## WHAT'S BEEN HAPPENING

### CONGRATULATIONS COLERAIN HIGH SCHOOL!!

For years Colerain High School has been known for its' athletic strength, but not equally known for its' brain power. After two years of following an Ohio Academic Standards-based curriculum, taking model practice tests, and just working hard Colerain received an "Excellent" rating. "When I heard the news, I cried and got goose bumps," said Principal Maureen Heintz. "Inside this building we've all known we had what it takes all along and now the world knows." According to Heintz, after preparing for this test, all students are better prepared for life after graduation. In preparation for this test, students were exposed to more class and tutoring options. "Our students are now better prepared for college and the world," Heintz said. "These achievement standards have made us much more accountable day in and day out to provide students with a better education. As a result, students are more motivated, staff moral is at an all time high, and everyone can take ownership," Heintz said.

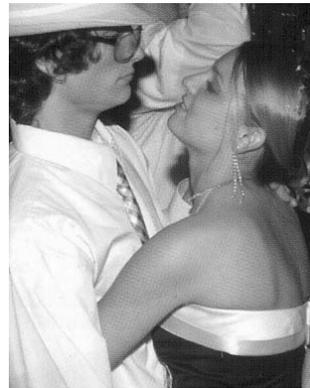

**EXCELLENT!**

### CONGRATULATIONS COLERAIN HIGH SCHOOL - AGAIN!!!!

The North Central Accrediting Organization evaluates all high schools in Ohio on a periodic basis. This past year Colerain High School was evaluated. The evaluation was based on all areas of school life such as curriculum, test results, community involvement, extra-curriculars, etc. Colerain received a perfect score of 294 out of 294 possible categories. Only three high schools in the state of Ohio have received a perfect score on their North Central Evaluation.

### DUPLICATE NEWSLETTERS

We are sorry if you receive two copies of Chatter. There are two lists that we use. One is the Alumni List and the other is a Booster list. It is time consuming to sort between both lists and so some people receive duplicates. The extra cost is so minimal that the time it would take to sort each list would not be worth the effort.

Matt Haverkamp '94, passed away on July 15, 2005, in a car accident. He will forever be remembered by the many people he touched in the short time with us. As a way to keep Matt's memory alive and to celebrate his life, friends and family formed a non-profit organization, the Matt Haverkamp Foundation. The foundation's purpose is to raise funds to benefit causes that were important to Matt. Matt Hirsch '92

I wanted to call your attention to the death of my brother, Nathan W. Schroeder, Colerain class of 1995, son of Gary and Pam Rahn Schroeder, both class of 1968. He was killed in a tragic car accident on October 16, 2005. Please remove him from the e-mail address list and add to your In Remembrance list. I hope everyone knows how special his time at Colerain was and how much he loved all of his wonderful friends there. He is so sadly missed. Thank you, Tanna Schroeder Slaven '98

**OLD MT. HEALTHY AIRPORT**

This 1931 photograph was sent to us by Chris Seibert '33. It is a picture of the old Mt. Healthy Airport. Back Row: Chris Seibert '33, Lee Thomas '32, Don Browning, Sheridan Hahn. Front Row: Ray Rettig '33, Ed Alfing '33, Joe Graff '33. The picture shows an old two wing Bi Plane. These old Colerain grads had just washed the plane in exchange for a ride.

Memorial for Elmer Wullenweber past away 1983. Class of 1937. I really enjoy the Chatter. Thank You.

**Dorothy Wullenweber Nullmeier**

I don't know why I get calls on different things about Colerain. Several members of the baseball team, (there aren't many of us left), and a couple of Grads, wanting to know why Gordon Schiering isn't in the Hall of Fame as he is the only baseball player that pitched a winning State Tournament Baseball Game. That team is still the only one that went to a State Tournament, in Baseball. WE were just a bunch of farm boys, and Gordon is still a farmer running a farm on Colerain Pike, that was handed down from his Grand Father to his Dad and now to him. Just a thought. Thanks for all you have done and all you are doing for Colerain.

PS. My wife always tells me that she hopes I am no around of someone says something bad about Colerain.

**Andy Mack (1940)**

Thought it was about time I sent in a donation, and to say thanks for those who put on the 2005 Teach In. First Class all the way. From the time we were met at the door, escorted to a room where we were served a lunch by quite a few students, teachers, and facilities members we had a great time. We were questioned as to how it was when we went to Colerain. It sure wasn't like it is now and we agreed that we never ever thought Colerain would be like it is now. We were given a tour of the school and told of what is going on at the school. By the picture 17 of us old dudes were there and those that didn't make it, sure miss out on a good time. We did have a chance to talk over old times with those we haven't seen for awhile. Remember we had Grads from "33" through "43". I wish some of these Grads would write some of the things that went on those years. I will finish by these two happenings when I went to Colerain. I think up until 1938 we wore out baseball uniforms to school on game day. The other was that after the basketball season was over we had a School Tournament. Each grade eight through twelve entered a team, boys and girls. We played at noon and I think during the Club period. On Friday- noon classes were called off and tournament games were played until we had winners. Some of the games were played for blood no love lost. When I was in the eighth grade we had a good team being runners up in the County Tournament. In the School Tournament we played the seniors and lost. That should do it for now. I have other stories. Thanks.

**Andy Mack (1940)**

I love it!! I thank you!! In "Chatter" Vol 38- Nov. 2005 Page 4 article "Early Commencement Programs", my family and especially my mother was mentioned, i.e. Edith Frey. We are 9 children. The first 6 of us graduated from Colerain: Bob-1936, Dave-1937, Jack-1938, Jane-1942, Tim-1944, Dick-1946. And yes, I know Richard Huber '41, who wrote the article. As a priest, I have had the funerals for 2 of my 1944 classmates, namely Howard (Red Thie) and Ed Seibert. R.I.P. Thank you for the GREAT job you are doing. More later. Peace and love.

Rev. Thomas Beischel (1944)

The Class of 1945 celebrated our 60th reunion in Oct. 2005. There were only five graduates there, but with spouses and visitors we had a good group and a good time was had by all. We received a few letters back with the wrong address and I would appreciate it if any of our class mates would notify me of a new address. We were all saddened to hear of the deaths of so many of our class mates since the last reunion five years ago. They were Kenneth Bokleman, Paul Thie, Ginny Keith Meyer, Corky Snyder, Gene Struble, and Patsy McCann Wells. If there were any others I wish someone would let me know. We also decided to have a reunion every year now and I hope we have all the address by then. I also want to notify you of the death of my step-brother, Charles Cox in March of 2005. I'm not sure of his year of graduation but you have him on your records as a scholarship donor. All the stories about the Mt. Healthy airport sure brings back memories. I lived near there on Struble Road. Keep up the good work and I am sending a donation for the Chatter.

**Lila Lee (Hondley) VanStone (1945)**

A note for the Chatter. My sister, Althea Weber Allgeyer, passed away September 14, 2005. She was a 1940 graduate of Colerain High School. Enjoy reading the Chatter. Keep up the good work! I'm enclosing a donation.

**LaVerene Weber Werdling (1945)**

What a pleasure it is to get the Chatter. Interesting to learn what all is going on. Christmas being over, I'm now looking for blue and sunny days. Want to get outside and work in the yard keep me healthy and

happy. Would like to hear Joan Helen Whigard. She was my Home Ec teacher in 7th grade. I always admired her. Helen, if you see this in the Chatter, write to me at 5951 Thornhill Ave., Cincinnati, OH 45224. Think of you so often. I ended up marrying Jack Sparks (remember him?) We met in the second grade. Have two children, six grandchildren, and five great-grandchildren-oldest is 16. Hard to believe where the years went. Still see a lot of the girls I graduated with. We get together for lunch and have a fun day. Keep this Chatter rolling. Donation enclosed. Thanks.

**Mary Mosier Sparks (1947)**

I regret to inform you that we will NOT be having a 50th wedding anniversary in Cincinnati this coming July. Pat's health makes travel very uncomfortable; therefore we will not be in Cincy this summer. We so much hoped to have all our friends join in our celebration. Love to ALL and God Bless.

**Dick Berlier (1955)**

Airports: Thanks to all with info on the 2 airports in question. When I read the name Lakewood it rang a bell with me. There is a picture on page 9 ( November Chatter ) in the lower right hand corner showing Groesbeck school. If memory serves me correctly the large building in the center of the picture is the old Groesbeck Tavern. Those who remember Ruth Lyons of Cincinnati tv use to visit the tavern on the weekends for a little partying. I believe it was once a hotel. Thanks Bob

**Bob Wilson (1960)**

Please accept this donation (as if you wouldn't). I enjoy catching up on my friends and the news at CHS by reading the 'Chatter'-I just found the website-you need to mention that in the 'Chatter' Keep up the good work

**Susan Anderson Beck (Eickbusch) (1963)**

A 1979 Classring was found in the Beechmont Ave area. If you think it belongs to you contact Earl or Barbara Drayer at 513-941-4364

**Denny Hirsch (1964)**

I must admit, your publication has grown considerably, in look quality and quantity, since I first received a copy. While I still am in touch with a select few of my classmates, it is good to hear about Colerain, past and present. Keep up the good work. \$25 for me and my fallen buddy, Bill Baker.

**Marty M. (1965)**

My ex-wife, Carole J. Copenhaver (Lowerly) passed away on Feb. 1, 2006. She was in the class of 1963. I would appreciate it very much if we could get her added to the In Remembrance section of the website. If you need any more information, please contact me at 859-866-2024, or e-mail me at elktrut1947@earthlink.net. Thank you very much.

**Tim Copenhaver (1965)**

This is a site I created through a new Google feature to help Colerain High School Alumni and friends keep in touch with each other. It's a Google map that allows people to register to show where they live with a map marker and I thought this would be useful for the Colerain website. Take a look <http://www.frappr.com/colerainhighschool>

**Carl Burroughs (1966)**

For the ongoing where-were-the-airports controversy, I dug out an early 1950s sectional and see that both Mt Healthy and Lakewood are shown as turf fields, not paved. Yet the shot of the three F-86s appears to show a paved surface (setting aside the advisability of landing an F-86 on turf). Lakewood is shown to have fuel available. Best rgds to all...

**Barry Wallis (1966)**

The report of Mr. Browning's death last October brings to mind the following story: In the 1963-64 school year one of Mr. Browning's lectures in his world history class concerned the dueling societies of 19th century Germany and how for the duelers a scar on the cheek near the eye was a sign of courage. He added that if he ever were to cut himself high on the cheek while shaving he planned to pour salt into the wound to create such a scar. The following morning he found a small box on his desk. Inside was a razor blade and a salt shaker.

**Larry Bullis (1966)**

To Barb who found the 1969 class ring: I tried to email you directly but it got bounced back. If the initials in the ring are actually "RSB" instead of "RSP," it may belong to my brother, Richard S. Bullis. Until recently he resided in Wisconsin Rapids and Plover. Since he now works as a full-time over-the-road trucker, I cannot easily ask him if he has lost his class ring. Please email me at lbullis@dancris.com if this may be his ring.

**Larry Bullis (1966)**

Gregg Mortimer, class of 1968, passed away this morning at Hospice of Cincinnati. Gregg was the owner of Mortimer Heating and Airconditioning in Montfort Heights.

His children are all Colerain graduates, Kristin and David Mortimer and Beth and Chris Grote. He had six grandchildren, Tyler and Holly Hosbrook, Sadee Mortimer, CJ and Calvin Grote and Ben Blaylock. And he had a beautiful and completely devoted wife, Donna Mortimer. His Mom and Dad, Marvin and Margaret (Honey) and brother Glen also survive him, as well as so many much loved Aunts and Uncles, Cousins and so many friends. We will all miss him terribly.

Enjoy reading the Chatter Class of 1974; Gosh has it been that long?

**Cheryl Floyd (1974)**

Hello, Colerain Grads...I live with my husband, Tom, on an island (Tierra Verde) near St. Petersburg (FL) these days, but enjoy receiving The Chatter newsletter. I sell real estate by day and am an editor and featured writer for a local newspaper, writing at night. Never enough hours in the day...My first book, a memoir, entitled FINDING HAPPY will be published in January '06, so look for it at bookstores or buy it online at [www.AuthorHouse.com](http://www.AuthorHouse.com). It is a postcard from the heart to the city I love (and

miss...except for the snow), Cincinnati! Go cards! If you remember me...drop me an email or better yet, come visit our beaches...the sun is always shining!  
**Connie Langhorst (1974)**

Check the website from time to time to see what has been posted. Have found that several Colerain Alumni live in Florida. I am in the Tampa Bay area (Oldsmar) and do my best to keep up on what is happening with Colerain. Congrats to Kerry Coombs for being nominated as a finalist for the NFL High School Coach of the Year. Waiting to hear he won it. Enjoy wearing my State Champs sweatshirt when it gets cold. Great job to those that take care of the website and newsletter.

**Doug Bevis (1981)**

Hello class of 1981! Can you believe it has been nearly 25 years since high school!? I would love to hear from anyone who would like to drop a line. Matthew and I have been married for 20 years and we have two children: Bethany, 17 and Matthias, 6 (he keeps us feeling young!). Are there any plans for a 25 year reunion? Kudos to the folks who maintain this site. I just discovered it today. Blessings to all!

**Darla Elliott Zajicek (1981)**

Hello Alumni of Colerain High! I stumbled on your web site, and was very glad to have found it. However, I wanted to help you update your records, at least on me. I'll let my siblings know of your site as well. I'm Stephanie Lockett, but my maiden name was Fehl. I graduated in 1982. I was Stephanie Strother (from 1983-1996)-your records show that. Other Information: Stephanie L. (Fehl) Lockett, graduated 1982. Current Address: 4337 Wehner Rd., Kettering, OH 45249 (937) 298-0585, stephanielynn1964@yahoo.com. Siblings: Emery B Fehl (1980), Adrian J. Fehl (1984) Melissa J. (Fehl) Barrett (1986). I would love to be able to hear of class reunions, info, or updates. My folks have moved, and we don't seem to get much news about CHS. The site is great! I'm so glad I found it. (However, when I tried to connect through the link provided for Outlook Express for e-mail, the system would not work) I appreciate the time given to the website. You all have done a wonderful job. Thank you so very much. Stephanie  
**Stephanie Lockett (1982)**

I'd like to congratulate Dave MacKay on being awarded the Distinguished Graduate Award. I was a sophomore on the cross country team during Dave's senior year and I remember that Coach Meibers named one

**Tony Scarpellini (1991)**

Hello class of '91. Just wondering if anyone from our class checks this message board? It seems we've allowed ourselves to become too busy, that we haven't kept in contact with one another. I've let geographical distance prevent keeping in touch, but what about the rest of you? Send me an email sometime and let me know what you're up to. Anyone heard from Ariel Falk?

**Michelle (Hines)Wudke (1991)**

Hi everyone, apparently I am emailing from beyond the grave. Not to make a nuisance of this, but my death has been a might bit exaggerated. As has my sister's. She is living in California. The key phrase there is living. I should stress that we are both living. I know that may stress someone out, but if you need to have confirmation, I will see if I can get my doctor to post my vitals. Please could someone retract me from the in remembrance section? If you have questions, please email. Please at least verify someone's vital stats prior to posting them to the in remembrance section. Thanks.

Hi I graduated in 2004. I was a t UC one day last spring and I set my class ring down on the steps and forgot to pick it up when I left. I remember I was sitting next to a girl I had seen at Colerain but from a different grade. Thank you so much.

**Mindi Leach (2004)**

LOST a class ring.. 2004, I was sitting next to a girl who I remember seeing when I was in High School, wondering if she picked them up...

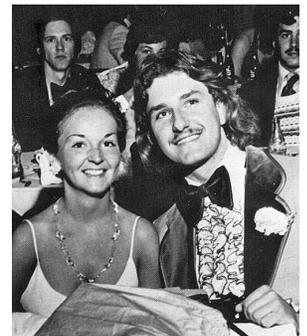

**Mindi Leach (2004)**

To anyone having information: Recently while cleaning out my now deceased parents I found a class ring from Colerain that my father had dug up while using his metal detector. Whils I did not go to Colerain I would like to locate the owner of this ring. It is a mens class ring from the class of 1987 with the first name of Keith on the outside of the ring. I am having trouble reading the last name on the inside of the ring but believe it is "Kieth A. Brunner". Again I'm not 100% on the last name. If you have any idea who this might be please forward my e-mail to the. Thanks in advance for your help. CC hazfire308@fuse.net

## DISTINGUISHED GRADUATE AWARD NOMINATING PETITION

*We are seeking to recognize deserving graduates while at the same time, providing inspiration for our present students. The graduates inducted may be from any area of endeavor. This is not an Athletic Hall of Fame. A separate Hall of Fame was established in 1997 to recognize the Athletic accomplishments of Colerain graduates. Likewise, nominees need not have had outstanding high school records nor is college attendance a requirement. Additionally, nominees may still live in the community or they may be far removed. Regardless, any Colerain graduate is eligible to receive the Distinguished Graduate Award.*

### **Nominations/Eligibility:**

1. Petitioners must sign petitions or the petition will be invalid.
2. Petitions must be submitted to the high school office in person or by mail.
3. Any graduate of Colerain High School is eligible to receive the Distinguished Graduate Award. This includes any student educated before 1925 in schools that became part of Colerain High School.
4. The nominee must have graduated at least five years prior to the date of induction
5. Those nominees selected for induction by the voting committee will be notified by the committee chairperson.
6. Nominees not selected will remain on the nominee list for further consideration in future years.

The Boosters have completed another successful year and wish to thank all of the volunteers and contributors who provided support above and beyond the call of duty. Since its founding in 1948, the Boosters have worked to meet the needs of **all** students involved in extracurricular activities. There is a strong sense of community associated with Colerain High School and this is evident by the number of alumni who remain in the area and choose to send their children to Colerain. Alumni recognize the quality of education provided as well as the vast number of extracurricular activities available for their children.

A perfect example of the support provided by our alumni and the community as a whole has been the support provided for the installation of Field Turf in the stadium in 2004. The Boosters are currently making monthly payments of \$10,000 to reduce the **\$500,000 loan**. The current balance is approximately \$325,000. It is the Boosters' goal to pay off the loan within five (5) years. Over 800 individuals and families have contributed to this worthwhile project as well over 50 corporate partners. Contributions have come from over 25 states ranging from Washington to Florida and points in between. **No taxpayer dollars** have been spent in support of this project!

One only needs to drive by the stadium on any given day to see the benefits that the field provides for our students and the community as a whole. Since its installation, the field has been used regularly for Physical Education classes, marching band competitions, youth football games, cornhole tournaments, lacrosse tournaments, middle school football games, soccer, baseball, and softball practices in addition to Varsity, Junior Varsity, and Freshman Football games.

The Boosters also continue to support the Band, Orchestra, Show Cards, Student Council, Drama Club, Colerain and White Oak Middle Schools, over 20 sports at the high school and provide annual scholarships. Support of these groups and activities is accomplished through funds generated from a number of Booster events such as the annual Craft Show, Antique Show, Monte Carlo, Golf Outing, and Stag.

You can see these events listed on the Booster Web Site at [www.colerainboosters.com](http://www.colerainboosters.com) or you can be added to the Booster mailing list by providing your e-mail address for regular updates.

We encourage all Alumni to support the Boosters and look forward to seeing you at events during the coming school year!

Sincerely,  
 Gregory K. Stanley '75  
 President, Colerain Boosters
