COLERAIN GIRLS SOFTBALL TEAM GOES TO STATE FINAL FOUR

The following two articles were written in response to the girls' softball team advancing to the State Final Four:

As we ride the bus home from Akron, I have time to reflect on what I have witnessed the last two days. Although the game was lost on the scoreboard, we are still champions in my eyes. I watched 18 young ladies, 3 coaches, and an athletic trainer represent Colerain and Northwest Local Schools with a great display of personal character, sportsmanship, pride, hustle and grit. I watched them be kind and courteous to restaurant, hotel, and park employees, I watched them high five and graciously thank an Akron high school coach who allowed us to use his school's facilities to practice. I watched them dive for balls and swing for the fences. I watched one dive into a brick wall head first, go unconscious, sit up, stand up and then stay in the game in the awe of the opponent and their fans. I watched them calmly and politely congratulate their opponent with a great display of sportsmanship before leaving the field. I just wanted you all to know how proud I am and how proud you should be of this team. Please let them know this as well as you see them in school tomorrow. We are Colerain!

Proudly, Dan Bolden, Athletic Director, Colerain High School

The following letter was written by **Andy Mack '40** to the girls' softball team before their game:

Dear Susan Dayton: You don't know me, but if you look on the wall in the gym, you will see my name and other members of the 1940 Colerain Baseball team that went to the State Tournament. We came in second place. In 1939 we had a better team but the school didn't have any money to send us. We were undefeated in 1939 and lost one game in 1940, that one in the State Tournament. There were 8 teams in the tournament. In those days we played 8 or 9 league games and 4 in the District Tournament. Now you join us and I hope you can go to State a few more times, as there is nothing like it as you found out. We were just 16 farm boys who got to do something very few farm boys got to do. Memories I have of them as the time we had. There are only 3 of us left, the pitcher, shortstop and I was the catcher. We all go the same church and we talk about the State Tournament once in awhile. It would be my wish for all of the girls who played in the State that 69 years from now they still have memories of this year, being the first team from the school to appear in a State Tournament. The best to you in the years ahead. I have 4 sisters and we all spent 12 years at Colerain. I am also a member of the Colerain Hall of Fame as is the pitcher of the 40's team and the first baseman of the '39 team.

Sincerely, Andy Mack '40 2801 Crest Road, Cincinnati, OH 45251

COLERAIN FOOTBALL ON NATIONAL TV

On September 6, 2009 the fighting Cardinal football team was on national television. The 12:00 game against Elder was televised nationwide on ESPN. Unfortunately Colerain lost. There are not many high schools that have the honor of being nationally televised. Way to go Cardinals. The Colerain games were broadcast on radio station 1480.

"Five Years of Excellence" Who's Counting?

Dear Parents, Family and Friends,

The staff and I hope that you have enjoyed your summer and are ready to begin another exciting school year. I look forward to my ninth year as principal in a school where we continue to create the school-family partnership that makes Colerain High School such a wonderful learning environment. This is a school where your students will grow academically as well as socially as they prepare for future endeavors.

At Colerain High School we focus on individual student achievement so that each child can reach his or her own learning potential. Our dedicated staff of professionals incorporates differentiated instruction, balanced literary, cooperate learning, problem solving and critical thinking into their instructional repertoire in order to meet the diverse learning styles and needs of our students.

Colerain High School has always been known for its school pride and a tradition of excellence. The 2008 – 2009 school year certainly confirmed that those characteristics are still alive and well. Last year was a year of TREMENDOUS SUCCESS for CHS in every area. For the FIFTH YEAR in a row we met

all of the state and federal testing standards and were ranked EXCELLENT by the state of Ohio. Additionally, Colerain High School students won numerous awards in the Arts, Athletics, and Activities while the members of the class of 2009 went on to some of the finest colleges in the country. I am sure that another outstanding chapter will be written in the tradition of Colerain High School this year. I want our parents to be well informed in every aspect of their students' education. Please take the time to carefully study the Colerain High School Report Card. We encourage and welcome parent involvement, and we are continually working to strengthen this partnership so that our students receive the best education possible. Your ideas and input on behalf of this effort are always welcome. We are the first school ever in the district to earn a perfect score on the report card for 2 years in a row. In addition, we are the only school in the district to earn every testing area report card indicator since 1999.

Your proud principal,
Maureen Heintz

BAND GOES TO STATE FINALS

Pictured with the trophies honored from Western Brown Marching Invitational are the drum majors: Steven Funke and Kelley Dillard.

The CHS Marching Band has had numerous accomplishments this fall including the Western Brown Marching Invitational. The high honors from the OMEA competitions qualified the band for the state finals.

At the OMEA State Finals the Band received a Superior Rating with one of ten bands out of thirty-six in the state to get a perfect score. Congratulations!

INVITATION TO FORMER LADY CARDS BASKETBALL PLAYERS AND COACHES

The Lady Cards Basketball program would like to invite all former lady basketball players and coaches to the 2009 Alumni Game. The Lady Cards will be tipping off against McAuley High School on December 30th, at 7:30 p.m. We would be honored if you could join us in celebrating the history and success of the program in which you all have contributed.

We return three starters from last year's team that finished 18-5 and 3rd in the GMC. Leading the charge is Xavier University signee Ashley Wanninger, along with loads of young talent that includes other players being recruited by top college programs. We truly appreciate all you have done to build and support our program and hope that you can join us for what will be an exciting cross-town battle.

Reception immediately following the varsity game in the school cafeteria. Hope to see you all there.

ALUMNI - BOOSTER GOLF OUTING

The 18th annual Ken Baker Memorial Golf Outing was played in June 2009. There were numerous CHS grads participating and a great time was had by all. Next year this event will take place on Sunday, June 6, at Walden Pond Golf Course. Contact CHS 385-6424 for details.

SCHOLARSHIPS - 2009

Kathryn Kaminsky received the \$400 Academic Scholarship, and the \$400 Career Scholarship was awarded to Allison Ellert. Congratulations!

Colerain Alumni Association:

I wanted to thank you from the bottom of my heart for the scholarship money that you all awarded me! It will be very beneficial for me. I plan on using it when I start at Raymond Walters for radiology. Thank you again for everything!

COLERAIN GRAD TRIES FOR TV SHOW SURVIVOR

Greg Insko '05 recently tried to land a spot on the TV show Survivor. Greg got the idea from classmate Megan Gore '05. To impress the producers Greg walked 2200 miles from Cincinnati to Los Angeles to personally deliver his audition tape. Megan passed away in 2007 and part of Greg's walk was to honor her memory. Greg made it to Los Angeles but did not make the show.

SUMMA CUM LAUDE GRADUATES

As some of you may be aware, the high school no longer recognizes valedictorians and salutatorians. In place of this honor, the high school now recognizes the top graduates as Summa Cum Laude. The class of 2009 Summa Cum Laude graduates were Alexander Schock attending Dayton University, Matthew Salzman attending Ohio State University, and Anthony Kremer attending Wright State University.

MESSAGE FROM THE BOOSTER PRESIDENT

It is truly a pleasure to serve as the Colerain High School Booster's President. Since getting involved eleven or twelve years ago I have witnessed the true meaning of community and what the real definition is.

Our community, through the Booster organization has raised more money than any other public high school in this area. With those funds we have been able to provide thousands of dollars to middle schools, scholarships, equipment, let alone every out building set on our campus. We have completely funded our synthetic turf field through individual booster donations. Our students will enjoy what they deserve as a student because of Colerain Boosters.

Recently my wife and I were able to enjoy some very talented students in the drama club. The play they put on "Rumors" was an outstanding high school play. Your booster dollars helped them with audio equipment, making their production possible. Our high school band, through its wonderful leadership has won numerous competitions. We have been able to support the band when needed because of your booster donations. This year we are currently working with P.T.A. to create a more efficient area for loading and unloading band equipment into their storage room. Benches, bike racks, and trash cans will be provided by P.T.A., which will be installed before spring. The boosters has purchased a van that will be used for all extra curricular events. You will also be able to look forward to new scoreboards around the campus.

These are just a few of the things that make me proud to be the President of Colerain Boosters, and it is truly an honor. If you have not joined, I encourage you to do so. Our meetings are open to the public and they are the third Monday of every month at 7:00 p.m. held in room 402 in the career center. The next meeting will be after the holidays, January 18th. See you there and remember "We are Colerain."

We did it again! THANK YOU!!! This year was a repeat performance with Bob doing his part for the beautiful weather, Pebble Creek's wonderful hospitality and food, and all the special people/golfers who worked and attended. The scholarship fund is the great success it is because of the generous and dedicated donors – my sincere gratitude to all of you. The Bob Hughes Memorial Scholarship Fund proudly presented five \$1000

scholarships to five worthy Colerain High School students at the Breakfast of Champions and Awards Night. There is still heartache with Bob not here but his legacy continues through your memories and participation. The golf outing gives Bob the chance to continue touching children's lives through the scholarships provided by the tournament.

The Colerain High School Marching Band will host its Annual Marching Band Invitational on Saturday, October 31. The event will showcase area bands performing competition shows for the general public. The 2008 competition featured 30 bands from three (3) states with over 2,000 students performing. The band is offering two (2) opportunities for businesses and individuals to support this worthwhile event. The first opportunity is to place an advertisement in the Invitational Program. Prices for ads range from \$10 - \$100. The second is to donate a trophy for the awards ceremony which follows the competition. Trophy sponsorships range from \$50 - \$100. For more information as to how you might become involved, please contact the Colerain High School Band Room at 513-741-5043. Arrangements will be made for one of the parent volunteers to contact you and answer any questions you may have. Colerain Boosters (2009)

In regards to James Coons letter in the Chatter December 2008 – George Coon, his dad and myself graduated in the class of 1933. The person he mentioned who worked around the world later on was Howard "Pat" Slattery, class of 1932. The three of us were constant companions – took trips together and drank a few beers together. George left for the Navy yards in 1942. I was drafted in 1941. Pat married in 1942-enlisted in the air corps in 1944 (He learned to fly at P&G from 1936-42) and was a flight instructor in Texas from 1944-45 and was discharged October 7, 1945. He then took a job as an instructor at Lunken and later on at the Mt. Healthy Air Port where he was the chief flight instructor. In 1948 he took a job in the Civil Aeronautics Administration as an air traffic controller from 1948-54 working in Cincinnati. In 1954 he moved to Indianapolis as an Air Traffic Controller Specialist working out control problems. In 1959 he moved to New Jersey until 1972 while traveling the world over working out flight patterns and air traffic control problems. Traveling to New York, Chicago, Paris, London, Alaska, Athens, Greece etc. In 1972 he retired after 26 years and did some consulting work until 1980. He then moved to Florida and was still there he passed away in 1997. Chris Seibert 1933

Dear Colerain Alumni: It has been a long time since I wrote to you about the status of the class of 1934. As Usual, there's some good news and some bad news with a bit of ordinary news somewhere in the middle. The sad news is that we lost another classmate, Hilda Voegeli Schneckner died. The ordinary news is that Norman Purdy '34 and his wife, Shirley, have moved from Colerain Township to Florida. His new address is: 8515 North Atlanta Avenue 28, Cape Canaveral, FL 32920, telephone number is 784-7010. I do hope your wondering what the good news is! I'll have to "toot my own horn on this one"! My wife, Louise, and I just celebrated our 70th wedding

I was a member of the 1935 team the first year they had a football team. They did not have enough players to practice with, so they had 5 eighth graders to come out. I was one of them. We could not play in games but was able to suit up and be with the team home and away. In 1936 we were players on those teams and they had enough players and did not need any eighth graders. I think both years the record was 4 and 3. I was also a member of the first 6 man team. We did not win any games but did play one 11 man game. After only two years of football in 1935 and 1936 we played softball and in 1939 played 6 man football.

Hi, me again and this time I'm in trouble. I planted so many flowers one day I got carpal tunnel. Really threw me a curve. Now waiting to see what the doctor tells me. Kills my soul as I can't use my right hand much. Still able to open the Chatter and read. Oh, the good memories I have of old Colerain High School. Thanks Tom Thole for letting us know about Dave Kramer. He was so nice. I'm so sorry of his passing. Wish one could have another class reunion but nobody wants to work with it. I'm willing to help if I can. We'll also Audrey Crawford (maiden name) Hazel Siebenshnl's sister. I am so sorry to learn that so many are gone since last reunion. Better hurry and have another one. Hoping everybody is having a nice summer. I am not going to let this carpal tunnel get me down-got too much to do. Can hardly wait for the next Chatter to come out. I love that little paper. Enclosed is my donation.

Thanks to all the hard workers that put the Chatter together.

Just a reminder that our great school is starting to change the school colors to black and white. If you sing our alma mater it says "Hail red and white" also in our yearbook the school colors are listed as "red and white". I believe all alumni should protest the changing of our school colors.

Very happy to hear Larry Schmale '59 is being recognized for Colerain's Athletic Hall of Fame. Played with Larry in his standout performances in baseball, track and football. He once pitched a perfect game in high school summer baseball. It was amazing, he struck out 20 out of 21 batters (7 inning game), the other batter grounded out to shortstop, Kent Venter. One batter who struck out got to first on a dropped third strike. So Larry actually struck out 21 that day. That game would make a major leaguer envious. Eddie Baumann pitched a no-hitter the second game that day with Dan Houston catching both games on a blistering hot day in catcher's gear. Houston Elementary is named after Dan's Mom who taught in our schools. Larry also led the football team as full-back and got county recognition in shot-put in track. We had a brief rating of second in the state in football. I say brief as we won our first game 44-0 but killed ourselves in injuries. Fullback, Gene Balsler broke his leg, tackle, Dan Houston broke his wrist, defensive back, John Endres got is front teeth knocked out (we were the second year to require one bar as face protection) and guard, Glen Backers injured his ankle so bad it affected the next two games. Then the flu epidemic wiped out half of the school and the team, but we still played. I am very proud of my '59 classmates. Please accept my donation in memory of Glen Backers '59 and Al Stroffran '62. Sincerely,
Nelson Smith '59

I would like to buy a 1966 year book, if anyone has one.

jack koehler (1966)

really like the website. I'm retired from USPS and have lived on Alabama gulf coast since 1979. I have 3 children and 5 grands. My husband and I travel and involved at our church and involved with meals on wheels program in our little town. I have been in touch with a couple of classmates via face book, but still like to keep in touch with other friends from class of '66

Linda (anderson)paulson (1966)

To 1968 Alumni, I wanted to report the death of Janet L. Frazier. Her death occurred in Jan. 2007. Not sure of the exact day, but she died from cancer. We were friends and neighbors during high school and was just beginning to reconnect after all these years when I was informed of her death.

Jeanne Hopkins (1966)

Last dance, last chance. Third time might be a winner - calling Linda Insalago (Formes '68) and Dawn Mueller (Formes '69). Sure would like to hear from you. If not, I bid you a happy life!

Ciao!

Dave Neufarth (1967)

Just found this website and noticed that I was identified as a missing alumni. I'm not missing - I've been here all along! Spent some enjoyable time going through the old newsletters and thought I'd let anyone that remembers me know what I've been up to for the last 41 years since leaving Colerain. Graduated in 1973 from UC in Aerospace Engineering. Moved to the DC area, met my wonderful wife of the last 33 years, Brenda, and settled in. Spent 25 years working in the Defense Department where, among other things, I led the development of the Global Hawk unmanned aircraft and the X-35, which was the precursor for the new F-35 strike aircraft. After leaving DoD I spent ten years in industry and retired about 18 months ago as a Senior Vice President with ManTech International Corporation (formerly ASRS Technologies). About 19 months ago, Brenda retired from the FBI where she was an Investigator for over 30 years. We found time somewhere to have two great sons, Charlie who just graduated with a degree in Computer Science from the University of Maryland and Eric who's a junior also in Com Sci at Maryland. So far during our short retirement, when not hanging out at home in Maryland, Brenda and I manage to spend as much time as we can at our place in Big Sky, Montana, breathing in the mountain air. I still do a little bit of consulting work, but at this point in our lives, Brenda and I are mostly enjoying the opportunity to smell the roses and hang out with our sons before they depart for parts unknown. Hope to touch base with some old friends from my Colerain days: John Kien, George Hicks, Bill Huber (what ever happened to Debbie Nolan?), Gary Osswald, Tom Wilson, Steve Carr. Sorry to hear of the passing of Mr.

May (Don't get behind!) and Mr. Dicken, two of my favorites. What ever happened to Mr. Linder? Chuck (used to be Charlie in the Colerain days)

Hey 1968's. Remember school lunch's. Does anyone remember pizza burgers? Does anyone have the recipe for them? I always thought they were a mixture of ground beef and bologna...anyone else know?

Donna Schuler (1968)

had a blast at the reunion this year. I really enjoyed seeing all of my old high school friends again. I do not like the idea of the changing of the school colors they have always been red and white and should stay red and white.

marsha marshall (1969)

Sorry to hear that Lou. My condolences and best wishes to your family.

Just installed a new forum on my site to complement this board. www.colerainchat.com/forums If you have registered on the old board, you will need to register again on the new one. As this is hosted on my server, you will be allowed to directly post images. So come on in and chat with your friends and classmates from Colerain.

Richard Bullis (1969) Are we all sober yet? The class of 1969 had it's 40th reunion last night. With just under 200 in attendance. Out of a class of 500 plus, not bad. Nice to see so many old familiar faces once again. The photographer has put up a few of the photos he took and I have taken the liberty of putting one group shot up on my website. www.littleworld.net/images/chs69.jpg It's a big one for sure. Time to plug my other site just for colerainers. www.colerainchat.com/forums

Richard Bullis (1969)

Good morning class. Today we will discuss Colerain township history. Do you know when it was formed and by whom? Or is that who? Of what importance is a little old Indian chief by the name of "Blue Jacket"? Do you know which township in Ohio is the largest township? That should be like a totally no brainer. Well you can read about it on my board at www.colerainchat.com/forums/. I will be including more tidbits about Colerain in the future.

Richard Bullis (1969)

It is with great sadness that I relay the passing of my younger brother, Michael Zoller (1972). Mike had fallen into ill-health in recent years and ultimately succumbed to lung cancer on 06/23/09.

The cancer did not metastasize to other areas thus sparing him any prolonged or considerable pain. Mike was carefree, fun-loving brave and accepting to the end. Rest in Peace, My Brother.

Lou Zoller (1969)

just found out about the 40th reunion. Was wanting to get in touch with some of the girls.....Leta Grimm (dabney) who I know moved to TN but that's all I know.....Debbis Scherz (Hayes). Drop me an email patti.jernigan.fields (1969)

Dear Alumni Association: Please direct my donation towards the 2010 Scholarship Fund.
Thank you.

Hi class of 1970. Is there going to be a 40 year reunion next year? The last one I attended was the 20th. I'm not sure if there has been one since. Let us know.
Rick Fowkes (1970)

Went to the Colerain Football game Friday night to watch nephew Jackson Sorn, quarterback for Junior Team. They played Elder. They won. It was better than watching the pros. Never thought I would be back on that field again watching one of my own and paying attention to the game!!!
Victoria Fox (Boland) (1971)

To all who knew my father, My father graduated in 1971. Him and my mother Marsha Mackendrick had a high school romance. And got married and produced me and my brother Jason. Then they divorced and each remarried happily. On December 20, 2008 my dad died in a horrible car accident on Colerain Ave. Just across the street where he grew up. I don't know if anyone knew him but if you did I thought you should know.

Hi, I was fooling around my laptop and noticed my name on this Colerain missing board. My name is Jeffrey W. Durbin, class of '73. My current address is 7473 Glorius Sun Drive, Las Vegas, NV 89178; phone is 702-202-3368. I have kept my info update on a website called Classmates.com but I never realized that this site existed. After graduating, I joined the military and spent 23 years on active duty, 13 years overseas. Then about a dozen years in Phoenix, working for the VA and then as an immigration officer. In October, 2008, I moved back to where my first duty assignment was, which was the air force base her in Las Vegas, primarily due to the cost of branch new homes. I was able to purchase a \$800k home for less than \$320k. I also kept my home in Mesa, AZ as a rental. Would you happen to know how I could get a 1973 yearbook? During my travels, there is a lot of theft with moving companies and lost boxes. During those moves, the book was lost. I am willing to pay for the shipping cost to have it sent and the purchase price if there is anyway I could get one. Thanks,
Jeff Durbin '73 Master Sergeant USA Retired

Hi, I have long lost my '71, '72 and '73 yearbooks and was wondering if ever people had duplicates they might be willing to sell. I would especially like '73 as that was my graduating class. I hope you will write me back if you can help.

Hey! If anyone out there has a '73 yearbook, they'd like to sell, I sure would love it. I lost mine years ago. Also, '71 an '72, but especially '73. Thanks! Hi to class of '73 all 800 of us.
kriste swanson watt (73)

It's nice to see that a few class reunions are going on at the same time in September. I am excited to be coming, does anyone know of any hotels that might offer deals to the out of state people that will be coming? Also I am looking for a 1973 and 1974 yearbook if anyone knows of how to get one I'd appreciate it.
Linda Stevenson Esposito (1974)

Dear Colerain Alumni: After a friend told me about my name being on the missing alumni list, I looked to see if I was truly missing. Sure enough, there's my name. Please make the corrections to the list. Thank you and thanks for the great newsletters. I really look forward to seeing them; your website is great too!

To Whom It May Concern: I have moved to 1170 Northwest Washington Boulevard #3, Hamilton, OH 45013. I would like to hear more about 1974's class reunion. I haven't been to one yet and would like to go to at least one of them. So if you wouldn't mind, please keep me in touch.
Thank you.

With all these reports of death, does anyone have any good news???
Sharon (1974)

WOW! finally a reunion, i'm excited. thank you to all who put the effort into this! i'm in MN. working at children's hospital with premies, have 3 sons 21,19,16.husband died in 1995 riding a bicycle and collapsed at 46,apparently his heart was like a 90 yr old. he was in good shape too. I didn't expect to be a widow after only 11 years of marriage, miss him greatly. but one finds strength to go on that you didn't know you had. my oldest made eagle scout, in st. cloud college, wants to be a HS counselor,19 yr old grad on the 7th,wants to be a cop, and my youngest 16,will be in 10th

grade, just found out he is diabetic, he is doing very well. we also have a little dog,cat,and a white mouse at our house. live in south Minneapolis .so keep in touch 1974.
alicia solt kiechle (1974)

I, too, wish to thank Myra and Barb for planning the 35th year reunion for the Class of 1974. I enjoyed the tailgating at the homecoming Cards game, but could not attend the picnic, as planned. It was great to visit with Myra, Barb, Linda, and Steve, and to FINALLY have a chance to see the 1974 yearbook! Thanks for that, Myra! It was interesting to me that most of us in attendance came from out of state. I have to give kudos, too, to the Class of 1969. They really put on a great reunion event . . . I loved their t-shirts! Something to think about for our 40th. Thanks, ladies, for a job well done!
Connie Langhorst (1974)

I would like to thank Myra and Barb for their efforts in organizing the class reunion of 1974. I was only able to attend the brunch, which was very nice and enjoyable. I will look forward to our 2014 reunion. (hopefully we will not be comparing what meds we're on lol!!!) Thanks again!

CLASS OF '74...Be sure to REGISTER for our 35th reunion! Complete details at:
www.chsclassof74.embarqspace.com
Myra McDowell-Lautner (1974)

Alicia, Thanks for your input in regard to the 35th reunion, trusting you will be attending and reuniting with classmates. I agree with your suggestion of sending paper invitations out to alumni inviting them to the reunion. Unfortunately some of the committee live out of state and we have never met together! We are fortunate to have several alumni assisting us with some of the details we are unable to handle being such a long distance from Cincinnati. Also the expense of the invitations, postage, as well as lack of some addresses. I know some alumni may get missed if they are not on the internet and that is unfortunate. Personally I have joined many reunion sites to contact alumni, there is the wonderful website Barb Meyer-Kraatz created and we also have a face book page. Press Releases have gone out and they will also be sent out again. I believe the BEST advertising is word of mouth, if everyone would encourage fellow alumni that would be GREAT!!! Again for those needing info, the website to register is www.chsclassof74.embarq-

space.com we really need a head count for the caterer, PLEASE register if you haven't already done so!

Myra McDowell-Lautner (1974)

ok,about this reunion of 74,has anyone sent out paper invites, some people may not have computers, after all our class was 776 something like that.usually a committee gets together ,divides names and sends out invites ,not rely on internet. sorry ,call me old fashioned.

alicia solt kiechle (1974)

Has anyone heard from 1974 Grad Fay Heil or Jane Christophel. Can't seem to locate them

Kim Kidd Burke (1974)

I'm trying to get in touch with any classmates from the Clerical Services Vocational Program from 1975. I'd like to see if we can try to organize a get together.

Debbie Anderson (Evers) (1975)

Surfing on the internet Colerain High School struck me. In 1973-74 I was the exchange student from the Netherlands and had a wonderful year. You might even have heard from the first International Exchange Weekend we organized. I visited Cincinnati and CHS again in 1976 and still met some old teachers there. (Lester Heizman for instance). Now days I still have contact with some old students like for instance, Scott Auble '75; I even attended his wedding. Lately, I have got in contact with Bill Jacobs who was president of the Student Council at that time. In the e-mail addresses, I even found some old students who I will send an e-mail. They will probably very astonished hearing from me after 35 years. I also read about the reunion of the class of 1975 a week ago. I did know about it. Maybe in the future, at least if there is a reunion planned for the coming years. I still can look back on a fantastic exchange year. Greetings,
Luke (Lucas) Haanstra '75

looking for beth hansells e-mail address, she went to Colerain around 1975. thanks

Greetings, Band Alumni! It's time again to start thinking about Alumni Night. This year it's Friday, September 18. We'll be playing and marching (if you can call it that...) again as usual. To receive information via email, please make sure your email information in the alumni database is current. Updates can be made via the RECORDS UPDATE link on the left menu. We usually meet around 5:30 on alumni night to practice with the student band. There's an optional rehearsal the Sunday before (Sept 13) at 7:00. Watch this website for more details.

Paul Wesolowski (1976)

Been looking for Caron Bradford. We once worked together at the dental lab many moons ago. Caron if you see this, I would love to hear from you!

Mary Zimmerman (1976)

I just heard about fellow classmate Mark Zimmer. He And I were best friends in Colerain Junior

High. He was a genius comedian even back then. Mad Magazine had nothing on us at even 11 years old! I last saw Mark at our 15 year reunion in 1993 and he was still a cool guy that remembered stuff from way back. Truly a Great Guy! Heartfelt condolences to his family.

Tim Gregory (1978)

Attended the St X/Colerain game @ Nippert Stadium - hardly recognized the band as being Colerain's with the Oak Hills (prior game) band still in the stands. I agree with the former post - what was so wrong with the red and white?

Dorothy Carter (1978)

Hello to all 1979 grads. Not sure anyone will remember me. I wasn't involved in a lot of things during high school as I worked too much. But I do remember some of the girls from our clerical class in the vocation center. Hope life is treating everyone well. Take care! Diane

So sad to hear that Mike Gramman passed away last week. For those of us who all went to Colerain Elementary together this is really sad news. I would like to let people know that Amy Leach Norman also passed away on Monday. So sad to see both of these obits on Cincinnati.com on the same day. She did not graduate from Colerain (she went to Princeton) but was a Colerain girl at heart.
Debbie Koch (1981)

Hey 1982 Grads.. I was watching an old movie from 1982 taken in the smoking area and around the school. WOW we really thought we were cool. Loved it and thought I would send a shout out to any of my fellow grads, especially the Dental Asst gals. Contact me via email Sheryl@MeissnerIns.com and lets catch up.

Greetings, I am Scott Bauer graduating class of 1982. Is there any information on how or what happened to Anna Freese Wayne class of 1983? We were good friends and just saw that she had passed on. Anything would be helpful. Thank you.

Wow! What a fun time! Thanks to all who made our 25 year reunion a memorable one!
Barb Corry (1984)

Our 25 Year Class Reunion Dinner was a success. I couldn't have done it without those who were able to help out. Lori (Pfalz) Hess...for helping get it all together with me. Her husband Mark...for letting me borrow his wife's time and efforts to get it all together and kicking in to help us. My friend and neighbor Sharon for doing all of the cooking for the dinner portion, Dave Clevenger and his brother for helping set up the hall, and last but not least my daughter for being very supportive and helping with the cooking and where ever she was needed during both events. Thanks to everyone who also helped with the picnic portion of the reunion.
Barb Bolte (1984)

Our 25th Reunion was great! Thanks to all who attended! To Barb Bolte, the head organizer, thank you very much for putting all the detail touches into this and putting all your hard work and all your time into this great party! For all who did not know - Barb hand designed and made all invites, keepsakes, that large picture board, etc., and all the "stations." Even though I assist her, Barb did the majority of the work. Thank you also to my hubby who helped out last minute. Thanks to all who helped: Jessica, Sharon, Dave, John, Tonya - and others from the picnic day.
Lori Pfalz Hess (1984)

Hey '84 alumni. I am coming into town for the reunion Saturday night. For those "too cool" to attend, where should we meet for the after party? I would love to hang out with old friends. After 25 years, I figure it is safe to resurface. Email me.

Hi everyone! Hope to see most of you at the reunion...If not, face book for sure! Have a great summer.

I agree, the school colors must not change. Colerain has been Red and White since the beginning. Beside it is a Red Cardinal.
Mike Kelley (1986)

KEITH CORRY (1986)

Hello, I was wondering if there is a way to find a name of a guest speaker we had at one of the rallies during the school year of 1986-87? I believe he was a comedian and a former cop. He also spoke that evening at the school. Any help you can offer is appreciated. Blessings,
Sheri Kopp Yonenaka '87

Fade to black. If this is true about Colerain changing their uniforms to black. This would be a disgrace to the alumni who cheer year after year for the red & white. Would the Moeller Crusaders change from blue and yellow, Would St. X change blue and white. Could you imagine the Elder Panthers telling their alumni that all black uniforms look better than purple(ya right). Yes black looks great it even makes me look slimmer, But to change your colors just because its cool and hip would show other schools that Colerain pride could fade to black.
Trent West (1987)

Hope you guys are taking care of my school! lolz. I was reminiscing a bit today about miss ya's. Oh, sorry to hear about Rusty's passing, he was a good friend.
John Gooch (1987)

Hello everyone, I tried to use the e-mail list on the site to locate an old friend from the class of 85 - Melissa (Bundy) McCarthy; but the e-mail address is bad. If anyone has Melissa's new info, I

would appreciate an updated one. Thanks Sean Wray (812) 760-5235 or sean@cornerstonetravelandmore.com

I have just learned today that the Alumni Newsletter inclusion of Rusty Balzer ('87) in the In Remembrance section is INCORRECT. He is, in fact, alive and living in Cincinnati. While I am very happy to hear this news, I do hope that someone associated with this newsletter could please correct the listing?
Julie Innis (1987)

I just watched the story on Ch9 News about Coach Wayne Wiggins. He spent the summer volunteering with his church in New Orleans framing houses.

Correction: Kay Culler graduated in 1960 and Ron Culler in 1962 or 1963 (Heck I'm not sure which one)
Tracy (Culler) Fuqua (1988)

Hello to all 1988 grads (especially those in Mrs. Lammers Administrative Support Class) Hope all is well. For those of you who knew her, I would like to inform you that my mother, Katharine Culler (Kay to most) Class of 1959--last graduating class in the old school passed away on May 31, 2008. She is survived by her brother, Ron Culler Class of 1961(new building) and myself (Class of 1988). Her mother, Virginia Cassidy also was a cafeteria worker at old and new building. I guess you can say it was a "Family Affair." I tell my kids now of all the fun we had at the football games and Edgewater Drag way.

Who was our class president ?? Does anybody want to do something to celebrate the fact that we have been out for 20yrs??!! REUNIONS

1955 55TH REUNION on Saturday October 9, 2010 at Clovernook Country Club. Information will be mailed out in 2010. Any questions call Gerry Miller Lucas 385-5178 or Pauline Kamp Myers 385-3715.

SUCCESSFUL 1959 REUNION

Our best reunion yet! How can it be 50 years since we claimed the halls and classrooms, tracks and playing fields, gym and auditorium and music rooms . . . and danced in the all-purpose room? And here we were, back in those same buildings, remembering . . . while a competitive few battled it out on the golf course.

We gathered on Alumni weekend, 70 classmates and 40 spouses etc., for a picnic at Colerain Park and a spectacular home football game where EVERYONE wore red shirts. We saw our football captains Gene Balsler, Nelson Smith and Jim Robinson honored and our drum major / trumpeter Ken Taylor back in the marching band. We came from CA, AZ, VA, FL, SC, MA, KY, TN, IN, NC, WY, TX, GA, OH/ We love to fish, travel, play with grandkids, garden, hike, sing, paint, quilt, play golf, listen to opera, dance -- and most of all, we value family. Many help in our communities, many are believers, mostly we are still married to our original spouse.

At Clovernook, each person's photo was taken on arrival, and all are posted on a website for us to add to and enjoy. After-dinner time included singing CHS songs, an original sung text for remembering by Taylor, and a stunning slide show by Don Lamb that made our yearbook come alive and put us right back in the pictures. Sunday brunch gave us another chance to make plans and say goodbye, for now. We were such a vibrant, joyful, energized bunch, how could this possibly be our 50TH REUNION? We feel too young for that!

"CAN YOU REALLY GO HOME?"

The Alumni Association received this letter from Arthur Johnson '67. It represents feelings that many former students have towards some of their teachers.

Dear Chatter,

There was an article a while back, "Can You Really Go Home", that touched my heart! I'm saying, "you go girl". The thrill of molding a young mind has to be rewarding. I have to agree, the quality of education that I received was definitely better than average, so I must tell my story. I would like to not only talk about the education, but the love that went with it. There is the difference! Golly, was my education getting messed up. I didn't do my homework. I didn't want to be in school. The year, I think, was 1964. After 8th grade, I had to leave the Poole road school, the kids I had been with since I was six! I attended White Oak Junior High for 9th grade then back to the new building on Cheviot Road. Two new buildings in two years and strange faces each time, I felt like a foreigner. Not only was school strange, but my parents were going through a divorce. My nerves were shot! I had Mr. Minder for 2nd period sophomore English. My kidneys weren't working like they should. Five minutes into the class, I would feel like I had to go to the restroom. I would try to wait but after fifteen minutes, extremely embarrassed, I would raise my hand and ask to go. This happened almost every day. Finally, Mr. Minder asked me to stay after class. I thought I was in serious trouble! Wonderful, short, stout, Mr. Minder, with his gray pasted wavy hair and glasses; Asked me to sit down. He said, "I know you play the drums". It was no secret I started in second grade and was in the school band. He said, "I bet you go home and beat them every day, Don't you?" Yes Sir, was my reply. He said, "That's how you get away from your problems isn't it?" "Yes Sir", I said. He said, "Do You know what I Do?" That floored me! People with gray hair didn't have problems, only teenagers did! He said, "I have a little room in my basement". I have records from my high school days in the thirties. He said, "I put on my headphones and nothing can harm me"! That freaked me out, He knew how I escaped! He then said "I know you have problems at home". He must have done some research. He said "If you ever feel like you need to talk to someone, I'll stay after school and get you a ride home!" Then he said, "And about the bathroom, just sit by the door and go when you need to, I trust you!" Talk about a life changing moment, someone trusted me, and saw some value in me when I had given up. School, I didn't want to be there. I flunked every other subject that year, But I got a "B" in English. His class was the only one that I did my homework in. I appreciated Mr. Minder, and I wanted him to be proud of me. He made the difference for me. He believed I was worth something. I went to summer school, graduated a year late and went on to college. Through out High School I had the confidence of knowing that if I needed someone, He was there! I hope his grandchildren get to read this. I hope it helps them get a picture of "The Man". And to all of the teachers at Colerain, past and present, Thank You! You make a difference!

Gratefully, Arthur S. Johnson 1967

I would like to add the name of my sister, Kay Culler '59, to the "In Remembrance" section of the CHS Alumni Association website. She passed away last year (5/31/08) of breast cancer. I saw that her daughter/my niece Tracy Culler Fuqua note this on the Message Board; however, Kay's name is not in the "In Remembrance" section. Regards, Ron Culler '63

I noticed that you have listed one of my classmates from 1968, Robert (Bob) Durst as missing. I can provide an update. Bob has lived in Anchorage, Alaska, since graduating from University of Cincinnati in 1973. He formed an architect firm in 1981. I am sad to share that Bob passed away two and a half years ago. He left behind his wife and three children. Randy Hughes '68
