ATHLETICS The 2011 fall sports season is winding down, but there have been many great moments for CHS student athletes. In girls golf, Taylor Smith set a school record for lowest 9 hole round, shooting a 39 not once, but twice. Our girls Cross Country team advanced to the regional meet, and individually Kristen Seiler qualified for the State Meet and finished 12th earning All State Honors. On the boys side, Erik Tomczewski led the way by being named all-GMC and qualifying to the regional championships with teammate Nate Sizemore. In volleyball, Maggie Weaver and Kristen Thompson were each named all-GMC selections. Our girls tennis team was led by Hayley Curtis and Jessica Feldman, who set a school record with 19 wins at 1st doubles. In girls soccer, freshman Madison Baumgardner earned 1st team all-GMC honors, while 3 other Cardinals made the 2nd team and in boys soccer, Kevin Walker finished the season 2nd in the GMC in scoring. In football, the Cardinals won their 12th straight GMC title, 2nd consecutive City championship, and qualified for the playoffs advancing to the Regional Semifinals. The season was highlighted by nationally televised wins at home against Cocoa, Florida, and on the road against Middletown. All in all, the fall season has been quite a success for Cardinal athletes!

A SPECIAL LETTER FROM THE CLASS OF 1934

Dear Alumni: The class of 1934 held its 77th reunion on a Saturday this year. Since there were only two of us present, we dispensed with a "Roll Call"! Seriously, I believe that Norman Purdy and me are the only two members who are survivors of the 1934 class. I also believe that a ghost writer may soon be needed for future letters from the '34 class since both of us are rapidly approaching our 96th birthdays. Getting back to our meeting—we were fine until all the Saturday "Little Leaguers", having completed their games decided to enjoy "a cold one" having finished their scheduled games for the day. The "Din" was so great that we couldn't hear or carry on our conversation – so we decided it was useless to carry on even though we had fresh batteries in our hearing aids. So we decided to meet another time and at another place – But not on a Saturday at 12:00 p.m. P.S. Donation enclosed – use it as you see fit! Bob Muehlenhard '34

ATHLETIC HALL OF FAME

Five former CHS athletes have been chosen as the fifteenth group of inductees into the Colerain High School Athletic Hall of Fame. The ceremony took place in May as part of the annual CHS Boosters Breakfast of Champions. Those selected this year were Rick Davis '76, Jason Hussel '94, Ronnie Alexander '96, Kelly Crum Young '00, and Mike Ferris '01. The Boosters will host next year's Breakfast of Champions on May 19, 2012. All interested alumni are urged to attend. (Click on the Alumni Website www.colerainalumni.com to see more info on the Breakfast of Champions and the Athletic Hall of Fame.)

The following acceptance speech was given by Kelly Crum Young '00. It expresses the feelings of many CHS alumni.

Good morning - it's an honor and distinct pleasure to share this morning with all of you. I'd like to start off by thanking the Boosters and the Alumni Association as well as congratulate my fellow inductees. A special thanks to Denny Hirsch, Rick Davis, Gail Davis and the athletic department for putting this wonderful breakfast and awards ceremony together. Colerain is blessed to have such a tremendous Boosters and Alumni Association. Our Boosters are known for being the best boosters in Tri-State area. The fact that we have such a powerful Boosters means that we are able to provide extra support and opportunities not only to our student athletes but rather all students at Colerain High School.

Being inducted into the Athletic Hall of Fame is an amazing honor, but what makes this induction even more special is sharing it with my students. As Denny mentioned, I'm the proud senior counselor at Colerain High School. As you can see, I didn't venture far from my roots. I vividly remember Superintendent Glatfelter addressing our cross country team after winning one of our many state championships. Not only did he congratulate us, but he told us how we would go on to accomplish even greater accolades after high school. It was his hope that we would all find a way to give back to Colerain High School in the future.

It wasn't until I took a job at a small school outside of Troy, Ohio that I realized I was missing something. The school and job itself had a lot of positive attributes, but I was missing a key element - connection. It was in that moment that I realized I needed to find a way to get reconnected with the Colerain community and give back to the school that gave so much to me. So this morning is about celebrating athletic achievements, and I would be remiss if I didn't take a few moments to thank all of the people that helped me to achieve along the way.

First, I'd like to acknowledge my husband/"high school sweetheart", Adam. Honestly, the man has spent WAY too many hours at track and cross country meets over the years. Fortunately, he made a wise investment because we are going on our 7th year of marriage and we have an adorable son, Auston, who just turned 2 this past week. My family - today, my mom, mother-in-law, and grandmother are seated in the audience. Once again, I appreciate everything that you did to make my life easier so that I could focus on my athletics, like the endless loads of laundry, making sure we had a stash of Gatorade in the frig, and not to mention, traveling all over the country to cheer me on. I'm truly blessed to have such a supportive and loving family.

My teammates - especially Catie Grebe Schmid, who is seated in the audience, who is more like a sister than a best friend as well as Alison Zeinner Rush, Gerri Buck Tangren, and Molly Nease Ahrens, who all live out of town and could not be here this morning.

Obviously, being 3rd in the nation and winning back to back to back state championships could not have happened without a strong bond amongst my teammates. We were best friends THEN, and we are best friends now. I cherish these friendships and memories made with these fine ladies while running at Colerain High School.

Last but definitely not least, I can honestly say that I would not be standing here this morning if it wasn't for one person - my coach, my teacher, my mentor and now my colleague - Ron Russo. After watching me run at the city championship in middle school, Coach Russo told me that I had some crazy natural talent and that I would be one of HIS best runners ever at the high school level. His belief and dedication to making me a great runner has been the greatest gift of all. Throughout my four years of high school, I always looked to him for ways to run faster, have an edge over my opponents, and break records. Looking back, those 4 a.m. runs, 2-a-day practices, interval workouts and hill repeats were all worth it. I left Colerain High School making history and I could not have done it without my coach. Thanks again, Ruse!

In closing, I'd just like to say congratulations to all of the student-athletes on all of their accomplishments made this year. For the spring athletes, best of luck in the next few weeks as you wrap up your season. Moving forward, take all of the invaluable lessons learned from being an athlete and apply them to your life - dedicated, be prepared, be a teammate, challenge yourself and most importantly - remember your roots.

Still in Mt. Healthy after fifty years. Don't know of how many of the class of 1940 is still around except for Andy Mack. I guess time marches on. Roger Laib (1940)

Hello to everyone. Are you tired of the rain? I sure am. Can't work in my flowers, pull weeds or do anything. Guess my yard man and his crew will have to do it for me. Think God is trying to tell us something. Jay Lukas just called me the other day. She's always got news for me. She said Melvin Helscher passed away. I am so sorry Thelma and Dale. I knew it was hard for me when my brother was killed with his own equipment. He was just 45. We just never know. She also told me she sees Carl Heitman at the mall and he's not feeling well. I feel so sorry, he always has a wit about him – never know to believe him or not – so funny. I'm so busy driving Jack back and forth to the doctor, I don't have much time for myself. I always tell my friends if they want to come to see me, call first, as I'm for sure home. I almost lost my touch for cooking. I fell off our front porch and I didn't think I hurt myself, but that night and a couple of nights later I couldn't sleep because of the pain. I hurt my foot. I had an x-ray but luckily no broken bones. I can do the dumbest things. We are going to have our eighth great grandchild in October. That's a thrill. It's going to be a little girl. Kids are so much fun to watch and they pick up on everything. My seventeen year old grandson is a waiter at Bob Evans on Colerain. He totaled his car the other evening. He hit a slick spot after the rain and tore a fence down and hit a telephone pole. He got pinned in his car but otherwise all right. I felt so sorry for him and he is a good driver. The police said it could happen to anyone. Car can be replaced but my grandson can't. Bless his heart. I'm a woman and they call me gabby and oh so I am. I know nothing going on at Colerain High School, but I am sure all the students are out for awhile now. Thanks for listening to gabby Mary. Have a good summer. Mary Sparks Mosier (1947)

I have been a Floridian since 1969. I have cousins (Van Nimans) And friends(Arleths) who attended Colerain, besides classmates. Does ANYONE EVER get to Florida? Regards, DON Don Grathwohl (1947)

Enclosed is a donation in memory of those who have gone before us from the Class of 1954. May God bless all of us who are still here. June Wolpert Gibeau (1954)

It is so nice to read about Colerain Alumni in the Chatter. Keep up the good work. I would like to share some of my good news. This past year I celebrated my 35th anniversary of doing my "Barbara and You" television program in central Massachusetts. Several CHS friends have been guests on the show over the years. I have also interviewed such celebrities as Johnny Cash, Tom Burgeon, Jerry Lee Lewis and Michael Dukakis to name a few. It's been a blast and I have no intention of retiring. I manage to get back to Cincinnati at least once a year and so enjoy visiting with the girls of '58. We've had fabulous

reunions including the three-year reunion with the classes of '56 and '57. CHS has come a long way since my Dad, Bob Foster, was in the first graduating class of 1925. There were eight graduates and I still have his classring. My grandfather, George K. Foster was the town clerk and partially responsible for purchasing the land at Springdale and Poole Roads. He also owned the Center Sweet Shop which he sold to Charlie Pickens, and most of us remember it being very daring to go to Pickens for lunch break. My school friends and I often say we are grateful that we were brought up in a good time and place. Bobby Foster (1958)

Hi! Are you still updating the Colerain Alumni website (hope so). Just received this note from Peggy Chambers Nolte Kammerer '65 that her former husband, Larry Nolte '64 passed away on May 4, 2011. Could you make note of this so others in his class will know. Sherry Rose Knight (1965)

Hi My Colerain Friends, Since so many of you often asked about my former husband and Colerain grad, Larry Nolte '64, I felt I needed to send out this sad news. Larry passed away May 4. Our youngest daughter sent out this communication below to friends and since many of you knew him, I thought it appropriate to share his words. This morning my Dad rose to heaven to meet Christ, and triumphed over his five year battle with the mantle cell lymphoma that broke his body, but never his spirit. Although the lymphoma that he fought with two bone marrow transplants and countless chemo, was linked to his intense agent orange exposure in Vietnam, even to the end he never regretted signing up for the Marines on his eighteenth birthday, volunteering for combat, or serving as an Air Borne Force Recon Marine. He loved his country almost as much as he loved his family. I always said he was so tough because his body was just scar tissue and heart. We told him that the Seals got BinLaden, and though weak, he managed a response. We were blessed that his transition was relatively quick, he was surrounded by his family, and true to form, most of his last full words were his grandchildren's names. Peggy Chambers Kammerer (1965)

Does anyone know what happened or where Patty Smith is?? Class of 1971. She was my best friend, but I moved away and lost track. Just like to know if she is ok. Lisa Mullin (1972)

ALL CLASSES READING THIS POST - With the recent and lasting success of the Colerain Football program - I am gathering any interest "on the ground" at Colerain - in assisting Colerain to travel to Texas as part of the Kirk Herbstreit Classic at Cowboys Stadium - maybe 2012? (I do not believe the games have been set yet) - I know there are rules, policies, financials, etc that may stand in the way - but can they be overcome with help from the Colerain AND Ohio fan base that would relish the opportunity for a Texas vs. Ohio high school game on national TV in the house that Jerry built? Idea-travel Labor Day weekend, play early game (1030 AM) of the 4 games on Monday Labor Day, and fly back to CVG that evening. This would be a fitting milestone in the history of Colerain football - for current and future generations of our loyal fan base - NOT TO MENTION THE EXCITEMENT OF A TRAVEL DATE AGAINST A TOP LEVEL TEXAS PROGRAM! THERE HAS TO BE A WAY WE CAN MAKE THIS HAPPEN! Reply to this message board or send me an email - I am living in the DFW area and will pledge to assist at this end - all the arrangements necessary to pull this together - Check the Class of 1972 varsity football picture in the back hallway - "Old Number 77" Look forward to hearing from you! GO CARDS! Mike Remias Mike Remias (1972)

ATTENTION DRUMMERS from the Colerain High School Band Drum Section of 1971. For most everyone, it's been 40 years since we last took the football field and played a half-time show. I am proposing that the drum section of 1971 come together to not only participate at the next Colerain High School Football Game Amumni Night, but to also re-learn and play our old drum cadence. Is anyone up for a little adventure? We've got 6 months to get ready. Let me

know if you're interested and spread the word. I'll post the drum scores asap. In the meantime, grab some drum sticks and practice those rudiments. I hope to see as many of you as possible this fall. dwcasey3976@verizon.net Don Casey (1972)

In your recent Chatter Box newsletter, it was a article about the first Afro American to play football at Colerain, I do not know if the research was done because a statement I made last year concerning myself. If remember I stated I was the first Afro American to be a starter on the football team and the first Afro American to receive five (5) letters for sports (1972-1973) Football, Basketball and Track. Also in deserving mention for the young men and women attending now I am proud to be part of history of Colerain High School. Also hey Mark how are you doing if you still have that copy of the 1973 yearbook please contact me at (513) 371 0506. Go Cards: Paul A., Ware Jr (1973)

BOB HUGHES MEMORIAL GOLF OUTING

It was difficult to make the decision not to host a Bob Hughes Memorial Golf Outing again this year. Even though we were not together to celebrate Bob's life, his memories remain a treasured gift. The years pass by but Bob is still very much a part of our lives, and his legacy continues touching children's lives through the scholarships. The scholarships will be awarded to worthy Colerain High School students in his name. The recipients for 2011 were Allison Berg and Andrew Boiman. Congratulations! Donations can still be made to the Bob Hughes Scholarship Fund, and a ten-year anniversary golf tournament is being considered. Thank you for all your support and participation. Sincerely, Michele Hughes
