Not many high schools' football teams can boast that they have been on the History Channel!

# Snow – Stardom – Success at Colerain High School in 2010

The winter of 2010 brought several firsts to Colerain High School. It brought more snow than we have seen in 20 years. Even greater successes to our already excellent performing arts programs and more awards and achievements than we ever had in our winter athletics programs. And yet, these firsts really just build on the tradition of excellence that is the hallmark of Colerain High School. Here are some of the highlights of winter of 2010.

Above: 2010 Regional Semi-Finalist Boys Basketball

Below: 1967 Regional Finalist Boys Basketball

The 2009/2010 boys basketball season was a year of memorable accomplishments. Picked towards the bottom of the GMC in the prediction the team was able to finish third with a league record of 10-4. Also, the team was able to finish the regular

season with a 16-4 record which was the most wins in a season for a Colerain team since the 1992-1993 campaign. The accomplishments in the regular season was just the start of a team that will go down as one of the best in school history. During the State Tournament the team was able to capture just the Third Sectional Championship in school history, and only the Second District Title in school history which allowed the team to advance to the SWEET 16 (Regional Semi-Finalist).

The Lady Cardinals had finished another great season with the record of 17 and 5 and a trip to the sectional finals. They were lead by their first team all Ohio and Xavier signee Ashley Wanninger. Miss Wanninger served as both a captain a role model for her teammates on and off the court. She broke the Colerain High School career scoring record scoring over 1200 points in addition to numerous awards and accolades. Ashley received the Division I Southwest All-District Player of the Year, Sports Woman of the Year, McDonald's All American Nominee, LaRosa's Player of the year, 1st Team All State, and nominated "City Player of the Year" just to list a few. She will be deeply missed not only for her scoring prowess, but because for the last four years she has been the heart of the Colerain Program. Girl's Basketball is looking forward to another summer of growth and continued success in out program.

Congratulations to senior Lauren Weaver who made her fourth appearance at the State Swim Meet this past February. Lauren placed 3rd in the 50 yd freestyle and 11th in the 100 yd freestyle. Lauren was the GMC Champ in the 50 free and the 100 fly. She was the sectional champ in the 50 free and the 100 free and the district champ in the 50 free. Lauren will be competing at the college level for Duke University.

Congratulations to sophomore swimmer Chris Campbell who was the first boy in 12 yrs to qualify individually to the District meet at Miami University in February. He qualified in the 50 yd freestyle and is hoping to qualify for the state meet next year.

Wrestler Jake Hammer finished his junior season with a 31-12 record and 21 pins. He became Colerains 23rd state qualifier this season while finishing at the top of his weight class in nearly ever tournament he com-

peted in throughout the year. Jake was a team captain this season and has one more year left to get on the podium at the state tournament. Jake has plans to wrestle in college after high school.

The winter guard and winter percussion had an incredible season. Both groups earned the Silver Medal at Championships and also made finals at the Winter Guard International Regional Championships. This was the first time in the history of the school that this was accomplished. The winter guard finished the year ranked 8th in the country and the winter percussion finished the season ranked 4th in the country.

This year, the Colerain's Show Cards competed at eight competitions in the Midwest. For the first time in the history of the group, the Show Cards won more the two titles, taking home four Grand Championships, two second place trophies and one third place along with various awards for vocals, soloists, choreography, band, crew and many others. In the end, the Show Cards finished 19th out of over 500 choirs and 5th in State. Way to go Show Cards!

Will Wagner, bassist in the CHS Orchestra, Chamber Orchestra and Jazz Band, has been accepted to the prestigious Berklee College of Music in Boston, MA. Berklee is the one of the world's premier music schools with an exhaustive list of accomplished alumni including Gary Burton, Diana Krall and Quincy Jones to name a few. Will is the son of Chris and Claire Wagner and attended Colerain Middle School and Houston Elementary School. Please join me in congratulating Will and his family!!

Our Art Department has been busy Megan Mudman has had her work of art "Mudusa" accepted to be exhibited in the 2010 Cincinnati Art Museum's Art Show which starts Friday, April 16th, 2010.

Students in Colerain's Advanced Design Class will unveil their large scale peace mural to the Colerain Community at the Borders on Colerain Avenue on Friday, April 16th. They would love for everyone to stop by and see their painting.

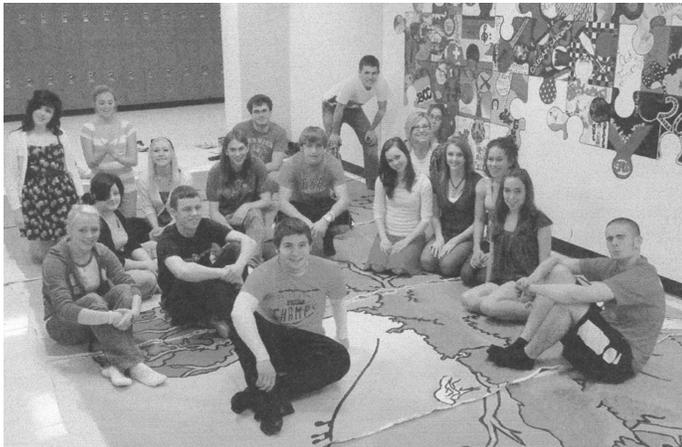

Cardinal Textwire has helped Colerain High School students stay connected with the Colerain events. If Alumni would like to subscribe to the athletic updates, info and scores from our teams. You simply subscribe via mobile phone, text 24369 to the Phone number **91011**.

Maureen Heintz**

## COLERAIN HIGH SCHOOL'S MESSAGE OF PEACE

On March 1st Colerain High School Advanced Design Art students and art teacher Carrie Barnett with Cincinnati artist, Jahaziel Minor, embarked on an artist journey, one that would end with a Guernica sized peace mural (23'x11'). This peace mural illustrates both local and global images of peace. An Unveiling Event was scheduled to share this universal message

with the people in our community on Friday, April 16th, at 7:00 pm, at Borders bookstore near Northgate Mall. The Colerain The mural concept is inspired by KIDS' GUERNICA International. KIDS' GUERNICA is a project for children in different places of the world to create peace paintings on huge canvases the same size as Pablo Picasso's "Guernica", 1937 (11'5" x 25'5"), which protested against the brutal bombing in the town of Guernica during the Spanish War.

Students discussed personal and global images of peace and worked with Jahaziel Minor to create a composition they felt would express their idea to a global audience. Work on the actual canvas began on March 1st (the beginning of national Youth Art Month) and was completed within a two week period. The mural was then sent to our seamstress (a volunteer parent) and then on to FASTSIGNS to prepare it for hanging. Part of our participation in this project is to document the various stages of the process, much the same as Picasso did with his painting. The photo documentation along with a photo of the final mural will be submitted to KIDS' GUERNICA International at the completion of our project. The beauty of this mural is that it will be portable and we can display it throughout the community. If we are able to secure funds for shipping, we also have the option of participating in International Exhibits that are sponsored by KIDS' GUERNICA International.

This year has been another great year for the Booster community. Our alumni and volunteers have once again made it possible to do all of the amazing things we do for the students of Colerain. Our booster organization makes it possible to give our student body the support to compete and succeed in our league. As Booster members we should all be very proud.

I would like to give special congratulations to Lauren Weaver for her fourth year in a row to the State Swim Meet. Best wishes also to Lauren as she extends her swimming career to Duke University. My congratulations goes to Ashley Wanninger for making 1st Team Ohio, 1st Team All GMC, City Player of the Year, and her nomination as McDonalds Player of the Year among a few other awards. Best wishes to Ashley as she extends her career in basketball at Xavier University.

I would also like to extend my congratulations to all of the student athletes who participated in any sport or club for this season. Over 19 student athletes were offered scholarships to play collegiate sports. It takes a special person to not only get their school work done with good grades, but also put their time in after school to compete at the level of competition expected at Colerain High School. Each and every one of our student athletes is a special student, and because of the tenacity, endurance, and desire to be the best, they will be sure to succeed in their lives.

I wish all the the Senior Class of Colerain a farewell and thank you, and also a thank you to parents for your continuing support.

Sincerely,

Greg Davis  
Booster President

## UPCOMING EVENTS

**ALUMNI-ELEMENTARY NIGHT** Mark your calendars for Friday, October 8, 2010, and come out in force to support your team! The Cardinals host Hamilton. At half time there will be the usual festivities featuring the Distinguished Graduate Award and Alumni Band (contact Paul Wesolowski). There have been nine boys' or girls' cross country teams who have advanced to the final four in the state tournament. Colerain girls won the state in 1997, 1998, 1999, and 2000, were runner-up in 1996, 2003, and 2004 and finished fourth in 2005. The boys have won the state title in 1978 and finished fourth in 1977. The members of all these teams will be the half time honorees.

**SPRING EVENT 2010 ATHLETIC HALL OF FAME INDUCTEES** The Boosters will again select former athletes to the Athletic Hall of Fame. They will be honored as part of the annual Breakfast of Champions on Saturday, May 15, 2010, at CHS. The recipients will be listed in the Fall Newsletter.

**SCHOLARSHIPS** As usual the Alumni Association will be awarding two \$400 scholarships this spring. Thanks to all the donors who have made this possible. The recipients will be listed in the Fall Newsletter.

**PTA AFTER PROM** This will be the eighth year the Alumni Association has donated \$100 to the PTA's after prom budget.

**ALUMNI BOOSTER GOLF OUTING** This group swings into action on Sunday, June 6, 2010. The tee-off time for the scramble will be a shotgun start at 2:00 p.m. at Walden Pond Golf Course. **ALUMNI BAND** I used the alumni database email addresses to let you know about upcoming band alumni events. Unfortunately, many (MANY!) email addresses are out of date. There is no way to update them automatically. It's not always possible to send snail-mail (and it's expensive!). If you want to be informed of upcoming alumni band events, please update your records. To do so, either send a note to [info@colerainalumni.com](mailto:info@colerainalumni.com), or fill out a RECORDS UPDATE form. Paul Wesolowski '76.

**BOB HUGHES MEMORIAL GOLF OUTING** It was difficult to make the decision not to host a Bob Hughes Memorial Golf Outing this year. Even though we will not be together to celebrate Bob's life, his memories remain a treasured gift. The years pass by, but Bob is still very much a part of our lives as scholarships will continue to be awarded to worthy CHS students in his name. Donations can be made to the Bob Hughes Memorial Scholarship Fund, and a ten year Anniversary Golf Tournament is being considered. Thanks for all your support! ## SENIOR CITIZEN CHRISTMAS CONCERT

On December 15, 2009, many community members and alumni of Colerain High attended an enjoyable holiday concert and were treated to many delicious desserts provided by PTA. The CHS Concert Band and Choir presented a festive musical program. This event for 2010 will take place on Tuesday, December 14, 2010. If you are a Colerain senior citizen plan to attend.

This is in response to the invitation to celebrate eighty six years of Colerain Baseball. I'm very sorry that I cannot be there! I'll still be in Florida. Thank you for the notice. Good Luck! In your next newsletter, please publish the players who attended. Thank you. My best to all of you! John Eichstadt, Sr. '42

Please in your next "Chatter", would you ask if there are any other living graduates of 1944? I would love to hear from a classmate. Fr. Tom Beischel '44

Hi Gang! Hope all will have real nice holidays coming up. I have family over the holidays and so enjoy the little ones. Jack and I go to my son's home for dinner. He has a little grandson also. Precious! Who wants to change color of our beloved Colerain School? It's always been red and white. No way! Betty and Schreg, I'm so sorry you lost your brother, James. He was always such a nice guy. I just can't believe so many in my class have passed away and some of the beloved teachers also, Mr. Welch, Dutch, had him in gym, Mrs. Pack, etc. I hate winter with a passion. I sit in evenings and crochet. I made four afghans so far. I'm never bored. Jack and I are going on 63 years of marriage and we are enjoying ourselves as much as possible. Dale Acton stopped by last evening and we chatted a long time over the years and how things have changed. I taught Sunday school where the little white church sat in front of Bigg's on Colerain Pike. Dale said his grandfather used to own all that land. Jack and I were married in that little church. Herb and Carol Lerch – where is Margie Kuwatch these days and in what nursing home? I used to call her but lost her telephone number. My, how time flies, don't see too many I graduated with, half are gone. Good memories of all of them. Lue Robisch – been to your home several times and found out from Rick that you are in Round Top Nursing Home. I was there the day he called just to let me know. I have a friend there I used to work with, so I'll try to visit you as the weather permits. Take care. All you Colerain gals and boys, keep the good times rolling – my donation is enclosed. Thanks. Mary Mosier Sparks '47

In response to another Baseball invitation: Hello, thanks for the invitation. I would love to attend, however I will be in Naples, FL until mid May. Keep me posted on any other get-togethers. Thanks, Dude Weigel '51

Another response to baseball invitation: Can't make it this time. Here is a gift to the Alumni. Raymond (Tom) Ballard '54

I'm very sorry to inform the class of 1949 on the death of my brother Don Kelley. He passed away suddenly on Dec.03,2009. He will be missed. Pat Kelley Berlier (1955)

Another response to baseball invitation: I would love to attend, but can't. GO CARDS!!! Bob Hastings '55

Another response to baseball invitation: thanks for your continued support of Colerain athletic teams. I'll be returning to Cincinnati for the 3-Class Reunion ('56, '57, '58) in May, but won't be able to join you for the Opening Day event. Please give my best regards to those who were part of the teams I played on. Sincerely, Vic Ericson '58

Thank you for planning a nice recognition for the Lady Cards Basketball Alums. Three of us from the 1958 undefeated team (even at half-court ball, we were unstoppable) enjoyed the evening. Being the second oldest class in the line did give us pause, but that Colerain High prideful spirit kicked in once again, and we were proud to be one of the seven years of basketball to be remembered! I did wish my parents could have seen the legacy of their efforts to allow this Perfect kid to compete. As now, it's the parents who really makes the teams. Thanks again for your efforts on behalf of the Colerain Alums' achievements – all years!! P.S. If you need Cardinal Quills of the above years, my dear mother kept many!! Best regards, Julia Perfect Teuschler '58

Thanks for all the Alumni events you plan and all the good work you do. Lois Meier Wingerberg '58

I have a photo of Mary Lou Britch attending the 59 prom. I would like to send it to her. Gordon Yuellig (60)

Hello fellow classmates, I gave up my U.S. citizenship in 1995 and move to San Antonio, Texas. It is a wonderful city to live in. It is sup-tropical with mild weather in the winter although summers can be very toasty at times. If you get into town, please call me at 210-499-4926. I would enjoy showing you our fair city. I'm retired and have plenty of time. If nothing else, e-mail me at gerald.anglin@sbcglobal.net. I would enjoy hearing from you. P.S. I still have my class ring but no yearbook. Gerald (Gerry) Anglin '61

Dear Friends, I am sorry that I will not be able to attend the Eighth Annual Great Colerain High School Teach-In. We moved to Florida in 2000. Hello and best wishes to classes of 1961 and 1962! It would

have been fun to see everyone. P.S. We have a creek behind the house – alligators! Best, Karen Mullinger Schunk '61

I am very sad to report the tragic death of Lynda Colegate Class of 72. Yesterday, 11/22/09, Lynda was hit by a motorcycle while turning into her driveway on St Rte 128. It was confirmed alcohol and speed by the motorcyle was a factor. I have known Lynda my entire life such a sweet and caring person. She has been raising her grandchildren. Please keep her family in your thoughts and prayers. What a tragic end to such a wonderful life. We love you Lynda!

I am sorry to inform the class of 1970 that you have lost another classmate, Barbara A. Meece Sommer. Barbara died June 14, 2009, after a five-year battle with kidney cancer. I met Barbara in the fall of 1967. We got married in October, 1969, while serving in the US Navy. We raised two sons and have four grandchildren. After raising our family, Barb returned to school, University of Cincinnati, for an associate degree in Science. She loved her work, traveling and taking cruises to the Caribbean Islands. We had forty plus great years together. She will forever be loved and missed. P.S. Anyone who knew Barb and would like to talk, my number is 812-637-3144. Daniel Sommer

I was glancing through the Colerain Chatter tonight. And came across that Howard Ross had passed from an auto accident. I'm so sorry to hear that, as his X wife Marsha and Howard were two of my best friends at Colerain. The note was placed by their daughter Kristina. If anyone knows how to get a hold of Kristina please tell her to email me at  
Designer3838@zoomtown.com. I would like to get a hold of Marsha. I thought she moved to Dayton, Ohio and worked for the Tandy Corp. Know how to get a hold of her please email me. My email is open to anyone who wants to get a hold of me also. I pray you're all doing well.  
Sincerely, Linda

Looking for a 1971 CHS class ring (male) I lost mine :( If anyone wishes to get rid of theirs please contact me.  
Robert McLaren (1971)

FYI: In reading the "Lost alumni" section of this site, I found my mother's name listed. Let me update that listing now. Mildred Martines (Pillasch) class of 1936 died in April, 2005. I also need to inform you of the passing of my brother Kenneth Martines (1966) in February of 2008. Please move their names into the "In remembrance" section of this site. Thanks!  
Carol Steinhauer (Martines) (1971)

Looking for Georgeann Geers from class of 1970. Thanks, Robert McLaren  
Robert McLaren (1971)

Ken O'Connor turned me on to a copy of "Chatter" and I have to say it's pretty cool. It's good to hear about people from school days and that most are doing well. To hear of the passing of some of those friends is sad, but hopefully we will see them when we cross over. One such man is Chris Albrecht (71). He was killed on maneuvers in England with the Army. He was my friend and Army brother. I will always remember. Take care and God bless. By the way, RED AND WHITE IS RIGHT, anything else is wrong.  
Dan York (71)

I wanted to inform you that my brother, Dean Martini, Colerain Class of 1977, passed away on October 12, 2009, after a 2 \_ year battle with colon cancer. Dean was a father of 3, Tony, Emily and Peter and was a Delhi Township Firefighter. Vicki Martini '75

I regret to inform you that Homer Brown passed away April 4, 2009. Debbie Seiler

I just saw where Gary Schmuelling passed away in September. Of course, I hadn't seen him since high school but I remember him sitting behind me in History class pulling my hair, tapping my shoulder - anything to annoy me! I know his family will miss him terribly.

Terri Farmer (1978)

Please come support our friend and classmate Andie Ruehrwein on Friday November 20, 2009 at Borders Books on Colerain Avenue from 7:00 p.m. to 9:00 p.m. Andie will be signing copies of her new book "The Voice That Calls You Home". Come be inspired and lifted by her amazing story and journey! THE VOICE THAT CALLS YOU HOME, a collection of essays drawn from her experiences as a hospice chaplain, a chaplain to the morgue at Ground Zero, and as a cancer survivor. Exploring the connection between the spiritual and the every day, these stories, invite the reader to sit with Andie at the bedside of the dying, to encounter the homeless, to walk into the morgue at Ground Zero, and to share the horror of her own diagnosis of breast cancer. Embarking on this journey together, what the reader will come away with is not despair, but rather a sense of hope that, even in the most dire of circumstances, God is present, lifting the human spirit and giving comfort and courage to the sufferer. Please come out to meet Andie on Friday, Nov. 20th, and take home an autographed copy of her book!

Hi friends and family from CHS. I am writing to you on behalf of another one of our CHS family. Kirk Pies, also a 1989 graduate. Kirk's wife was released from the traditional medicine approach for treating stage 4 cancer this week because it is no longer effective. The family is seeking other options but these options will not be covered under any private insurance. We are hosting a benefit and fundraiser on April 17th to help the family out. We are also accepting private donations. For more information please call me directly 513-405-5037. This family has a 5 year old and a 3 year old. They could use all the support and

love we could give them. Let's show the Colerain pride and spirit we are known for in a way that will touch lives. God Bless!!  
Rainie Daniels (1989)

I will provide more information as it becomes available, but it is being planned for 2010.  
Darnesha Figgs (2010)

Hello, I was wondering if there was any information available about the 10 year reunion for the class of 2000? I really enjoyed our last reunion and would love any information available in reference to a 10 year, if we are having one.  
Darnesha Figgs (2010)

If any of you were involved in the 1985 production of "Oklahoma" you should be getting a letter from the current drama group inviting you to attend the production of their show on April 30, May 1 and 2. Watch for the letter.
