Technical Education. The information from these reports will be added to the data from last year's Financial Planning and Expenditure Reduction Teams' reports. The recommendations will be the district leadership team's prioritized proposals on future levies and revising the three-year budget plan.

After the December 11th meeting, the Board of Education and the leadership team will work through the process of making the best decisions possible in a timely manner. Obviously, many of these decisions will be difficult. The Board and the leadership team will weigh all options when developing the action plans.

In the meantime, we will do what we are here for: educate your children. We have a talented and skilled staff that are capable, with or without this levy, to help your children improve their academic achievement. If we continue to work together, we can meet the district's goal of regaining its Effective rating and moving towards Excellence.

Sincerely,
Richard Glatfelter
Superintendent

OLDEST CHS GRADUATE

Joseph Braun '28, celebrated his 95th birthday on May 16, 2006, with family and friends, receiving 97 birthday cards and many gifts. He and four young ladies graduated after a beginning freshman class of 35. He still lives on property handed down from his father and grandfather - once a farm, now a subdivision, on Springdale Road. As an usher, he is the oldest, active member of St. Bernard Catholic Church. Thanks, from his wife, Jean.

The Alumni Association believes Joe is the oldest, living Colerain grad. If anyone knows of any members still alive from the graduating classes of 1925, 1926 and 1927, please inform the Alumni Association.

AFTER PROM

On May 14, the CHS PTA hosted over 340 students at Sports Plus from 12:30 to 5:30 am. Your generous donation helped to support this great activity for responsible young adults. Throughout the evening we gave away many donated items and fun items we purchased. Your gift was part of the reason over 60 students walked away with prizes. The most anticipated was the \$500 Grand Prize at the end of the evening. These rewards, over the years, have boosted the attendance to the exciting levels we are now seeing. In the words of Coach Coombs, "AfterProm is now the place to be!" Thank you for your time and consideration. As a parent, I am grateful to the PTA and community-minded businesses for their support of my child. We are grateful for your help.

Sincerely, Carole Strecker CHS PTA After Prom Committee.

P.S. To the Colerain Alumni Association, thanks again for your contribution of \$100.

VIETNAM BOOK

I have written a book about my experience when I left for Vietnam back in 1967-68. The name of the book is "395 DAYS" and is now at the publishers up in Canada. The name of the company is TRAFORD PUBLISHING. The book should be ready for people to order by the second week of November. Those that are interested in buying the book can order it at their book store or on line:

www.traford.com HERE is a little insight of the book. I first join the Marine infantry in Vietnam and the name of the outfit is the 1st Battalion 9th Marines. We get the nickname of "The Walking Dead" from Ho Chi Minh because we killed his son back in 1965. I joined the outfit in March of 1967 and stayed with them until December of 1967 and transfer over to 3rd Recon Echo Company which was being formed since World War II. The book is what I went through over there almost everyday. You will feel as though you are being with me all of the time. I went over to Vietnam weighing about 200 pounds and came back weighing about 160 pounds.

DISTINGUISHED GRADUATES

Two former Colerain students were selected as Distinguished Graduates. The first was **William Ott, honorary member of the class of 1944.** Bill worked on his father's farm while he attended Colerain High School. In 1942, at the age of seventeen, Bill, like many young Americans, left school to serve their country in World War II. He received the Distinguished Service Cross, the Italian Cross of Valor, and three Bronze Stars. His unit saw action in North Africa, Italy and Germany. The following account describes the battle actions that earned Bill the Distinguished Service Cross. For extraordinary heroism in action, on 28 July 1944, near Oratcia, Italy, Private Ott volunteered to lead a six-man patrol to contact the unit on his battalion's right flank. Moving along a narrow road, the patrol suddenly received fire from a German machine gun located in the ditch on opposite side of the road, not more than twenty feet from Private Ott. Private Ott immediately returned fire with his submachine gun and ordered his men to take cover. Four enemy bullets hit him in the right thigh, knocking him into the road ditch opposite the weapon.

William Ott

Private Ott inserted another clip into his submachine gun. The Germans threw a hand grenade at him, wounding him in the right foot. In spite of his wounds, Private Ott crawled up the bank of the shallow ditch and lobbed two hand grenades into the German position. Then taking advantage of the lull of enemy fire, he staggered to his feet and moved toward the enemy gun emplacement, firing his submachine gun. Unable to advance further, he ordered his patrol to continue its mission. The determined courage and aggressiveness of Private Ott enabled his patrol to complete its mission successfully and heroic accomplishment reflects the finest traditions of the Armed Forces of the United States. Submitted by Mark Clark, Lt. General, US Army. After returning home, Bill and his wife, Janet Wurzelbacher, Class of '47, raised six children. Bill worked as a bus driver, plasterer, and rehabbed FHA houses. He is a member of the American Legion, Disabled Veterans of America and the Purple Heart Association.

Our second inductee was **Mike Maringer, class of 1969.** Mike played both basketball and baseball at Colerain. He received a basketball scholarship to Brewster Parker Junior College. Mike received a BA from Northern Kentucky in 1974, and a BS from Defiance in Hydrogeology in 1979. He began his professional career at Campbell Soup. Mike is one of only four people in the state of Ohio certified in Waste and Water Treatment. His

Mike Maringer

job at Campbell's was to make sure that all water in the making of the Campbell's soups we eat was clean and safe. Mike teaches and lectures on water treatment throughout the state of Ohio. He has won several professional awards such as the WD Sheets Award, which is presented by the Ohio Water and Environmental Association. In 1989 Mike helped monitor the Maumee River for water purity after a chemical spill into the river. He has lived in Napoleon, Ohio where he has coached American Legion Ball. Mike is married to his wife, Gloria, and has two children.

SPECIAL RECOGNITION

The Alumni Association also recognized **Clinton Pete Yerkes** for his work as Colerain Athletic Director from 1962 to 1978. During these years many sports were added. Pete passed away in 1994. Accepting the award for the family was Bobby Yerkes, Pete's wife.

Dear Chatter,

Just reading the June issue. My children are Colerain Graduates. My youngest is the class of 2007. I work at Colerain High School. When I was in the fourth grade I attended Grade School in Orlando, Florida at St. Andrews. A young priest came for a short time to learn Spanish before he went on to be a missionary in Chili. His name, Fr. Richard Beischel. I now read that Richard is a Colerain alum from the class of 1946. His anniversary of his ordination. What a small world!

Rose Fromme

Hi,

Tonight I was watching HGTV. A program entitled DESIGNER FINALS was on. I believe the design student is a former Colerain student, Tony Medecke. He graduated in 1995 and is design at Ohio State. Just thought I would pass along the information.

Carol Stephens

Dear Alumni

It was 72 years ago since our class of 20 students graduated from Colerain High School. The year was 1934. (AD of course) It would seem that after so many years that it would be easy to write something of interest to everyone. For some reason it doesn't work out that way! There is always the risk of the repeating, yet again, a story that was just recently told! So, with these things in mind I'll stick with the event of 2006-2006 years!
Our class did not meet as a group in 2006 we did see our members decrease to 8 people, with the deaths of Jim Downie and Elizabeth (Susie) Stout Beatty.
I'd like to hear from the two classmates who live outside this area: (1) Anna Marie (Taphorn) Franklin and (2) Kathrine (Brock) Westberg. I still live at 9798 Manhattan Drive - Cincinnati, OH 45231

I was fortunate to come into Possession of an old photo of the first graduating class from Colerain High School. It dates back to 1923. I don't know the good lady's name who passes it to the check in station person at Poole road Y.M.C.A. and then was given to me. I have enclosed a print along with manes - hope you enjoy the photo.
Bob Muehlenhard (1934)

I really enjoy your newsletter. Keep up the good work.

LaVerne Mallory (Haverland) (1948)

The world's a whole lot better place because of people like you who give real joy and pleasure by the nice things that they do... And so with the Great CHS Teach-in Day, the slide history and many memories recalled, I just want to "Thank You" for all your hard work to make this a very memorable experience for us!!

Thelma (Helcher) Hine (1947)

Mr. Denny Hirsch:

Thanks for all the work put to make this a great day for us. Really appreciate all the time put into this. Oak Hills still good school also.

Dolores (Stacy) Sauer (1947)

Hi 1947 graduates:

Didn't we have a good time at La Rosa's Luncheon? Was so nice to see so many of the guys and gals I went to school with. It's a mixture-who cares? We enjoy each other's company. Was nice to see Ida Jane (Craig). Then Jake and I went to visit her one evening. We should have lunch again together more often, Dolores, where were you? We missed you! Would be so nice to have a class reunion before we all see the angels. Time is flying by so fast, it's unbelievable-one month here and gone so fast. I hate to see winter come. I love working in my flowers and yard. I can't go anywhere that I don't buy more flowers. Just look at a flower and you can decorate your home so easy. Who knows how to blend the colors better than God? I'm just a flower nut. My name was not on the donation list in the last chatter, I donate all the time. I feel as important as anyone else that donates. Enclosed you'll find another donation, and yes keep the Chatter going. We all love it.

Mary Mosier Sparks (1947)

It is always enjoyable to receive my copy of Chatter, as it sometimes contains articles or messages that were a part of my life. The Lakewood Airport incident with the Air Force jets is one of those.

In 1946 I moved to Colerain Township, to the house my parents purchased from Ruth Lyons (WLW radio star, married name Neuman). It was/is on Compton Road, about one third of a mile west of Pippin. It was adjacent to the Hiatt (or Hyatt) farm and about a half mile south of the land that became Lakewood Airport. The entrance to the airport was from Pippin. It was woods and farmland between our house and the west end of the runway. Today it looks like Galaxy Acres occupies the area of the airport.

In either 1947 or 1948, three fighter/trainer jets from Wright-Patterson ran out of fuel in the area and had to land. They chose Lakewood. The landing strip was covered with a steel mesh (which is what is apparently showing in the photo that Barry Wallis has seen). They landed safely, although the strip was shorter than the minimum specified for those airplanes. They stayed for several weeks while the Air Force pondered how to get them out.

Finally, the leader of the group decided/got permission to fly out. They stripped everything possible from the plane and put in enough fuel to only get it to Dayton. They backed the plane to the eastern end of the runway, revved the engine to the max, released the brakes and prayed. The plane barely cleared the end of the runway; its exhaust blew down corn stalks and then as it went over the woods beyond, blew off tree leaves.

Witnessing this, the remaining two pilots said no. They were not going to try it. So a few days later, the wings were removed from the planes, and a large crane lifted the bodies and wings on to several large trucks and they drove away. End of story.

That episode also seemed to mark the beginning of the end for the airport. Airplane traffic had been light before the incident and it then seemed to dry up. At the time, observers in the area concluded that the owners had decided to take the Air Force repair and close shop. Later the area was used for automobile storage.

If anyone can track down either Robert Hiatt (probably in the class of @ 1954) or his sister, Nancy (class of about 1949-50), more might be added to the saga.

Tom Adkins (1951)

I would like to execute a standing ovation for the committee who worked so diligently putting together a seamless, and oh so flawless, 50th class reunion for the class of 1956. You did a fabulous job and a great time was had by all. I know I speak for all who attended, THANK YOU for going the extra mile. We truly appreciate all you did.

Lil Humphrey North (1956)

I am still looking for Virginia Hicks but I seem to have lost her somewhere. Is anyone in contact with her?

Betsy Carroll (1956)

Virginia Hicks is better. Dyslexia strikes again!

Betsy Carroll (1956)

The Chatter is addressed to my dad who passed away in April, 2000. I have written before to have his name removed from your mailing list. I am asking you to do so again. I, however am still alive and receive no Chatter??? Can someone mail a cost of advertising note to me?

Mrs. June Gibeau
115 Caladium St.
Leesburg, FL 34748

Thank you,

June Gibeau (1956)

As far I know, there are three Colerain grads living in the greater Daytona area - myself, Don Bailey (56), and Judy Biddle Meyer (58). Any more?

Murph Trew Thomas (1957)

Well it looks like we got the Lakewood Airport issue cleared up. Do any of you old timers remember a helicopter crash at Blue Rock Rd and Springdale Rd? I am guessing it happened about 1957 or 58. I believe it was an Army Copter. Thanks for any info.

Bob (1959)

Hi everyone. I am looking for Sandy Ruehrwein. She graduated 1965 and was good friends with my sister Jane Mack. During October Jane will be coming home from Ziapan for our mother's 90th birthday. Jane would love to see Sandy at the party so they could catch up. Does anyone know how to reach Sandy?

Randy Mack (1962)

Dear Fellow CHS Slum,
Please accept this donation, which honors Mr. Robert Browning whose class in World History and Debate in the mid-1960's opened my eyes, stretched my mind and helped me grow into the person I have become. In my mind he was the first and only teacher I ever had in elementary, high school or college because he taught both the joy of learning and the joy of thinking.

Bests Regards,
Shelby Jackson Chaden (1964)

Long story since I have made any contact with anyone since our reunion. Would like to hear from anyone. And I want to know more about the alumni night this year. Thanks,

Please email me if you know the whereabouts of Rosa Weigel. Her sister was Margie. Rosa was married briefly to Chuck Maly, but divorced him right after she married him. She use to live on old Colerain, a little past the Highway House. I have been

looking for her for a long time. I never see anyone on this message board from 1968.

Donna Beckum (Schuler) (1968)

Doesn't anyone from 1968 ever get on this website??????

Donna Schuler Beckum (1968)

June 4th.....38 years ago, my graduation day. Hard to believe it was that long ago. I see a few old schoolmates every now and then. Still looking for Donna Elfers. Would be nice to hear from anyone from my graduating year. Looking forward to attending 40-year reunion (Oh my God!) if there is going to be one. Now, that makes me feel very very old, lol!

Donna (Schuler) Beckum (1968)

I wish I would of checked this site ages ago. God, it has been so long since high school. If anyone knows where I might locate Donna (Elfers) Christman or Rosa Weigel, let me know. If anyone remembers me, shoot me an email....

Donna Clouse-Beckum (Schuler) (1968)

I was just able to get back on the Internet and thought I would check the website to see how many of the grads from '69 had checked in lately and only found one. I thought that there would be a couple more but still one is good too. I've had a few rough months here lately, but I'm doing much better now and I intend to continue to do so and I'd like to hear from some of my fellow classmates and even see some of you. I hope to hear of a reunion for us soon because I don't remember of ever hearing of a reunion since our graduation.

Marsha Marshall (1969)

Denny,

I want to thank-you for everything. Last Friday night was very special and a proud moment for my family and me. Your hard work and dedication to Colerain is special. The team pictures, the game arrangements, the hospitality, the professionalism were special and will never be forgotten. Please stay in touch and again many thanks for everything you do for Colerain

Thanks,

Mike Maringer (1969)

Hello Colerain grads of 1969. Calvin and I are still living in White Oak, and our three children are grown and out of college now. As we have said before, we would be willing

to help put together a reunion if anyone is interested as our class as done nothing since our 15th year reunion. Let us know who is interested in organizing with us, and we can pull something together for perhaps a 38th year reunion. We hope to hear from some of you soon.

I haven't heard a thing from any 1974 graduates. I have only spoken to Dave Fletcher. Please write me and let me know how everyone is doing. I will be married 30 years on 9/11/06. I am really hoping for a 35th reunion in 3 years. I have yet to make one. Let's hear from some of the 1974 grads.

Barry Thompson (1974)

Wonderful seeing those who showed up for our 30th. I thought the highlight of the evening was when our designated DJ exclaimed at the end of our event, "Class of 1976, you all look great!" I concur, sir. Life is good.

Doug Stiling (1976)

Class reunions are a great time to gather names of classmates who should be recognized as Distinguished Graduates for their accomplishments. The Alumni Assn board members know there are many CHS grads who have made great contributions to their community and your nominations will bring them to our attention. Please click on the Distinguished Graduates link on the left of the screen, print of a nomination form and take it to your HS reunion. Distinguished grads are recognized at the alumni night football games.

Hello to all 76 grads. I would like to know if anybody knows how to get in touch with Mike Harper. Mike if you see this please get in touch. Since we don't seem to be having a reunion I wouldn't mind getting e-mails actually from anybody that remembers me. Thanks Rick Pollard(76)

Hello fellow Cardinal alum's, I have moved to Dhahran, Saudi Arabia to work as information systems auditor with Saudi Aramco Oil Company here. Hope to make the 30th reunion if the time is right. Please write if you were a friend or acquaintance from 1977 or surrounding years. Cheers, Lawrence C.
Lawrence Capuder (1977)

I'd like to be added to the alumni database. I still consider myself a Colerain graduate, even though I ended up at Northwest (vocational). I'd much rather stay current with events and go to a Colerain reunion than to have anything to do with Northwest, since most of my friends and neighbors were at Colerain. My info: Jeanne (Wake) Ahlers (1978) Address: 3625 Coral Gables Rd Cincinnati, Oh 45248 Also, I was looking through the list of people that you're trying to find email

addresses for from my graduating year. I saw Debbie Krieg on your list. Unfortunately, she died many years ago from cancer. I also saw a lot of the people on this list that are signed up with classmates.com. Isn't there a way that someone can try to use classmates.com to try to contact these individuals to see if they'll respond with information needed to update the database? Just a thought. Thanks,
Jeanne (1978)

Hi 1981 Grads. I just checked to see if our class was having a 25-year reunion. Didn't see one listed. Does anyone know if there is one scheduled?
Karen Olberding (1981)

Hello Class of 81 Grads. It looks like we are having a 25th Reunion. Darla Elliot Zajicek e-mailed me the following info from Sharon Ahr MacDonald. "Darla, Wow, it's been a long time! Yes, Barb Lloyd Hays is taking care of alerting the Alumni and the Colerain Chatter as well as setting up our e-mail colerainclassof81@fuse.net Please email barb your e-mail address as well as anyone you might have kept in touch with. The Reunion is scheduled for Saturday October 7, 2006 at the Nathaniel Greene Lodge in the Dent area. Friday the 6th is a Colerain Football game away at Fairfield, I think!! We will be sending out the actual reunion info in the next few weeks (we have another meeting Wed. June 7th) we are doing it completely through e-mail, so we're counting on everyone to help get people in touch with us through this e-mail. We really hope you can attend this year's very special reunion!! Sharon Ahr MacDonald" Hope to see you on October 7.

Karen Olberding (1981)

Hello class of '95. I just wanted to leave my info because I left so many old friends behind when my parents divorced in 1992. For those who wondered what happened to me- I finished my high school years at Western Hills High School, graduated from there in 1995, went to college/work and now I am married with two kids and still live in Cincy. If anyone would like to email me I would love to hear from you! I am hoping to re-connect with old pals (especially those from Houston Elementary). Take care everyone. ~ Michelle.

Dear CHS Alumni Association,
I would like to sincerely send my gratitude for the scholarship you provided me with this year. This gift was unexpected and greatly appreciated. It is because of opportunities such as this that allows me to continue my education and pursuer my dreams. I plan on attending the OSU and studying pre-physical therapy. From there I will move onto graduate school to hopefully attain a doctrine in pediatric physical therapy. Thank you again for this financial support.

Sincerely,
Lydia Kern (2006)

Dear CHS Alumni Association,
I am writing to say Thank you for selecting me as the recipient of your scholarship. Your financial assistance is greatly appreciated, especially since tuition in Ohio Northern Universality is quite high. I am enrolled there and will begin classes in September'06. I will be majoring in Electrical Engineering and minoring in Business. I fell in love with Ohio Northern University the first time I took a visit there. I am very eager to begin school. Can you believe that? So thank you again for believing in me as I begin my new journey in life.

Sincerely,
Drew Miller (2006)

Q. How long has the Colerain Boosters organization been in existence?

A. Founded in 1948, the Boosters have strived to provide facilities and opportunities for the students of Colerain High School to excel and represent the school in a positive manner.

Q. Do the Boosters only support athletics?

A. No, the Boosters support students involved in all extracurricular activities. Funds are appropriated in each year's budget for the Band, Orchestra, and Show Cards. Additionally, both White Oak and Colerain Middle School receive contributions each year in support of the extracurricular activities at those schools.

Q. How do the Boosters raise the needed funds to support extracurricular activities?

A. Individual and Corporate contributions comprise over **50%** of each year's budget. Approximately **30%** of the budget comes from Spirit Wear and Concession sales. The remaining **20%** is generated through proceeds from major events such as the Craft Show, Sports Stag, Antique Show, Monte Carlo, Reverse Raffle, and Golf Outing.

Q. When are Booster meetings held?

A. Meetings are held on the third Monday of each month at 7:30 p.m. in Room 126 in the High School. Meetings are not held in the months of December, June, and July. Everyone is welcome to attend.

Q. How was Colerain able to install Field Turf in its Football Stadium?

A. The Boosters conducted a pledge campaign in 2004 and secured a **\$500,000** loan from a local bank. No financial support has been provided from the school district and **no taxpayer dollars** have been used. Monthly payments are being made to reduce the loan balance. As of June 30, 2006 the approximate **loan balance** was **\$300,000**. The Boosters expect to payoff the loan in 2009.

Q. What non-athletic related projects have the Boosters supported over the years?

A. On at least three (3) occasions since its inception, the Boosters have made significant contributions to the Band for the purchase of uniforms. The Boosters have also purchased Choir Robes, Orchestra uniforms, and sound equipment for the Show Cards. In its early years, the Boosters even purchased playground equipment for the elementary schools.

Q. Can alumni living out of town purchase Colerain Spirit Wear?

A. Yes, Spirit Wear can be ordered online from both the Booster (www.colerainboosters.com) and Alumni (www.colerainalumni.com) Web Sites. Merchandise offerings are updated at least on a yearly basis. Select items are added occasionally based on interest and demand.

Q. How are Booster Scholarships awarded?

A. The Boosters award four (4) scholarships annually. The high school guidance staff selects the recipients. The only qualification from a Booster perspective is that the student's family be a member of the Boosters.

Q. How are Athletic School Records maintained?

A. Athletic School Records are maintained on the Booster Web Site and copies are posted in the back lobby of the high school. Coaches provide annual updates as to team and individual performance. The updates are compared with existing records and where appropriate, names are added. Unfortunately, information isn't available for all sports for all years. Occasionally, the Boosters/Alumni Association receives new information about team or individual performance. Once the information is validated, records are updated accordingly.

Q. How can I help the Boosters?

A. The Boosters are always looking for new members and volunteers. As noted, individual contributions comprise a significant portion of the annual budget. Donations in any amount are greatly appreciated. Enclosed in this issue of the *Chatter* is a donor envelope.

Volunteers are a precious commodity. Everyone has different skills, talents, and interests. To administer an organization the size of the Colerain Boosters, volunteers are needed for construction projects, game day activities, i.e. Concession Sales, Program Sales, Split the Pot, major events, i.e. Craft Show, Antique Show, Monte Carlo, and administration. If you are interested in helping and would like to make a difference in the lives of over 2,000 students, come to a Booster meeting, contact a Booster officer, or send an e-mail to either info@colerainalumni.com or info@colerainboosters.com. We look forward to hearing from you.

Sincerely,
