COLERAIN BOWLER THROWS A PERFECT GAME

On January 6th, 2010 at Colerain Bowl in the second game of a 2,868 - 2,753 win over Lakota West; junior Matthew Crooker bowled a perfect 300 game breaking the school record of 290 set just two days before by senior team captain, Ryan Geiser. "Usually when I hit eight in a row, it always comes down to the ninth frame. Once I got the ninth, I knew I would carry momentum over to the tenth." Crooker stated. "My teammates were shocked." His coaches weren't. "Matt has been bowling for years, and he was just in one of those moods. He's a very confident individual, and he was in a groove." Assistant coach Dale Geiser said. "Matt is a very consistent bowler. He knows what he's doing and has carried the team's highest average all year." Stated head coach Debbie Potzner. Matthew started bowling at the age of 8 at Heids Lanes. Last season he was nominated for first team All GMC and finished the season with a 207 average. Matthew is looking forward to bowling for Colerain again this year as a senior. The season begins mid November.

Dear Members and Colerain Students,

Our student athletes are once again excelling and leading the pack of students receiving scholarships. Those who received scholarships this year were Allie Lekson, who signed with Eastern Michigan University for gymnastics and Allison Steinbeck for cross country and track with Taylor University. We also have verbal commitments from Trayion Durham with the University of Wisconsin, Chris Dukes with the University of Louisville, and Jarret Grace with Notre Dame. These students are truly great representatives of our student athletes. The Boosters are very proud of these students and the students still to be named. Congratulations!!

Thanks to all of you, we are having another stellar year in 2010. Because of all of your help, participation, and contributions, the Colerain Boosters has been able to complete projects and is going to launch a couple of new projects for the 2010/2011 school year. Be watching and listening how you can help with these projects.

We had a great Craft show, thanks to Shelly Gillespie and Stacey Tepe and all of their volunteers. Little Cards Night and Elementary Night were a huge success, thank you Susie Bolden and you're volunteers. Our next big fund raiser coming up will be the reverse raffle, and we will be getting those out this month so you can make your donation before you spend all of your money on Christmas. Our Stag, Monte Carlo, and Golf Outing information will be out shortly. Keep an eye out for those, we are making some changes that will be awesome. I want to personally thank all of you for all you do and remember, because of all of you, "We Are Colerain".

Thank you,

The girls were state runners-up in 1996, 2003 and 2004. The boys finished fourth in 1977, and the girls finished fourth in 2005. To honor these ten state appearances, the Alumni Association

Returning alumni Cross Country members and this year's Cross Country team.

Not only did the Cardinals defeat Hamilton, but cross country alumni had an opportunity to reconnect with their former teammates. Overall, the commemoration was greatly appreciated!" BOB HUGHES MEMORIAL GOLF OUTING

It was difficult to make the decision not to host a Bob Hughes Memorial Golf Outing this year. Even though we were not together to celebrate Bob's life, his memories remain a treasured gift. The years pass by but Bob is still very much a part of our lives, and his legacy continues touching children's lives through the scholarships. The scholarships will be awarded to worthy Colerain High School students in his name. The recipients for 2010 were Jake Forrester and Brandon Good. Jake Forrester is attending Xavier University and Brandon Good is at Saint Joseph College. Congratulations!

Donations can still be made to the Bob Hughes Scholarship Fund, and a ten-year anniversary golf tournament is being considered. Thank you for all your support and participation. Sincerely, Michele Hughes '62

Update on the History of Colerain. Mr. Eberly Hammack was the first Superintendent of the Northwest Local School District. Mr. Hammack had been the Superintendent of Colerain Township Schools since the early 1950s after serving as Principal of Colerain High School. His leadership in collaboration with the School Board resulted in the acquisition of property at 8801 Cheviot Rd. that would become the home to Colerain High School beginning in the Fall of 1964. Colerain Alumni Association (2010)

Hi Classmates: Been busy as usual planting up teen flowers. I planted 26 hanging baskets of pink, blue and red petunias-white. Dead heading them each and every day is a job to behold, but I love it. I don't keep track of the sports at Colerain, but certainly hope they are doing the best. Everything is best at Colerain High School. Can't be any different. Miss seeing classmates, but all are so busy. Have any of you thought about another get-together luncheon? I'll make calls if you like me to help out. Been four years since we had the last one, cause we just got our new Cadillac and it's four years old now. When I'm not driving my Jack somewhere, give me a call at 542-0144. I can always call in the evenings. Would be so nice to hear from you. Always thrilled to get the "Chatter". I read every word of it. Donation enclosed.
Thanks Mary Mosier Sparks '47

Colerain Alums, Please accept this donation to Colerain in memory of my Uncle Herb Muehlenhard. He was my Mother's brother and an outstanding athlete. In fact, I think he was one of the first recipients of the "Hall of Fame" award. Even though he played almost all of the sports teams, I believe he told me that "baseball" was his favorite. Sincerely, Patty Huss Cordova '58

CHS Class of 1960 had their 50th Reunion on September 17, 18 & 19, 2010. Dinner & social time was at Vinoklet Winery in the Pub Room on Friday evening. A group of graduates/spouses toured the "old" High School (now the Middle School) on Saturday afternoon. A dinner/dance was at Vinoklet Winery on Saturday evening. There was a DJ who played "songs from the '50s & 60s". A photographer took many pictures of graduates/spouses. You may view the pictures at www.CandidMomentsCaptured.com. A group met for Brunch on Sunday morning. Everyone had a "memorable" 50th Reunion~! Any questions/comments contact Patricia & Bill Rolfert at 513-385-6085 or prolfert@fuse.net.

As my 20- year reunion just passed, it occurred to me that old friends might be wondering about him. I wanted to let them know that he passed away from a heart attack in June of 1992. BTW...as long as I'm shamelessly plugging my CD...umm... ("Tis Of Thee")...you can check on the shelves or call The Public Library Of Cincinnati & Hamilton County under the name...you guessed it, ALLUS CATS. It's also, for sale in the gift shop at Mercy Hospital, Mt. Airy (the old Providence Hospital). -Paul Yuellig Paul Yuellig (1967)

Where's Melanie Singhoff? I wrote a song a long time ago about her beautiful, bright, flashing eyes and it'll be on the next CD I record under the name, ALLUS CATS. The song's title: "I See Your Eyes". The first CD I recorded is also under the name, ALLUS CATS and is titled, "'Tis Of Thee". You can google ALLUS CATS (not necessarily in all caps) and it'll come up on various internet websites-to hear samples. For those of you who remember me, I was a shy nobody who didn't stand out in anything except, for music.

I just discovered that my friend Carlee Howell(1967)died in her home of a massive stroke on 26 Jan 2010. She would have been 61 on 10 Apr 2010. I received the message from her sister Monique Howell. Jack was diagnosed with "Pre-Leukemia" in October 2009. It has been hard for him to give up living his life the way he used to. He has been through many ups and downs with this disease. He has been on chemo, had a stint put in to his chest, undergone many blood transfusions(too many to count) and taken more medications than most people take in their lifetime. The chemo was not working as well as hoped so he has been taken off of it and since then has surprisingly been doing a lot better. It has not only been a physical struggle for him but at times very emotional and

exhausting. As a family we have stood beside him and encouraged him to fight, and that is exactly what he is doing.. FIGHTING. So whether you are a family member, friend or co-worker please join us in the walk. It is a night to celebrate life and provide hope. If you cannot make the walk please consider donating, because every penny helps with the research, support and the fight against Leukemia, not only for Jack but for every other person out there suffering from this disease.WALK OR DONATE FOR JACK BERLING!!!! Greetings former band members! No - this isn't a solicitation for next year's Alumni Night. This year we had 31 alumni, which was great! I've created a facebook page "Colerain High School Band Alumni" to give band alumni a place to e-socialize and get updates on band alumni events (which will still be posted here as well). Pass the word. It's also very likely we'll have a parent/alumni band at one or more basketball games this year. Stay tuned...(pun intended)
Paul Wesolowski (1976)

It is Time to steer up the committee for our reunion 2011 *hint hint* Hi everyone 3> big hugs! "Spirit of '76" Ginny Moore ('76)

I didn't get to graduate from Colerain. We moved back to Alabama in the summer of 1975. I would've graduated in 1976. If anyone has an extra yearbook from '74, '75 or '76, I would be interested in buying them. Facebook-"angela-bethjonescook" or email acook40497@aol.com Is anyone in touch with Scott Gordon, Class of '75? Beth Jones (1976)

I am interested in a 75 and 76 year books if anyone would like to part with them. Thank you
Linda Perkins (1976)

I was wondering if there has been any updates on Mr. Hammond? Thanks!
Terri Stinson Farmer (1978)

Greetings Class of '78: Best wishes to you and your family! Wanted to let you know that on May 27th the Class of '78 Memorial Fund presented awards of \$250 to two Colerain seniors from the class of 2010. The awards were presented in memory of Curtis Mason and Tracy Krieg. The memorial fund came to be through the efforts of Karen Claybaugh as a way to show gratitude for friendships that developed at Colerain and to remember those that have passed on. She has worked unselfishly on this project and has been instrumental in planning reunions the last two years. Karen has given the baton to me, so I certainly could use any help you can provide in moving forward. If you would like to contribute to the fund for next year's class, have fund raising ideas, or would like to help out with the memorial fund or planning a reunion, just send a message to kenthmetzger@gmail.com. Thanks a bunch!
Ken Metzger (1978)

I taught fourth grade at Colerain Elementary School in 1970-71. I would like to get in touch with some of my former students. Amy Finucan was in my class. Does anyone remember Mrs. Porter and Mrs. Schnierle?
Sarajane Porter Willson (1979)

I drove from Harrison to Colerain High School to buy tickets for the Elder/Colerain game. They would not let me buy them since I did not live in the Northwest District. What a shame. We attend quite a few games during the year. I tried to

explain that we were past students, but she would hear none of it. My husband, Scott Janszen played football for CHS. I don't know what the answer is to selling these tickets, but thats just not right. Amy Janszen (Finucan) (1979)

I am trying to find Holly Minnich (1979). She had 2 older brothers, also Colerain grads, Reid and Mark. Amy Mischell Rivera (1979)

Does anyone have a 1981 yearbook to spare?? I have moved so many times it has disappeared. Thanks. Nancy Guttman (1981)
